Introduce yourself: Hello, my name is [FO NAME] from REMIT Research Consulting and we called you in the last few weeks regarding a survey. I am calling on behalf of the World Bank, the United

Nations High Commissioner for Refugees and the Kenya National Bureau of Statistics. The World Bank, UNHCR, and the KNBS are trying to help assess the current socio-economic situation of households living in Kenya. Your household has been randomly chosen to participate in this survey. Your cooperation and answers would be extremely important. All personal information provided will be kept strictly confidential.

5h. Time start interview: (24 hr clock) :

Informed consent and data protection:

Thank you for participating in the phone interview for this study before. We really appreciate your time and your willingness to tell us about your household. This is a follow-up survey to help us understand the experiences of your household since the last time we talked, and to ask some new questions.

As I told you, The World Bank, UNHCR, and the KNBS are conducting a nationwide phone survey in Kenya. The objectives of the survey are to better understand the current socio-economic situation of households living in Kenya to help design policies. If you agree to participate in this survey, we will ask you some questions related to your and your household's food security, access to health and educational facilities, mental well-being, and transfers. The interview will take about 15 minutes, and we will schedule it when it is convenient for you.

There are no direct benefits to you, but as a small gift you will receive 50 KSh as airtime for the interview after the interview has ended.

Any responses that you give us will be confidential, that is, the researchers will not let anyone else know how you answered. The anonymized responses will be used for research purposes and published in reports. We can assure you that we will never include any names or other personal details in publications. The study is voluntary and if you do not want to participate, you can decide at any time. There will be no negative impacts on you. If at any time you want to stop participating, please let me know and we will respect your decision.

6. Do you have any questions now? Yes / No
