(Secondary and Local Roads Project)

between

ALBANIA

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated July 2, 2008
AGREEMENT dated July 2, 2008, entered into between ALBANIA (‘‘Recipient’’)
and the INTERNATIONAL DEVELOPMENT ASSOCIATION
(‘‘Association’’). The Recipient and the Association hereby agree as follows:

ARTICLE I - GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement)
constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this
Agreement have the meanings ascribed to them in the General Conditions.

ARTICLE II - FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions
set forth or referred to in this Agreement, a credit in an amount equivalent to
twelve million two hundred thousand Special Drawing Rights (SDR 12,200,000)
(the ‘‘Credit’’) to assist in financing the project described in Schedule 1 to this
Agreement (‘‘Project’’).

2.02. The Recipient may withdraw the proceeds of the Credit in accordance with
Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the
Unwithdrawn Credit Balance shall be one-half of one percent (1/2 of 1%) per
annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance
shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The Payment Dates are April 15 and October 15 in each year.

2.06. The principal amount of the Credit shall be repaid in accordance with the
repayment schedule set forth in Schedule 3 to this Agreement.

2.07. The Payment Currency is Euro.
ARTICLE III - PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall cause the Project to be carried out by the Project Implementing Entity in accordance with the provisions of Article IV of the General Conditions and the Project Agreement.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV - REMEDIES OF THE ASSOCIATION

4.01. The Additional Event of Suspension consists of the following, namely, that the Project Implementing Entity’s Legislation has been amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the ability of the Project Implementing Entity to perform any of its obligations under the Project Agreement.

4.03. The Additional Event of Acceleration consists of the following, namely, that the event specified in Section 4.01 of this Agreement occurs.

ARTICLE V - EFFECTIVENESS; TERMINATION

5.01. The Additional Condition of Effectiveness consists of the following, namely, that the Subsidiary Agreement has been executed on behalf of the Recipient and the Project Implementing Entity.

5.02. The Additional Legal Matter consists of the following, namely, that the Subsidiary Agreement has been duly authorized by the Recipient and the Project Implementing Entity and is legally binding upon the Recipient and the Project Implementing Entity in accordance with its terms.

5.03. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

5.04. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is twenty (20) years after the date of this Agreement.
ARTICLE VI - REPRESENTATIVE; ADDRESSES

6.01. The Recipient’s Representative is the Minister of Finance.

6.02. The Recipient’s Address is:

SCHEDULE 1

Project Description

The objective of the Project is to improve access to essential services and economic markets, via the provision of all weather roads, for the resident population in the hinterland of the Project roads, including: (i) the improvement of priority sections of the secondary (regional) road network across the Recipient’s territory; (ii) the improvement of priority sections of the local road network across the Recipient’s territory; and (iii) strengthening of the management of the secondary and local road network.

The Project consists of the following parts:

Part 1:  Improvement of Priority Sections of the Secondary (regional) Road Network

Financing of Sub-projects to rehabilitate and reconstruct selected priority sections of the secondary (regional) road network, including the provision of road safety infrastructure where necessary.

Part 2:  Improvement of Priority Sections of the Local (commune) Road Network

Financing of Sub-projects to rehabilitate and fully reconstruct selected priority sections of the local (commune) road network, including the provision of road safety infrastructure where necessary.

Part 3:  Implementation and Institutional Support

Provision of technical support, goods (including vehicles, computers, air conditioning units, a generator, and office furniture), training, study tours, conferences and the financing of Operational Costs to assist the Project Implementing Entity in the implementation of the Project, specifically for: (i) the selection and employment of consultants’ services to supervise the civil works and improve the design for the duration of the Project; (ii) the selection and employment of a technical assistant with a strong background in highway engineering for the duration of the Project; (iii) training of the Project Implementing Entity staff responsible for Project implementation; (iv) the carrying out of a review of the functional classification for all levels of roads; (v) an inventory of the core secondary and local road network; (vi) the preparation of a strategy and action plan for the development of the secondary and local road network; (vii) capacity building in the communities to contract and undertake maintenance; (viii) the establishment of an Asset Management System for secondary (regional) and local roads; and (ix) the preparation of design and bidding documents for the first and second year of Project implementation.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Credit allocated from time to time to Categories (1) and (2) available to the Project Implementing Entity on a grant basis under a subsidiary agreement between the Recipient and the Project Implementing Entity ("Subsidiary Agreement").

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Credit. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Sub-projects

1. Criteria for Selection of Roads

In order to maximize the benefits to be accomplished from the Project, the Recipient shall take all action necessary on its behalf to ensure that the following procedure is followed in the preliminary stages of the selection of the Sub-projects proposed for rehabilitation and/or construction under Parts 1 and 2 of the Project:

(a) LGUs shall identify potential Sub-projects for submission on the basis of the following criteria: (i) the road must have substantial development potential (agricultural potential, production, tourism); (ii) the road must have substantial current or potential use; (iii) the existence of a significant number of beneficiaries (population, poverty); and (iv) there must be no significant negative impact on the environment or the population living in the hinterland of the road; and

(b) The Sub-projects so identified shall be the highest priority ones to be submitted to the Project Implementing Entity for further prioritization and selection.
2. Additional Eligibility for Roads Located in Certain Geographical Areas

The Recipient shall take all measures necessary to ensure that no Sub-project proposal relates to, and no proceeds of the Credit are used to finance, a Sub-Project located:

(a) in the area covered by the Southern Coastal Development Plan, until and unless such Plan has been formally approved by the Territory Adjustment Council; and

(b) in the coastal area on the remainder of the Albanian coast, until and unless a development plan has been approved by, or has been submitted to the approval of, the Territory Adjustment Council.

D. Administration and Management of Secondary Regional Roads

The Recipient, through its Ministry of Public Works, Transport and Telecommunications, shall prepare a Council of Minister’s draft decision satisfactory to the Association, to be passed not later than December 31, 2008, transferring the rights for the administration and management of all secondary regional roads from the Regional Councils to the General Road Directorate.

E. Provision of Funds and Other Resources

Without limitation upon the provisions of Section 4.03 of the General Conditions, the Recipient shall take all action necessary on its behalf to ensure that:

(a) the team responsible for Project implementation within the Project Implementing Entity is adequately staffed and provided with sufficient and timely financial, human and technical resources throughout the life of the Project; and

(b) starting with Fiscal Year 2009 and through Fiscal Year 2013, adequate funds are allocated in its annual budget to cover its annual contribution to the financing of the Project.

Section II. Project Monitoring and Evaluation

A. Completion Report

For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished by the Recipient to the Association not later than June 30, 2013.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report, not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one Fiscal Year of the Recipient, commencing with the Fiscal Year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Services (other than Consultants’ Services). All goods, works and services (other than consultants’ services) required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Services (Other than Consultants’ Services)

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.
2. **Other Methods of Procurement of Goods, Works and Services (other than Consultants’ Services).** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and services (other than consultants’ services). The Procurement Plan shall specify the circumstances under which such methods may be used:

<table>

</tr>
</thead>
<tbody>
<tr>
<td>(a) National Competitive Bidding, subject to the modifications and additions set forth in paragraph 3 below.</td>
</tr>
<tr>
<td>(b) Shopping</td>
</tr>
<tr>
<td>(c) Direct Contracting</td>
</tr>
</tbody>
</table>

3. The National Competitive Bidding procedures shall be based on the Open Tendering procedures as defined in the Public Procurement Law of Albania, and the following additional provisions:

(i) "Open Tendering" procedures as defined in the Procurement Law of Albania shall apply to all contracts;

(ii) foreign bidders shall not be precluded from bidding and no preference of any kind shall be given to national bidders in the bidding process. Government-owned enterprises in Albania shall be permitted to bid only if they are legally and financially autonomous and operate under commercial law of the Recipient;

(iii) procuring entities shall use sample bidding documents approved by the Association;

(iv) in case of higher bid prices compared to the official estimate, all bids shall not be rejected without the prior concurrence of the Association;

(v) a single-envelope procedure shall be used for the submission of bids;

(vi) post-qualification shall be conducted only on the lowest evaluated bidder; no bid shall be rejected at the time of bid opening on qualification grounds;

(vii) bidders who contract as a joint venture shall be held jointly and severally liable;
(viii) contracts shall be awarded to the lowest evaluated, substantially responsive bidder who is determined to be qualified to perform in accordance with pre-defined and pre-disclosed evaluation criteria;

(ix) post-bidding negotiations shall not be allowed with the lowest evaluated or any other bidders; and

(x) contracts of long duration (more than 18 months) shall contain appropriate price adjustment provisions.

C. Particular Methods of Procurement of Consultants’ Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. Other Methods of Procurement of Consultants’ Services. The following table specifies methods of procurement, other than Quality and Cost-based Selection, which may be used for consultants’ services. The Procurement Plan shall specify the circumstances under which such methods may be used.

</tr>
</tbody>
</table>

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.
Section IV. Withdrawal of the Proceeds of the Credit

A. General

1. The Recipient may withdraw the proceeds of the Credit in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Credit (“Category”), the allocations of the amounts of the Credit to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

<table>
<thead>
<tr>
