Loan Agreement

(Additional Financing for Philippine Rural Development Project)

between

REPUBLIC OF THE PHILIPPINES

and

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

DATED: MARCH 2, 2013
LOAN AGREEMENT

AGREEMENT dated as of the Signature Date between the REPUBLIC OF THE
PHILIPPINES ("Borrower") and INTERNATIONAL BANK FOR RECONSTRUCTION
AND DEVELOPMENT ("Bank") for the purpose of providing additional financing for the
Original Project (as defined in the Appendix to this Agreement).

WHEREAS: (A) the Borrower has requested additional financing from the Bank
for the "Expansion of the Philippine Rural Development Project" in an amount of four
hundred and fifty million United States Dollars ($450,000,000); and (B) after an internal
review, the Bank has proposed to extend a loan in an amount of one hundred and seventy
million United States Dollars ($170,000,000), at this time, for the purpose of providing
additional financing to scale up the Original Project.

(B) the Borrower and the Bank acknowledge that the Borrower is referring to the
Project as the "Expansion of the Philippine Rural Development Project" whereas the Bank
is referring to it as the "Additional Financing for the Philippine Rural Development
Project".

NOW, THEREFORE, the Borrower and the Bank hereby agree as follows:

The objectives of the Project are to increase rural incomes and enhance farm and fishery productivity in the Targeted Areas.

The Project consists of only Parts 2 and 4 of the Original Project, as described below:

Part 1. Local and National Level Planning

[intentionally left blank]

Part 2. Infrastructure Development

2.1 Value Chain Infrastructure Support. Carrying out of specific Sub-projects to support infrastructure development by Participating LGUs in priority commodity value chains (including, among others, farm-to-market roads, bridges, tire tracks, communal irrigation, potable water systems, post-harvest facilities, production facilities, fish landings, fish sanctuaries, tram lines, storage facilities, trading posts, green houses, solar driers, watch towers, and slope stabilization works).

2.2 Approaches for Improving the Effectiveness and Sustainability of Infrastructure Investments. Development of technical specifications for climate resiliency and disaster risk mitigation for local infrastructure.

Part 3. Enterprise Development

[intentionally left blank]

Part 4. Project Implementation Support

Provision of technical and operational assistance for the day-to-day coordination, implementation, monitoring, evaluation and audit of the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional and Implementation Arrangements

1. (a) The Borrower shall carry out the Project, through the DA, in accordance with the Operations Manuals, the AFMP and the RAFMPs.

(b) The operations manual prepared and adopted for Part 2.1 of the Project shall include, _inter alia_, the descriptions of: (i) eligibility criteria, procedures and guidelines for the selection, approval, administration and supervision of Sub-projects including those set out in Section IC and Attachment 1 to this Schedule 2; (ii) the conditions governing Infrastructure Development Grants; (iii) a list of items or activities not eligible for financing out of the proceeds of the Loan through Sub-projects; and (iv) the Sub-project’s engineering design, operating and maintenance procedures.

(c) The Borrower shall not amend, revise, waive, void, suspend or abrogate, or allow to be amended, revised, waived, voided, suspended or abrogated, any provision of the Operations Manuals, without the prior written concurrence of the Bank.

(d) In case of any inconsistency between the provisions of the Operations Manuals and those of this Agreement, the provisions of this Agreement shall prevail.

2. The Borrower shall maintain throughout the period of implementation of the Project, with composition, terms of reference, staffing and other resources acceptable to the Bank, and with detailed functions and powers as set out in the Operations Manuals:

(a) an NPCO, to be responsible, _inter alia_, for implementation of the overall institutional reforms planned for the DA under the Project and coordination of the relevant government agencies involved in the implementation of the Project;

(b) an NPAB, to be responsible, _inter alia_, for overall direction and oversight of Project implementation;

(c) RPABs, each chaired by the regional director of DA, to be responsible, _inter alia_, for the oversight of Project implementation at the regional level;
(d) RPCOs within the respective DA regional field offices to be responsible, *inter alia*, for coordination and management of Project implementation at the regional level; and

(e) PSOs to be responsible, *inter alia*, for providing support to the RPCOs.

3. [intentionally left blank].

4. The Borrower shall, through the NPCO: (i) furnish to the Bank, not later than October 31 in each year, starting on the first October 31 after the date of effectiveness of this Agreement, for review and comments, an annual work plan and financing plan for the implementation of the Project in the following year prepared in accordance with the provisions of the Operations Manuals; and (ii) afford the Bank a reasonable opportunity to exchange views with the Borrower on said plan and, thereafter, promptly take all actions necessary to implement said plan, taking into account the views of the Bank on the matter.

5. The Borrower shall maintain, throughout the course of implementation, a unified and integrated platform of publicly accessible, geo-tagged and geo-mapped records of all Sub-projects.

6. The Borrower shall implement planning guidelines that require all technical and attached agencies of the DA to coordinate with and provide support to RFOs in implementation of the relevant PCIP and to make appropriate provisions in their annual budgets for the same.

7. The Borrower shall maintain the NPAB, with composition, terms of reference, staffing and other resources acceptable to the Bank.

B. Safeguards

1. The Borrower shall ensure that all terms of reference for any technical assistance or studies carried out under the Project are consistent with, and pay due attention to, the Bank Policies, as well as the Borrower’s own laws relating to the environment and social aspects relevant to the Project.

2. The Borrower shall ensure that the Project shall be implemented in accordance with the guidelines, procedures, timetables and other specifications set forth in the Safeguards Documents.

3. Except as the Bank shall otherwise agree in writing and subject to compliance with applicable consultation and public disclosure requirements of the Bank, the Borrower shall not abrogate, amend, repeal, suspend or waive any provisions of any of the Safeguards Documents, nor shall it permit any entity participating in the implementation of the Project to do so.

4. Without limitation upon its other reporting obligations under this Agreement, the Borrower shall regularly collect, compile and submit to the Bank, on a semi-annual
basis and promptly in a separate report whenever the circumstances warrant, reports on the status of compliance with the Safeguard Documents, giving details of: (a) measures taken in furtherance of the Safeguard Documents; (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the Safeguards Documents; and (c) remedial measures taken or required to be taken to address such conditions.

5. The Borrower shall maintain and operate throughout the period of Project implementation, a grievance redress mechanism for the handling of any stakeholder complaints arising out of the implementation of the Project activities. The operation and procedures of such grievance redress mechanism shall be subject to guidelines agreed between the Borrower and the Bank.

6. If any provision of the Safeguards Documents shall conflict with any provision under this Agreement, the terms of this Agreement shall prevail.

C. Sub-projects

1. To facilitate the carrying out and financing of Part 2.1 of the Project, the Borrower shall make part of the proceeds of the Loan available to Participating LGUs on a grant basis ("Grant") for the purpose of making Infrastructure Development Grants.

2. Prior to making an Infrastructure Development Grant to a Participating LGU, the Borrower shall:

   (a) ensure that each Participating LGU has the organization, management and resources satisfactory to the Bank for carrying out the proposed Sub-projects; and

   (b) enter into a grant agreement between the Borrower, through its DA, and each Participating LGU ("Implementation Management Agreement"), under terms and conditions acceptable to the Bank, as set out in Attachment 1 of Schedule 2 to this Agreement, and which shall also include the following: (i) the implementation responsibilities of the DA and the Participating LGU in the implementation of the Sub-projects; (ii) the specification of eligible expenditures that may be financed from the proceeds of the Grant; (iii) financial management and audit procedures consistent with those provisions set out in the Operations Manuals; (iv) procurement procedures consistent with Section III of this Schedule; (v) monitoring and reporting arrangements; and (vi) arrangements for implementation of the Safeguards Documents.

3. Without limitation on the provisions of paragraph 2(b) of this Section, including the terms and conditions set out in Attachment 1 of Schedule 2 to this Agreement, the Borrower, through its DA, shall obtain rights under each Implementation Management Agreement adequate to protect its interests and those of the Bank,
including the right to: (i) suspend or terminate the right of the Participating LGU to use the proceeds of the Grant, or obtain a refund of all or any part of the amount of the Grant then withdrawn, upon the Participating LGU's failure to perform any of its obligations under the Implementation Management Agreement; and (ii) require each Participating LGU to: (A) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Bank, including in accordance with the Safeguards Documents and the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Borrower; (B) provide, promptly as needed, the resources required for the purpose; (C) procure the goods, works and services to be financed out of the Grant in accordance with the provisions of this Agreement; (D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Bank, the progress of the Sub-project and the achievement of its objectives; (E) (1) maintain a financial management system and prepare financial reports in a format acceptable to the Borrower and the Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Sub-project; and (2) at the Bank's or the Borrower's request, have such financial reports audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank, and promptly furnish the statements as so audited to the Borrower and the Bank; (F) enable the Bank to inspect the Sub-project, its operation and any relevant records and documents; and (G) prepare and furnish to the Bank all such information as the Bank shall reasonably request relating to the foregoing.

4. The Borrower shall: (a) exercise its rights under each Implementation Management Agreement in such manner as to protect the interests of the Borrower and the Bank and to accomplish the purposes of the Loan; and (b) except as the Bank shall otherwise agree, not assign, amend, abrogate or waive any Implementation Management Agreement or any provision thereof.

Section II. Project Monitoring Reporting and Evaluation

Without limitation on the provisions in the Disbursement and Financial Management Letter, the Borrower shall:

(a) prepare, under terms of reference satisfactory to the Bank, and furnish to the Bank, on or about September 30, 2019, a mid-term evaluation report integrating the results of the monitoring and evaluation activities performed pursuant to paragraph 1 of this Part A, on the progress achieved in the carrying out of the Project during the period preceding the date of said report and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objectives thereof during the period following such date; and
(b) review with the Bank, by November 30, 2019, or such later date as the Bank shall request, the report referred to in sub-paragraph (a) of this paragraph 2, and, thereafter, take all measures required to ensure the efficient completion of the Project and the achievement of the objectives thereof, based on the conclusions and recommendations of the said report and the Bank’s views on the matter.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Loan shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Bank of particular contracts refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works, and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding procedures.

2. Other Methods of Procurement of Goods, Works and Non-consulting Services. The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan: (a) National Competitive Bidding subject to the additional provisions set out in paragraph 3 of this Section; (b) Shopping; (c) Direct contracting; (d) Well-established Private Sector Procurement Methods or Commercial Practices which have been found acceptable to the Bank; and (e) Community Participation procedures in accordance with the procedures included in the Operations Manuals, which have been found acceptable to the Bank.
3. Additional National Competitive Bidding Provisions. The following provisions shall apply to the procurement of goods, works and non-consulting services under National Competitive Bidding procedures: (a) eligibility screening shall not be applied, provided however that bids that do not contain any of the following documents shall not pass the documentary compliance check: (i) evidence of the required financial, technical or production capability; (ii) audited financial statements; (iii) credit line or cash deposit certificate; (iv) bid security; and (v) authority of the bid signatory; (b) a ceiling may be applied to bid prices provided the following conditions are met: (i) bidding documents are obtainable free of charge on a freely accessible website; (ii) the agency has procedures in place to ensure that the ABC is based on engineer’s estimate; (iii) the agency has trained cost estimators on estimating prices and analyzing bid variance; and (iv) the agency has established a system to monitor and report bid prices relative to ABC and Engineer’s Estimate; (c) domestic or regional preferences shall not be applied in the evaluation of bids, and other preference in effect in the Philippines shall not be used except with prior concurrence of the Bank; (d) foreign suppliers and contractors shall be allowed to participate, if interested, without first being required to associate with, or enter into joint venture, with local firms, and foreign bidders shall be allowed to bid, even without registration, licensing, and other government authorizations, leaving these requirements for after award and before signing of contract; and (e) alternative procurement methods defined in the implementing rules and regulations such as Limited Source Bidding, Direct Contracting and Shopping as acceptable, and the use of the other alternative methods shall require prior Bank concurrence.

C. Particular Methods of Procurement of Consultants’ Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

2. Other Methods of Procurement of Consultants’ Services. The following methods, other than Quality- and Cost-based Selection, may be used for procurement of consultants’ services for those contracts which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed Budget; (c) Selection based on Consultants’ Qualifications; (d) Single-source Selection of consulting firms; (e) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; and (f) Single-source procedures for the Selection of Individual Consultants.

D. Review by the Bank of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Bank’s Prior Review. All other contracts shall be subject to Post Review by the Bank.
Section IV. Withdrawal of Loan Proceeds

A. General

1. Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Borrower may withdraw the proceeds of the Loan to finance Eligible Expenditures, Interest Rate Cap or Interest Rate Collar premium in the amount allocated and up to the percentage set forth in the following table:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of paragraph 1 above, no withdrawal shall be made:
   
   (a) from the Loan Account until the Bank has received payment in full of the Front-end Fee; or
   
   (b) for payments made prior to the date of this Agreement.

2. The Closing Date is May 31, 2021.
ATTACHMENT 1 TO SCHEDULE 2
IMPLEMENTATION MANAGEMENT AGREEMENT
TERMS AND CONDITIONS

For the purposes of Section I.C of Schedule 2 to this Agreement, each Implementation Management Agreement between the Borrower and a Participating LGU shall include, inter alia, the provisions set forth below.

1. The Borrower shall provide a Participating LGU an amount equivalent to ninety percent (90%) of the cost of said LGU’s Sub-project for Sub-projects under Part 2.1 of the Project.

2. Each Participating LGU shall:
   (a) maintain, throughout the period of Project implementation, the organization, management and resources, satisfactory to the Bank, for carrying out Sub-projects; and
   (b) establish, prior to the carrying out of any Sub-projects, and thereafter maintain, a PPMIU throughout the period of Project implementation, with composition, terms of reference, staffing and other resources acceptable to the Bank, to be responsible for supporting project implementation activities, preparing annual work plans and budgets, undertaking monitoring and evaluation and overall accounting and financial management; and
   (c) carry out the Sub-projects with due diligence and efficiency, in conformity with appropriate engineering, economic, financial, administrative, technical, and agricultural practices and sound social and environmental standards, as set forth in the Operations Manuals prepared and adopted for the Project, and acceptable to the Bank, as well as in accordance with the applicable PCIP, and provide promptly as needed, the funds, facilities, services and other resources required therefor.

3. The Participating LGU shall:
   (a) (i) carry out an environmental screening for the proposed Sub-project in accordance with the provisions of the ESSF (including the EMFG); (ii) prior to the commencement of any works, prepare, hold consultations on and disclose an ESMP, satisfactory to the Bank; (iii) carry out the Sub-project in accordance with the ESMP; (iv) not amend, suspend or abrogate any of the provisions of the ESMP without the prior approval of the Bank; and (iv) in the event an environment compliance certificate is required under Philippine law or regulations, such certificate has been obtained.
from DENR or its instrumentality at the regional level in respect of the activities under said Sub-project; and

(b) if the activities under the proposed Sub-project give rise to Displaced Persons: (i) prepare, hold consultations on and disclose, prior to the commencement of any works, a Resettlement Action Plan ("RAP"), in accordance with the provisions of the ESSF (including the LARRF); (ii) carry out the Sub-project in accordance with the RAP including, unless otherwise agreed with the Bank, payment in full of compensation to all Displaced Persons prior to the commencement of any related works; (iv) not amend, suspend or abrogate any of the provisions of the RAP without the prior approval of the Bank; and

(c) if the activities under such proposed Sub-project involve Indigenous Peoples, and if required according to said ESSF (including the IPPF): (i) prepare, hold consultations on and disclose, prior to the commencement of any works, an Indigenous Peoples Plan ("IPP"), in accordance with the provisions of the ESSF (including the IPPF); (ii) carry out the Sub-project in accordance with the IPP; (iv) not amend, suspend or abrogate any of the provisions of the IPP without the prior approval of the Bank; and

(d) (i) not finance any Sub-project that involves a dam that is fifteen (15) meters or more in height; and (ii) not finance any Sub-project that involves a dam that is between ten (10) and fifteen (15) meters in height, without the prior written approval of the Bank.

4. Each Participating LGU shall:

(a) procure goods, works and services required for the Project and to be financed out of the proceeds of the Loan in accordance with the provisions of Section III of Schedule 2 to this Agreement;

(b) ensure that said goods are insured against hazards incident to the acquisition, transportation and delivery thereof to the place of use or installation, any indemnity thereunder to be made payable in a currency freely usable by the purchaser thereof to replace or repair such goods; and

(c) ensure that said goods, works and services are utilized exclusively for the purpose of carrying out the Project.

5 Each Participating LGU shall enable the Borrower and the Bank to examine all goods, facilities, sites and works included in the Project, the operation thereof, and any relevant records and documents.
6. Each Participating LGU shall ensure that any facilities, equipment and other property relevant to the Project shall at all times be operated and maintained, and that all necessary repairs and renewals thereof shall be promptly made, as needed, all in accordance with sound financial, administrative and technical practices.

7. Each Participating LGU shall:

(a) maintain policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with the performance indicators agreed with the Bank, the carrying out of the Sub-projects; and

(b) prepare, under terms of reference satisfactory to the Bank, a semi-annual report summarizing the results of the monitoring and evaluation activities performed pursuant to sub-paragraph (a) above of this paragraph 6, on progress achieved in the carrying out of the Sub-projects during the preceding calendar semester and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objectives thereof during the next semi-annual period following such date and furnish the same to the Borrower to enable the Borrower to consolidate and submit the information to the Bank as part of the Project Reports.

8. Each Participating LGU shall maintain a financial management system and prepare financial reports in a format acceptable to the Bank and the Borrower, both in a manner adequate to reflect the operations, resources and expenditures related to each Sub-project.

9. Each Participating LGU shall have the financial reports for each Sub-project referred to above audited by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank. Each audit of these financial reports shall cover the period of one (1) fiscal year of the Participating LGU. The audited financial reports for each period shall be furnished to the Borrower not later than three (3) months after the end of the period for consolidation by the Borrower and submission to the Bank in accordance with the provisions of the Disbursement and Financial Management Letter.

2. "AFMP" means the agriculture and fisheries modernization plan which is prepared and implemented by the DA under Republic Act 8435 of 1997 in consultation with stakeholders and which includes plans on food security, poverty alleviation and social equity, income enhancement and profitability, global competitiveness, and sustainability.

4. "Category" means a category set forth in the table in Section IV of Schedule 2 to this Agreement.

6. "DA" or "Department of Agriculture" means the Borrower’s Department of Agriculture, and any successor or successors thereto.

7. "DENR" or "Department of Environment and Natural Resources" means the Borrower’s Department of Environment and Natural Resources, and any successor or successors thereto.

8. "Displaced Person" means a person who, on account of the execution of the Project, has experienced or would experience direct economic and social impacts caused by: (i) the involuntary taking of land, resulting in (A) relocation or loss of shelter (B) loss of assets or access to assets or (C) loss of income sources or means of livelihood, whether or not such person must move to another location; or (ii) the involuntary restriction to access to legally designated parks and protected areas, resulting in adverse impacts on the livelihood of such person, and "Displaced Persons" means more than one such Displaced Person.

9. "EMFG" means the Borrower’s environmental management framework and guidelines, prepared by the Borrower and included in the ESSF, as acceptable to
the Bank, setting out the mitigating, monitoring and institutional measures to be taken during the implementation and operation of the Project to offset or reduce potential adverse environmental impacts to levels acceptable to the Bank.

10. “ESMP” means a site-specific environmental and social management plan, as provided for under the ESSF (including the EMFG), to be prepared by the Borrower, and satisfactory to the Bank, defining details of measures to manage potential environmental and social risks and mitigate, reduce and/or offset adverse environmental and social impacts associated with the implementation of activities under the Project, together with adequate institutional, monitoring and reporting arrangements capable of ensuring proper implementation of, and regular feedback on compliance with, its terms, as the same may be amended and supplemented from time to time with the prior agreement of the Bank; and “ESMPs” refers to more than one such ESMP.

11. “ESSF” means the environmental and social safeguards framework, for the Project, dated November 28, 2012, updated June 5, 2014, disclosed in Infoshop on June 6, 2014, which includes the EMFG, the IPPF, and the LARRF, and which: (i) sets forth policies and procedures for the preparation of site-specific ESMPs, IPPs and RAPs; and (ii) sets forth the mitigating, monitoring and institutional measures to be taken during the implementation and operation of the Project to offset or reduce potential adverse environmental and social impacts to levels acceptable to the Bank.

13. “Implementation Management Agreement” means an agreement between the Borrower, through its DA, and a Participating LGU for the purpose of carrying out Sub-projects under Parts 2.1 of the Project.

14. “Indigenous Peoples” means social groups with a distinct social and cultural identity that makes them vulnerable to being disadvantaged in the development process, including the presence in varying degrees of the following characteristics: (i) a close attachment to ancestral territories and to the natural resources in these areas; (ii) self-identification and identification by others as members of a distinct cultural group; (iii) an indigenous language, often different from Pilipino, the Borrower’s national language; (iv) presence of customary social and political institutions; and (v) primarily subsistence-oriented production.

15. “Indigenous Peoples Plan” or “IPP” means an indigenous peoples plan to be prepared by the Participating LGU in accordance with the IPPF and the Bank’s policy on indigenous peoples, pursuant to paragraph 3(c) of Attachment 1 to
Schedule 2 to this Agreement, setting forth, *inter alia*, a summary of the social assessment undertaken to determine whether Indigenous People are present in or have collective attachment to the Project area, a summary of the results of the free, prior, and informed consultation with the affected Indigenous Peoples' communities, a framework for ensuring free, prior, and informed consultation with the affected Indigenous Peoples' communities, an action plan of measures to avoid, minimize, mitigate, or compensate for adverse effects on affected Indigenous People, cost estimates and financing, grievance mechanisms and mechanisms and benchmarks appropriate to the Project for monitoring, evaluating, and reporting on the implementation of the IPPF; and "IPPs" means more than one such IPP.

16. "Indigenous Peoples Policy Framework" or "IPPF" means the framework included in the ESSF, prepared by the Borrower, which sets out: (i) the policies and procedures to ensure adequate consultations with, and the informed participation of, Indigenous Peoples who are affected by the Project, and (ii) the principles to be applied in the preparation of IPPs as may be required during implementation of the Project.

17. "Infrastructure Development Grant" is a grant made by the Borrower to a Participating LGU under an Implementation Management Agreement for the purpose of carrying out Sub-projects under Part 2.1 of the Project; and "Infrastructure Development Grants" means more than one such Infrastructure Development Grant.

18. "Land Acquisition, Resettlement, and Rehabilitation Policy Framework" or "LARRF" means the framework prepared by the Borrower and included in the ESSF, which sets out the procedures, rules, and guidelines for: (i) the involuntary taking of land and other assets from Displaced Persons; (ii) resettlement and rehabilitation of, and compensation to, Displaced Persons; and (iii) reporting and monitoring arrangements to ensure compliance with such framework, as such framework may be amended from time to time with the prior agreement of the Bank.

19. "NPAB" means the National Project Advisory Board, to be established in accordance with Section I. A.2(b) of Schedule 2 to this Agreement.

20. "NPCO" means the National Project Coordination Office, established by the Secretary of Agriculture through Special Order No.756 of 2012, issued November 20, 2013 and reconstituted through Special Order 776 of 2013, issued December 2, 2013 and referred to in Section I. A 2(a) of Schedule 2 to this Agreement.

21.
