Re: IBRD Loan 8864-IN (Additional Financing for PMGSY Rural Roads Project)  
Additional Instructions: Disbursement and Financial Information Letter

May 31, 2018

I refer to the Loan Agreement between India (the “Borrower”) and the International Bank for Reconstruction and Development (the “World Bank”) for the above-referenced Project, dated May 31, 2018. The General Conditions, as defined in the Loan Agreement, provide that the Borrower may from time to time request withdrawals of Loan Amounts from the Loan Account in accordance with the Disbursement and Financial Information Letter (DFIL), including Project specific financial reporting requirements.

I. Disbursement Arrangements, Withdrawal of Loan Funds, and Reporting of Uses of Loan Funds

(i) Disbursement Arrangements/Provisions. The table in Schedule 1 sets out the disbursement methods which may be used by the Borrower, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account (if applicable).

(ii) Electronic Delivery (Section 10.01 (c) of the General Conditions)

The World Bank may permit the Borrower to electronically deliver applications (with supporting documents) through the World Bank’s web-based portal “Client Connection”. This option may be effected if the officials designated in writing by the Borrower who are authorized to sign and deliver Applications have registered as users of “Client Connection”. The designated officials may deliver Applications electronically by completing the Form 2380, which is accessible through “Client Connection”. By signing the Authorized Signatory Letter, the Borrower confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the World
Bank by electronic means. The Borrower may continue to exercise the option of preparing and delivering Applications in paper form. The World Bank reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Borrower. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Borrower confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the World Bank's public website at https://worldbank.org and "Client Connection"; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits

(i) **Financial Reports.** The Borrower must prepare and furnish to the World Bank not later than forty-five (45) days after the end of each calendar semester, Interim unaudited Financial Reports ("IFR") for the Project covering the semester.

(ii) **Audits.** Each audit of the Financial Statements must cover the period of one fiscal year of the Borrower, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period must be furnished to the Bank not later than nine (9) months after the end of such period.

III. Other Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the World Bank’s public website (http://www.worldbank.org/) and in "Client Connection". The World Bank recommends that you register as a user of "Client Connection". From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Loan, and retrieve related policy, financial, and procurement information.
