SCHEDULE 1

Project Description

The objective of the Project is to assist the Recipient in enhancing the quality of education in rural primary schools, grades 1-5, by improving students’ access to, and use of, quality learning materials and improving teachers’ skills through promoting professional networks. The Project consists of the following parts:

Part A: Access for students to improved learning materials and learning conditions

1. Establishment of classroom libraries in rural schools and selected kindergartens, dorms and non-formal education centers through: (a) the provision of enhanced reading materials for grade 1-5 students in all soum and bagh schools, including publishing and printing of local manuscripts, translation of books and manuscripts to Mongolian and Kazakh language, and implementation of a reading materials replenishment voucher system; (b) the provision of training to teachers, librarians, school principals and managers and Education and Culture Development’s (ECD) primary grade methodologists in the use of classroom libraries; and (c) the establishment and operation of a digital library for accessing books and manuscripts provided under the Project; and the provision of technical assistance in respect of such activities.

2. Improvement in learning conditions in rural schools through the provision of classroom furniture for grade 1 students and books shelves for grade 1-5 classrooms.

3. Development and implementation of a training program to promote improved teaching strategies among teachers, ECD’s primary grade methodologists, school principals and managers, and librarians, including use and care of reading materials, promoting reading fluency and comprehension, promoting improved student writing and critical thinking, use of child friendly teaching practices, selection and translation of world renowned books into Mongolian and Kazakh as resources for teachers on child development and teaching practices; and the provision of technical assistance in respect of such activities.
4. Promotion of reading activities for families and children while at home and at school through development and implementation of a national reading campaign.

Part B: National Monitoring of Quality and Efficiency

1. Strengthening the capacity of the Education Evaluation Center (EEC) within MECS to undertake large-scale assessment activities, including the provision of enhanced equipment to improve the technical capacity and functioning of the EEC, development and implementation of a national assessment in literacy (reading and writing) and mathematics for primary grades 1-5, staff study tours to participate in international assessment of student achievements at the fourth and eight grades; and the provision of technical assistance in respect of such activities.

2. Improving efficiency of education policy tools through the carrying out of the following studies on: (a) the teacher compensation structure and its effect on attracting and retaining teachers in rural areas; (b) a review of the school funding formula to consider how compensatory financing might help meet the needs of those in poorer remote schools and support schools serving disabled children in an inclusive environment; (c) a review of performance outcome contracts and development of training materials to improve use of contracts to promote child friendly practices; and (d) a review of the targeting mechanism and development of training materials to improve targeting.

Part C: Project Management and Evaluation

Project management and monitoring and evaluation of the implementation of the Project, including provision of technical assistance, staffing, facilities and other resources in respect of such activities.
SCHEDULE 2

Project Execution

Section I. Project Management

1. The Recipient shall, through MECS, establish and thereafter maintain throughout the implementation of the Project a unit within the Division of Culture, MECS, responsible for the overall coordination and management of Project implementation, headed by Project Coordinator and assigned with a Procurement Officer and Financial Officer, in each case with qualifications and experience and terms of reference satisfactory to the Association, selected and retained pursuant to paragraph C.2 of Section III of this Schedule and the Procurement Plan, and assigned with such powers, funds, staff in adequate numbers and other resources as shall be required to enable the PMU to achieve its purposes.

2. The Recipient shall maintain throughout the implementation of the Project a Steering Committee, chaired by the Recipient’s Minister of Education, Culture and Science, and composed of representatives of MECS, Ministry of Finance, a reading expert and local representatives of non-government organizations for purposes of providing overall policy guidelines and coordinating the implementation of the activities under the Project.

3. The Recipient shall adopt and thereafter apply in the implementation of the Project a time-bound action plan, satisfactory to the Association. The Recipient shall not amend, waive or suspend the said time-bound action plan or any provision therein without the prior approval by the Association.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports.

1. The Recipient shall establish and thereafter maintain arrangements, satisfactory to the Association, to monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth in the annex to this Schedule. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association.
not later than one month after the end of the period covered by such report.

2. For purposes of Section 4.08(c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six months after the Closing Date.

1. The Recipient shall:

   (a) maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions, including a computerized accounting system therefor;

   (b) adopt and thereafter apply in the implementation of the Project a financial manual, including financial management reports, satisfactory to the Association;

   (c) provide training to the PMU staff and MECS staff on the operation and maintenance of the financial management system in form and substance satisfactory to the Association; and

   (d) not amend, waive, suspend, abrogate or cancel the Project Financial Manual or any provision therein without the prior approval by the Association.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report after the end of each calendar semester un-audited financial reports for the Project covering the prior calendar semester, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
4. For purposes of carrying out the audits referred to in paragraph B.3, Section II of this Schedule, the Recipient shall, by not later than December 31, 2006, retain the services of an audit firm with staffing including auditors and accountants, in adequate numbers and with qualifications, experience and under terms of reference satisfactory to the Association.

Section III. Procurement
