SCHEDULE 1

Project Description

The objective of the Project is to improve the competitiveness of smallholder farmers and the agribusiness sector in selected commodity Value Chains in selected districts in the Recipient’s territory by: (i) helping farmer groups and cooperatives engage in profitable market-oriented production and improved access to markets through the provision of technology and information services and critical public infrastructure and linkages to agribusiness; (ii) creating and strengthening industry-wide partnerships along the Value Chain, thus forging linkages between producers, traders, processors, and other stakeholders; and (iii) reducing existing obstacles to agriculture and food trade thereby increasing the ability of farmers and agribusiness to respond to sanitary and phytosanitary (SPS) and food-quality standards to meet domestic and international market requirements.

The Project consists of the following parts:

Part 1: Agriculture and Rural Business Development

A. Pre-investment Advisory Support

(1) Preparation of value chain development plans (VCDPs) at the district, regional and national levels for the purposes of, inter alia: (i) identifying and analyzing constraints and opportunities for developing linkages for a Value Chain; and (ii) guiding the implementation of the Project.

(2) Provision of training, workshops, technical assistance, advisory service and other capacity building activities for Value Chain Participants to enable them to review their commercialization options and prepare viable business plans and investment proposals for Subprojects to be financed by Technology Grants, Infrastructure Grants or Agribusiness Grants.

B. Technology Support and Market Infrastructure

(1) Technology Grants

Provision of Technology Grants to Beneficiaries to enable them to carry out Subprojects aimed at developing and disseminating technology, including: (i) acquisition of improved genetic/planting materials, as well as testing, multiplication, and dissemination/distribution; (ii) small- and medium-size quality improving technologies (such as processing, grading, and packaging) for testing and introduction; and
(iii) technologies to improve access to market and other relevant information.

(2) **Infrastructure Grants**

Provision of Infrastructure Grants to Beneficiaries to enable them to carry out Subprojects aimed at improving production and productivity, adding value, and reducing costs of marketing, including infrastructure works and other investments in storage facilities, grading and sorting equipment, value addition facilities, small irrigation systems, link roads and collection centers.

(3) **Resettlement and Rehabilitation**

Carrying out a program of compensation, resettlement and rehabilitation of Displaced Persons under Part 1.B of the Project.

C. **Agribusiness Support**

(1) **Agribusiness Grants**

Provision of Agribusiness Grants to Beneficiaries, as supplemental equities for loans to be provided to them by commercial banks or microfinance institutions, to enable them to carry out Subprojects aimed at expanding agriculture commercialization and investment in agribusiness, including: (i) agro-processing and productivity related infrastructure and services in agriculture (including livestock); (ii) technology related investments (including improved crop management, and development and testing of new improved varieties/breeds of selected commodities); and (iii) marketing investments (including promotional activities for increased consumption of a commodity, expansion to export markets, and establishment of modern wholesale and electronic auction markets).

(2) **Resettlement and Rehabilitation**

Carrying out a program of compensation, resettlement and rehabilitation of Displaced Persons under Part 1.C of the Project.

A. Support for Laboratories

Provision of critical equipment for the Central Food Laboratory (CFL), the Veterinary Standards and Drug Administration Laboratory (VSDAL), and the National Plant Quarantine Program (NPQP) for the purposes of, *inter alia*, providing the necessary support to the Value Chains in meeting market demanded quality standards by analyzing samples in the laboratories and providing inspections at production sites.

B. Support for Surveillance and Monitoring Programs

Provision of equipment, transport facilities and supplies, training, technical assistance and other capacity building activities for the purposes of, *inter alia*, establishing and improving pest/disease surveillance and monitoring programs and improving import/export quality control procedures.

C. Support for Food Quality and Safety Management Systems

Carrying out activities aimed at controlling potential hazards at all stages of the Value Chain by using effective food quality and safety management systems, including compliance to standards and promoting programs of good agricultural practice (GAP), good veterinary practice (GVP), good manufacturing practice (GMP), and hazard analysis and critical control point (HACCP).

Part 3: Project Management and Monitoring and Evaluation

A. Project Promotion

Carrying out publicity and awareness campaigns for potential participants for the purposes of, *inter alia*, sharing information concerning the Project, including Project objectives, the strategy for achieving the objectives, implementation arrangements, eligibility criteria for accessing Project funds, and monitoring and reporting arrangements.

B. Project Management Support

Support to NPSC, PMT, the Monitoring and Evaluation Division of MOAC and other agencies for the oversight, coordination, management, and monitoring and evaluation of Project activities.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. National Project Steering Committee (NPSC)

The Recipient shall establish by September 4, 2009, and thereafter maintain, the National Project Steering Committee (NPSC) with functions and composition satisfactory to the Association, including senior representatives of MOAC, MOF, MOLD, MOFSC, MOI, NPC, NARC, FNCCI, other senior officials of key stakeholder ministries, agencies and institutions, and representatives of civil society relevant to the Project.

B. Project Management Team (PMT)

1. The Recipient shall, by September 4, 2009 complete the staffing of, and thereafter maintain, the Project Management Team (PMT) with functions and key professionals with skills, qualifications, experience and terms of reference satisfactory to the Association, including: (i) Project Director; (ii) Deputy Project Director; (iii) Planning/Administrative Officer; (iv) Monitoring and Evaluation, and Compliance Officer; (v) Finance/Accounts Officer; (vi) Procurement Officer; and (vii) Accountant.

2. The Recipient shall ensure that the key staff in the Project Management Team (PMT) listed in Paragraph 1 above are not transferred to other positions during the period of Project implementation (and in the case of the Finance/Accounts Officer, until six (6) months following the Closing Date or until the submission of the final audited Financial Statements to the Association pursuant to Section II of Schedule 2 to this Agreement, whichever occurs later), except with prior notice to the Association and as required by the applicable laws of the Recipient.

C. Project Implementation Manual

The Recipient shall ensure that: (i) the Project (including Subprojects) is implemented in accordance with the provisions of the Project Implementation Manual; and (ii) no action is taken which would prevent or interfere with such implementation.

D. Technology Grants, Infrastructure Grants and Agribusiness Grants

1. The Recipient shall provide each Technology Grant, Infrastructure Grant or Agribusiness Grant to a Beneficiary under Part 1 of the Project: (i) in accordance with the eligibility and selection criteria, and disbursement, financial
management, monitoring and other relevant provisions set forth in the Project Implementation Manual; and (ii) pursuant to an agreement to be entered into between the Recipient and such Beneficiary (Subproject Grant Agreement) containing terms and conditions satisfactory to the Association, which shall include the provisions set forth in Schedule 4 to this Agreement.

2. The Recipient shall exercise its rights in relation to each such Grant provided to a Beneficiary under a Subproject Grant Agreement in such manner as to: (i) protect the interests of the Recipient and the Association; (ii) comply with its obligations under this Agreement; and (iii) achieve the purposes of the Project. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Subproject Grant Agreement or any of its provisions.

E. Environmental and Social Management Framework (ESMF)

The Recipient shall ensure that: (i) the Project (including Subprojects) is implemented in accordance with the provisions of the Environmental and Social Management Framework (ESMF) (including the provisions of each Environmental Management Plan (EMP), environmental code of practice, Resettlement Action Plan (RAP), Integrated Pest Management Plan (IPMP), Indigenous People Development Plan (IPDP) and other environmental and social management plan prepared in accordance with such Framework); and (ii) no action is taken which would prevent or interfere with such implementation.

F. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

G. Annual Work Program and Budget (AWPB)

1. The Recipient shall: (i) at least sixty (60) days prior to the beginning of each Fiscal Year, prepare and furnish to the Association a proposed Annual Work Program and Budget (AWPB) for such Fiscal Year; and (ii) afford the Association a reasonable opportunity to discuss such Annual Work Program and Budget (AWPB) with the Recipient prior to submitting it for final governmental approval.

2. Without limitation on Paragraph 1 above, the Recipient shall ensure that the total project costs set forth in each such AWPB include activities to be funded by the Recipient and contributions to be made by Beneficiaries, both in amounts satisfactory to the Association.
H. Technical, Environmental and Social Audits

The Recipient shall: (i) by March 31, 2010 submit to the Association terms of reference, satisfactory to the Association, for technical, environmental and social audits of the Project (including Subprojects); and (ii) thereafter arrange for an independent agency acceptable to the Association to carry out such audits in each Fiscal Year in accordance with such terms of reference and with a timetable satisfactory to the Association.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of a Fiscal Year trimester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each Fiscal Year trimester, interim unaudited financial reports for the Project covering the Fiscal Year trimester, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) Fiscal Year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance
with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

**B. Particular Methods of Procurement of Goods and Works**

1. **International Competitive Bidding.** Except as otherwise provided in paragraphs 2 and 3 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **National Competitive Bidding.** Except as otherwise provided in paragraph 3 below, goods and works estimated to cost less than $50,000 equivalent per contract may be procured under contracts awarded on the basis of National Competitive Bidding in accordance with the provisions of the Public Procurement Act (and regulations made thereunder), subject to the following:

   (i) Only the bidding documents approved by the Association shall be used.

   (ii) No preference shall be given to any bidder.

3. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding and National Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used.

SCHEDULE 4

Terms and Conditions of Subproject Grant Agreements

Except as the Association shall otherwise agree, in order to provide a Technology Grant, an Infrastructure Grant or an Agribusiness Grant (collectively, a Subproject Grant) to a Beneficiary, the Recipient shall enter into a written agreement with such Beneficiary (Subproject Grant Agreement), pursuant to which the Recipient shall obtain rights adequate to protect the interests of the Recipient and the Association, including the right to:

(i) require that the Subproject for which the Subproject Grant is made be carried out:

   (a) with due diligence and efficiency;

   (b) in accordance with sound technical, economic, financial, managerial, environmental and social standards; and

   (c) in accordance with the provisions of the Project Implementation Manual, the Environmental and Social Management Framework, and the Anti-Corruption Guidelines applicable to recipients of grant proceeds other than the Recipient;

(ii) require that:

   (a) adequate records and accounts to reflect the operations, resources and expenditures related to the Subproject be maintained; and

   (b) at the Recipient’s or the Association’s request, such records and accounts be audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and, as so audited, promptly furnished to the Recipient and the Association;

(iii) require that:

   (a) the goods, works and services to be financed out of the proceeds of the Subproject Grant be procured in accordance with the provisions of Schedule 2 to the Financing Agreement; and

   (b) such goods, works and services be used exclusively in the carrying out of the Subproject;
(iv) inspect by itself, or jointly with the Association, if the Association shall so request, the goods, works, sites, plants and construction included in the Subproject, the operations thereof and any relevant records and documents;

(v) obtain all such information as the Recipient or the Association shall reasonably request, regarding the administration, operation and financial condition of the Subproject; and

(vi) suspend or terminate the right of the Beneficiary to use the proceeds of the Subproject Grant, or obtain a refund of all or any part of the amount of the Subproject Grant then withdrawn, upon the Beneficiary’s failure to perform any of its obligations under the Subproject Grant Agreement.
