B. Particular Methods of Procurement of Goods and Works

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

</tr>
<tr>
<td>(b) Shopping</td>
</tr>
<tr>
<td>(c) Direct Contracting</td>
</tr>
<tr>
<td>(d) Community Participation**</td>
</tr>
</tbody>
</table>
*National Competitive Bidding* shall be subject to the following additional procedures:

(i) Standard bidding documents approved by the Association will be used.

(ii) Invitations to bid will be advertised in at least one (1) widely circulated national daily newspaper and bidding documents will be made available to prospective bidders, at least twenty-eight (28) days prior to the deadline for the submission of bids.

(iii) Bids will not be invited on the basis of percentage premium or discount over the estimated cost.

(iv) Bidding documents will be made available, by mail or in person, to all who are willing to pay the required fee.

(v) Foreign bidders will not be precluded from bidding.

(vi) Qualification criteria (in case pre-qualifications were not carried out) will be stated on the bidding documents, and if a registration process is required, a foreign firm determined to be the lowest evaluated bidder will be given reasonable opportunity of registering, without any hindrance.

(vii) Bidders may deliver bids, at their option, either in person or by courier service or by mail.

(viii) All bidders will provide bid security or a bid security declaration form as indicated in the bidding documents. A bidder’s bid security or a bid security declaration form will apply only to a specific bid.

(xi) Bids will not be rejected merely on the basis of a comparison with an official estimate without the prior concurrence of the Association.

(xii) Split award or lottery in award of contracts will not be carried out. When two (2) or more bidders quote the same price, an investigation will be made to determine any evidence of collusion, following which: (A) if collusion is determined, the parties involved will be disqualified and the award will then be made to the next lowest evaluated and qualified
bidder; and (B) if no evidence of collusion can be confirmed, then fresh bids will be invited after receiving the concurrence of the Association.

(xiii) Contracts will be awarded to the lowest evaluated bidders within the initial period of bid validity so that extensions are not necessary. Extension of bid validity may be sought only under exceptional circumstances.

(xiv) Extension of bid validity will not be allowed without the prior concurrence of the Association: (A) for the first request for extension if it is longer than four (4) weeks; and (B) for all subsequent requests for extensions irrespective of the period.

(xv) Negotiations will not be allowed with the lowest evaluated or any other bidders.

(xvi) Re-bidding will not be carried out without the Association’s prior concurrence.

(xvii) All contractors or suppliers will provide performance security as indicated in the contract documents. A contractor’s or a supplier’s performance security will apply to a specific contract under which it was furnished.
