between

REPUBLIC OF KENYA

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated JUL-1 2015, 2015
FINANCING AGREEMENT

AGREEMENT dated JULY 20, 2015, entered into between REPUBLIC OF KENYA ("Recipient") and INTERNATIONAL DEVELOPMENT ASSOCIATION ("Association"). The Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

1.03. Notwithstanding any provision to the contrary in the General Conditions:

(a) each of the Project Implementing Entities shall be deemed to be a Project Implementing Entity for purposes of the General Conditions, regardless of whether or not it is party to a Project Agreement; and

(b) all references to obligations of a Project Implementing Entity under a Project Agreement shall be construed as references to obligations of the Project Implementing Entity arising under this Agreement and the relevant Subsidiary Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to three hundred sixty two million, five hundred thousand Special Drawing Rights (SDR 362,500,000) (variously, “Credit” and “Financing”), to assist in financing the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.
2.05. The Payment Dates are November 15 and May 15 in each year.

2.06. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.

2.07. The Payment Currency is Dollar.

**ARTICLE III — PROJECT**

3.01. The Recipient declares its commitment to the objectives of the Project and the Program. To this end, the Recipient shall:

(a) carry out Parts 2(c), 3(a)ii, 3(a)iii, 3(b) and 3(c)i of the Project through the Ministry of Transport and Infrastructure; and

(b) cause Parts 1, 2(b), 3(a)i, 3(c)ii and 3(d) of the Project to be carried out by Kenya National Highway Authority ("KeNHA"), (ii) Part 2 (a) of the Project to be carried out by Kenya Revenue Authority ("KRA"), and (iii) Parts 4 and 3(a)iv of the Project to be carried out by Information and Communications Technology Authority ("ICTA"); all in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

3.03. Except as the Recipient and the Association shall otherwise agree, the Recipient shall:

(a) open and thereafter maintain, for the duration of the Project, an account in Kenyan Shillings ("Project Account"), in a commercial bank on terms and conditions satisfactory to the Association into which it shall deposit its Counterpart Contribution for the cost of Part I of the Project.

(b) deposit into the Project Account an initial amount of ninety million Kenyan Shillings ("Initial Deposit"), and thereafter replenish the Project Account at quarterly intervals during the Project implementation, by depositing therein an amount equal to the amount of the Initial Deposit or such other amount as may be agreed from time to time between the Recipient and the Association;

(c) ensure that funds deposited into the Project Account in accordance with paragraph (b) of this Section shall be used exclusively to finance expenditures under Part 1 of the Project.
ARTICLE IV — REMEDIES OF THE ASSOCIATION

4.01. The Additional Events of Suspension consist of the following:

(a) Any of the Project Implementing Entities’ Legislation has been amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the ability of the corresponding Project Implementing Entity to perform any of its obligations under the applicable Project Agreement.

(b) In the opinion of the Association, a Border Representative has engaged in an action: (i) out of the scope of the trade facilitation objectives of the Project in connection with the use of works, goods or services financed by the Project; or (ii) that may have an adverse impact in the achievement of the objectives of the Project.

(c) The Recipient has suspended, rescinded, waived, terminated or failed to apply the Fiber Optic MOU or any of its provisions.

4.02. The Additional Events of Acceleration consist of the following, namely, any event specified in Section 4.01 of this Agreement occurs and is continuing for a period of sixty (60) days after notice of the event has been given by the Association to the Recipient.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consist of the following:

(a) Each Subsidiary Agreement has been executed on behalf of the Recipient and of the Project Implementing Entity which is a party to such agreement, in accordance with the provisions of Section 1.B of Schedule 2 to this Agreement.

(b) The Recipient has adopted the Project Implementation Manual, in accordance with the provisions of Section 1.C.2 of Schedule 2 to this Agreement.

(c) The Recipient (through its Ministry of Transport and Infrastructure) and the Republic of South Sudan (through its ministry responsible for transport, roads and bridges) have exchanged letters on the arrangements for the upgrading and maintenance of the road section at the Kenya-South Sudan common border (11km stretch between Nadapal and Nakodok), all in form and substance satisfactory to the Association.

5.02. The Additional Legal Matter consists of the following, namely, that each Subsidiary Agreement has been duly authorized or ratified by the Recipient and a Project Implementing Entity which is a party to such agreement and is legally
binding upon the Recipient and the respective Project Implementing Entity in accordance with its terms.

5.03. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

5.04. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is twenty (20) years after the date of this Agreement.

ARTICLE VI — REPRESENTATIVE; ADDRESSES

Project Description

The objective of the Project is to improve the movement of goods and people along Lokichar – Nadapal/Nakodok part of the Eldoret-Nadapal road in the north western part of Kenya, in particular and to enhance connectivity between Kenya and South Sudan, in general.

The Project constitutes the second phase of the Program, and consists of the following parts:

Part 1: Upgrading Selected Critical Road Infrastructure

(a) (i) Upgrading of approximately 88 km of the Kalobeiyei River – Nadapal/Nakodok section of the Eldoret-Nadapal/Nakodok road; and (ii) related supervision costs.

(b) (i) Upgrading of approximately 80 km of the Lokitaung junction - Kalobeiyei River section of the Eldoret-Nadapal/Nakodok road and (ii) related supervision costs.

(c) (i) Upgrading of approximately 80 km of the Lokitaung junction - Lodwar section of the Eldoret-Nadapal/Nakodok road; and (ii) related supervision costs.

(d) (i) Upgrading of approximately 50 km of the Lodwar - Loichangamatak section of the Eldoret-Nadapal/Nakodok road; and (ii) related supervision costs.

(e) (i) Construction of a bridge at Kainuk on Muruni River; and (ii) related supervision costs.

(f) Upgrading of approximately 40 km of the Loichangamatak - Lokichar section of the Eldoret-Nadapal/Nakodok road; and related supervision costs.

(g) Implementing the Resettlement Action Plans (RAPs) along the Eldoret - Nadapal/Nakodok road.

Part 2: Facilitation of Regional Transport, Trade and Development

(a) Carry out a program of activities designed to support KRA to implement transport, trade and development facilitation measures, such a program to include such activities as: (i) harmonization of customs and other border
management, risk management and control procedures; (ii) designing of a One Stop Border Post (OSBP) at Nadapal/Nakodok; (iii) strengthening of the cross-border management unit of KRA including enhancing its coordination with other border agencies; (iv) support the implementation of an integrated border management system; (v) support to the implementation of the Memorandum of Understanding (MoU) between Kenya Customs and South Sudan Customs Services relative to information exchange and use of common procedures; (vi) support the use of information and communication technology (ICT) for revenue collection and for facilitating clearance and release of goods to help Kenya Customs comply with new transparency requirement of e-citizen registration, electronic collection of revenue and e-reporting of clearances and release of goods.

(b) Carry out a program of activities designed to support KeNHA to implement transport, trade and development facilitation measures, such a program to include such activities as: (i) carrying out a study to enhance social infrastructure and social services delivery, including HIV/AIDS prevention, along the corridor, while implementing the recommendations as part of the road upgrading contracts; (ii) designing the facilities and marketing system for pilot pastoralist road side markets; and (iii) establishing the facilities of pilot pastoralist road side markets, through provision of sites and services, clean water, extending electrification to selected centers, provision of market shades, milk cooler, slaughter houses, veterinary posts, livestock holding area in selected locations, connecting community information centers with fiber optic connection and advisory services in the management of these facilities and services. This subpart will also involve activities designed to support engagement with Project stakeholders such as county governments, communities and households (in particular female-headed households) on management and operational modalities of these facilities.

(c) Carry out a program of activities designed to support Ministry of Transport and Infrastructure in conjunction with the Recipient’s ministry responsible for commerce, to implement transport, trade and development facilitation measures, such a program to include such activities as: (i) identifying and designing potential sites for providing services to facilitate the development of export processing zones, storage facilities and rest stops; (ii) certifying export products; and (iii) simplifying the process for import-export.
Part 3: Institutional Development and Program Management

(a) Carrying out a program of activities designed to strengthen the institutional capacities of entities involved in Project implementation including: (i) strengthening the capacity of KeNHA in road design review as well as contract management, value engineering, road maintenance, safeguards and procurement management; (ii) enhancing project management capacity, maintenance management and engineering capabilities in the transport sector through supporting the Kenyan Roads Board; Engineers Board of Kenya; Ministry of Transport and Infrastructure; Resource Mobilization Department (RMD) under the National Treasury; and State Law Office; (iii) supporting the Ministry of Transport and Infrastructure in the monitoring and evaluation of the projects; and (iv) strengthening project management capacity of ICTA.

(b) Carrying out a program of activities designed to strengthen the capacity of National Transport and Safety Authority to implement the “Safe System”, such a program to include such activities as: (i) conducting needs assessment, vehicle safety inspection and safety audits; (ii) strengthening enforcement capability of the Authority; and (iii) assessing road safety on Lokichar-Eldoret section of the Eldoret-Nadapal/Nakodok Corridor as well as developing and carrying out of a pilot road safety action plan along the corridor.

(c) (i) Provision of advisory services, Training and Operating Costs to Ministry of Transport and Infrastructure as required to sustain the management and coordination of Project implementation activities, including audits, and the monitoring and evaluation of progress achieved in the execution of the Project.

(d) Provision of technical assistance to carryout preparatory studies to support the preparation of the next phase of the Program and develop follow-on regional transport and trade facilitations projects as well as bidding documents for long term performance-based road maintenance contracting.

Part 4: Enhancing Internet Connectivity

Construction of a fiber optic cable network, alongside the part of the Eldoret-Nadapal/Nakodok Corridor located in the Recipient’s territory, from Nadapal/Nakodok to Eldoret.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. Joint Inter-Ministerial Steering Committee. The Recipient shall maintain, throughout the implementation of the Project, a joint inter-ministerial committee - to be co-chaired by Cabinet Secretary in the Ministry of Transport and Infrastructure and the minister of transport, roads and bridges of South Sudan - with mandate, composition and resources acceptable to the Association, to be responsible for, *inter alia*, Program coordination at the sub-regional level.

2. Project Oversight Committee. The Recipient shall maintain, throughout the implementation of the Project, a project oversight committee - to be co-chaired by the Principal Secretary (Infrastructure) and the Principal Secretary (Transport), both in the Ministry of Transport and Infrastructure - with mandate, composition and resources acceptable to the Association. The Committee shall be responsible for, *inter alia*: (a) providing strategic and policy guidance for Project implementation; (b) reviewing and approving annual work plans for the Project; and (c) reviewing Project financial reports.

3. Project Coordinator. The Ministry of Transport and Infrastructure shall appoint and maintain at all times during the implementation of the Project, a Project coordinator for overall coordination of the Project. The Project coordinator shall be the secretary to the Project Oversight Committee.

4. Project Management Teams.

(a) The Recipient shall maintain at all times during the implementation of the Project, Project Management Team at the Ministry of Transport and Infrastructure with staff (including a Project team leader, accountant, monitoring and evaluation specialist, procurement specialist and other technical staff) and with the terms of reference and resources satisfactory to the Association, to be responsible for overall coordination of Project implementation;

(b) The Recipient shall ensure that each Project Implementing Entity maintains at all times during the implementation of the Project, its Project Implementation Team each with staff (including a Project team leader, accountant, monitoring and evaluation specialist, procurement specialist, environmental specialist, social safeguards specialist and other technical staff) and with the terms of reference and resources satisfactory to the Association, to be responsible for overseeing the day-to-day implementation and management of its Respective Part of the Project.
B. Subsidiary Agreement

1. To facilitate the carrying out of each Project Implementing Entity’s Respective Part of the Project, the Recipient shall make the proceeds of the Financing allocated from time to time: to Category (2) to KeNHA; to Category (3) to KRA; and to Category (4) to ICTA; in each case on a non-reimbursable grant basis under terms and conditions approved by the Association and pursuant to a subsidiary agreement between the Recipient and each Project Implementing Entity, ("Subsidiary Agreement"), which shall include the obligation for each of the Project Implementing Entity to:

(a) carry out its Respective Part of the Project with due diligence and efficiency and in conformity with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including the provisions of the Anti-Corruption Guidelines and the Safeguard Instruments and in accordance with the provisions of this Agreement; maintain at all times its Project Implementation Team with terms of reference, staffing and other resources acceptable to the Association; and provide promptly as needed, the funds, facilities, services and other resources required for its Respective Part of the Project;

(b) (i) procure all works, goods and services required for its Respective Part of the Project and to be financed out of the proceeds of the Financing in accordance with the provisions of Section III of this Schedule; and (ii) ensure that all such works, goods and services are used exclusively for the purposes of its Respective Part of the Project;

(c) (i) maintain records adequate to record the progress of its Respective Part (including its cost and the benefits to be derived from it), to identify the works, goods and services financed out of the proceeds of the Financing and disclose their use in its Respective Part of the Project; (ii) furnish such records and information as may be requested by the Recipient or the Association; and (iii) retain all records evidencing expenditures under its Respective Part of the Project for the period of time specified in the General Conditions;

(d) (i) maintain policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with indicators acceptable to the Association, the progress of its Respective Part of the Project and the achievement of its objective; (ii) prepare periodic reports, in form and substance satisfactory to the Association, integrating the results of such monitoring and evaluation activities and setting out measures recommended to ensure the continued efficient and effective execution of its Respective Part of the Project, and to achieve its objectives, each such
report to cover one calendar quarter; (iii) furnish each such report to the Recipient within fifteen (15) days after the end of such period to enable the Recipient to incorporate such report in its Project Report for the same period and to comply with its reporting obligations under Section II of this Schedule 2; and (iv) prepare, and furnish to the Recipient a final report, of such scope and in such detail as the Association shall reasonably request, on the execution of its Respective Part of the Project, and furnish the same to the Recipient within three (3) months after the Closing Date to enable the Recipient to incorporate such report in its report and comply with its obligations under Section 4.08(c) of the General Conditions;

(e) (i) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect its operations and financial condition, including the operations, resources and expenditures related to its Respective Part of the Project; (ii) have such financial statements audited annually by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, each said audit to cover the period of one Fiscal Year; (iii) promptly furnish the audited financial statements for each such period to the Recipient and the Association, but in any event not later than six (6) months after the end of such period; (iv) ensure that said financial statements, as so audited, are made publicly available in a timely fashion on a manner acceptable to the Association; (v) prepare and furnish to the Recipient, not later than fifteen (15) days after the end of each quarter, interim unaudited financial reports relating to the previous quarter, in form and substance satisfactory to the Association, for consolidation in the interim unaudited financial reports required to be furnished by the Recipient to the Association; and (vi) furnish to the Association such other information concerning such unaudited financial statements as the Association may from time to time reasonably request; and

(f) (i) open and maintain a dedicated Project account, until the completion of the Project, in a commercial bank on terms and conditions acceptable to the Association; and (ii) ensure that the funds deposited into said account shall be used exclusively to finance the cost of expenditures required for its Respective Part of the Project.

2. The Recipient shall carry out its obligations and exercise its rights under each Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Subsidiary Agreement or any of its provisions.
C  **Project Implementation Manual**

1. The Recipient shall prepare, a Project implementation manual in form and substance satisfactory to the Association, containing detailed arrangements and procedures for implementation of the Project including *inter alia*: (a) delineation of roles and responsibility of various entities, institutions and agencies involved in Project implementation and their coordination; (b) disbursement, procurement and financial management including financial and technical audit of the Project; (c) environmental and social safeguards management; (d) Social Accountability measures and operation of grievance redress mechanism; (e) monitoring and evaluation, reporting and communication, including performance indicators; (f) governance and integrity improvement action plan; and (g) such other administrative, financial, technical and organizational arrangements and procedures as shall be required for the Project.

2. The Recipient shall: (a) furnish to and exchange views with the Association on such manual promptly upon its preparation; and (b) thereafter adopt such manual as shall have been approved by the Association (Project Implementation Manual or PIM).

3. The Recipient shall ensure that the Project is carried out in accordance with the arrangements and procedures set out in the PIM (provided, however, that in case of any conflict between the arrangements and procedures set out in the PIM and the provisions of this Agreement, the provisions of this Agreement shall prevail), and shall not amend, abrogate or waive, or permit to be amended, abrogated or waived, the PIM or any of its provisions without prior approval in writing by the Association.

D. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

E. **Safeguards**

1. The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Safeguard Frameworks and any other Safeguard Instrument prepared or to be prepared by the Recipient in accordance with sub-paragraph 2 below.

2. Whenever a Safeguard Instrument shall be required for any proposed Project activity in accordance with the provisions of any Safeguard Framework, the Recipient shall:
(a) prior to the commencement of such activity, proceed to have such Safeguard Instrument: (i) prepared in accordance with the provisions of the corresponding Safeguard Framework, as the case may be; (ii) furnished to the Association for review and approval; and (iii) thereafter adopted and disclosed as approved by the Association, in a manner acceptable to the Association;

(b) thereafter take such measures as shall be necessary or appropriate to ensure compliance with the requirements of such Safeguard Instrument; and

(c) in the case of any resettlement activity under the Project involving Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before necessary resettlement measures consistent with the relevant RAP have been executed, including, in the case of displacement, full payment to Affected Persons of compensation and of other assistance required for relocation, prior to displacement.

3. The Recipient shall not amend, abrogate or waive, or permit to be amended, abrogated or waived, any Safeguard Framework or any Safeguard Instrument, unless the Association has provided its prior approval thereof in writing, and the Recipient has complied with the same consultation and disclosure requirements as applicable to the original adoption of the said instruments.

4. Without limitation on its other reporting obligations under this Agreement, the Recipient shall collect, compile and submit to the Association each calendar year (or at such other frequency as may be agreed with the Association) consolidated reports on the status of compliance with the Safeguard Frameworks and the Safeguard Instruments, as applicable, giving details of: (a) measures taken in furtherance of the said documents; (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the said measures; and (c) remedial measures taken or required to be taken to address such conditions.

F. Annual Work Plans

1. The Recipient shall prepare and furnish to the Association not later than May 1st of each Fiscal Year during the implementation of the Project (beginning in calendar year 2016), a work plan and budget containing inter alia: (i) all activities proposed to be implemented under the Project during the following Fiscal Year; (ii) a proposed financing plan for expenditures required for such activities, setting forth the proposed amounts and sources of financing therefor and disbursement schedule; and (iii) the training plan for such period.

2. The Recipient shall ensure that in preparing any training plan proposed for inclusion in an annual work plan and budget it shall identify in the training plan:
(i) the objective and content of the Training envisaged; (ii) the selection method of the institutions or individuals conducting such Training, and said institutions if already known; (iii) the expected duration and an estimate of the cost of said Training; and (iv) the selection method of the personnel who will attend the Training, and number and names of such personnel if already known.

3. The Recipient shall afford the Association a reasonable opportunity to exchange views with the Recipient on each such proposed annual work plan and budget and shall thereafter ensure that the Project is implemented with due diligence during said following Fiscal Year in accordance with such work plan and budget as shall have been approved by the Association ("Annual Work Plan").

4. The Recipient shall not make or allow to be made any changes to the approved Annual Work Plan without prior approval in writing by the Association.

5. Without limitation on the provisions of Part F of this Section, the Recipient shall prepare and furnish to the Association the first proposed Annual Work Plan and required under the Project not later than one month after the Effective Date.

Section II. A. Project Monitoring, Reporting and Evaluation

1. The Recipient shall - and shall cause the Project Implementing Entities to - monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of one calendar year, and shall be furnished to the Association not later than sixty (60) days after the end of the period covered by such report.

2. Not later than June 30, 2018, the Recipient shall, in conjunction with the Association, carry out a mid-term review of the Project (the "Mid-term Review"), covering the progress achieved in the implementation of the Project. The Recipient shall prepare and furnish to the Association not less than three (3) months prior to the beginning of the Mid-term Review, a report integrating the results of the monitoring and evaluation activities performed pursuant to this Agreement, on the progress achieved in the carrying out of the Project during the period preceding the date of such report, and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objective of the Project during the period following such date. Following the Mid-term Review, the Recipient shall act promptly and diligently in order to take, or cause to be taken, any corrective action deemed necessary by the Association to remedy any shortcoming noted in the carrying out of the Project in furtherance of the objective of the Project.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain and cause the Project Implementing Entities to maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions. With respect to the Project Implementing Entities Respective Parts of the Project, the Recipient shall prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations and financial condition of the Project Implementing Entities, including their operations, resources and expenditures related to the Project.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish - and shall cause the Project Implementing Entities to prepare and furnish - to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited - and shall cause the Project Implementing Entities to have their financial statements audited - in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements - and Project Implementing Entities’ audited financial statements - for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the
Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works and Non-consulting Services. The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan:
