Amendment No. 6 to Letter Agreement dated March 31, 2012

Dear Robert:

We refer to the Letter Agreement dated March 31, 2012 between the United States Agency for International Development (the “Donor”) and the International Bank for Reconstruction and Development and the International Development Association (collectively, the “Bank”) (the “Letter Agreement”), pursuant to which the Donor has made available to the Bank as a grant the sum of six hundred sixty seven million five seven thousand five hundred fifty six United States Dollars (US$667,057,556) (the “USAID Contribution”) for the purpose of contributing to the Afghanistan Reconstruction Trust Fund (“ARTF”, and the “Trust Fund”).

We also refer to the agreement dated June 20, 2002 between the Government of the United States of America through the United States Agency for International Development, and the Bank (your ref. EEE-G-00-02-00025-00), as amended to date, pursuant to which the Donor has made available one billion three hundred thirty three million one hundred forty eight thousand seven hundred fifty one United States Dollars (US$1,371,991,195) for the purpose of contributing to the ARTF. The aggregate contribution to ARTF from USAID equals two billion thirty nine million forty eight thousand seven hundred fifty one United States Dollars (US$2,039,048,751).

We acknowledge the intention of the Donor, to increase its contribution to the Trust Fund by an additional fifty four million United States Dollars (US$54,000,000) (the “USAID Additional Contribution”) to the Trust Fund. After the USAID Additional Contribution has been received by the Bank, the aggregate contribution to the ARTF from USAID will be two billion ninety three million forty eight thousand seven hundred fifty one United States Dollars (US$2,093,048,751).

Without prejudice to the provisions of paragraph 7(a) of the Annex to the Letter Agreement, we acknowledge the Donor’s expression of preference, as set out in the table below:

<th>Amount in US$</th>
<th>Preference expressed</th>
</tr>

<tbody>
<tr>
<td>54,000,000</td>
<td>Second Education Quality Improvement Program (EQUIP II)</td>
</tr>
</tbody>
</table>

We note the preferences expressed by the Donor in the paragraph above. As you know, the Bank’s trust fund policy does not permit earmarking of donor contributions in multi...
donor trust funds or the expression of geographic preferences. Nonetheless, the ARTF Operating Procedures permit donors to express a preference for their additional contributions over and above their otherwise expected level of contribution to ARTF. These Operating Procedures apply to all Letter Agreements with ARTF donors. Accordingly, we acknowledge the expression of preferences by the Donor. The Bank will use its discretion to ensure that the contribution funds the preferences expressed by the Donor under the ARTF.

Promptly following confirmation of this amendment to the Letter Agreement by you, the Donor, will deposit the USAID Additional Contribution, i.e., fifty four million United States Dollars (US$54,000,000), into bank account designated by the Bank.

All the terms and conditions of the Letter Agreement that have not been amended hereby shall remain unchanged and in full force and effect.

We propose that this amendment to the Letter Agreement shall, upon confirmation in the manner indicated below, constitute an agreement between the Donor and the Bank. This amendment to the Letter Agreement shall become effective upon signature by both parties hereto. It is the Bank’s policy to make publicly available the Letter Agreement and any information related thereto, including this amendment. By confirming below, the Donor consents to disclosure of this amendment letter after it has become effective.

Sincerely yours,

Robert J. Saum
