(b) Development and implementation of an Integrated Catchment Management Plan through the: (i) provision of technical assistance in support of catchment management in the Metolong Catchment Area; (ii) design and carrying out of civil works, and related supervision, to support land and soil conservation initiatives; (iii) provision of equipment for monitoring activities including rain and river flow gauges, depth integrated sampler for sedimentation; and (iv) design and implementation of community mobilization plans to promote sustainable land use.

(c) Development and implementation of an ecosystem monitoring and environmental flow program, through: (i) carrying out of civil works, including construction and refurbishment of monitoring stations; (ii) provision and installation of equipment for monitoring water quality, including gauges, testing equipment and a boat; and (iii) drafting of policies, procedures, implementation and evaluation of environmental flows.

(d) Implementation of a Cultural Resources Management and Development Plan (CRMDP) including the carrying out of pre-construction surveys of cultural heritage sites, carrying out of excavation works and potential relocation as needed, along with research and recording of living cultural heritage in the Metolong Catchment Area.
(e) Implementation of the Resettlement Policy Framework (RPF) and development and implementation of the Resettlement Action Plan (RAP) through the: (i) carrying out of civil works aimed at restoring access across the reservoir; (ii) development of a set of policies, procedures and practices for implementation of the resettlement action plan; (iii) provision of cash compensation for loss of community assets and acquisition of privately-owned assets, including trees and crops, as well as privately owned land; (iv) carrying out of training for beneficiary communities on financial management; (v) development of specific community outreach strategy and labour recruitment strategy; and (v) development and implementation of a monitoring and evaluation program.

(f) Implementation of a community water supply and sanitation program through the: (i) design and supervision of a community water supply and sanitation program; and (ii) carrying out of civil works for the construction and rehabilitation of local water supply systems, sanitation facilities and refuse pits.

(g) Development and implementation of a HIV/AIDS education and prevention program to improve the beneficiary communities’ response to the HIV/AIDS pandemic.

(h) Support for an independent internationally recognized environmental and social panel of experts to advise the MA.

(i) Development and implementation of a public communications and governance support program through the: (i) development of a risk management plan and a Governance Improvement Plan to be implemented by the Metolong Authority; (ii) carrying out of audits to assess the level of compliance with measures identified in the risk management and the Governance Improvement Plan; and (iii) carrying out of an assessments to benchmark the development and implementation of a communications strategy.

(j) Provision of operational support for this Part A of the Project.

Part B: Engineering Support and Transmission Line to Teyateyaneng

Implementation of a program of support under the MDWSP aimed at increasing the quantity of safe, bulk water supplied for the town of Teyateyaneng through:

(a) Carrying out of civil works for the construction of an estimated 28km of transmission mains including a pump station, a main command reservoir and a storage reservoir.
(b) Support for an engineering manager to provide advice to the MA.

(c) Provision of operational support, including the financing of operating costs.

**Part C: Institutional and Policy Support**

Provision of support for the MNR to strengthen its institutions and related instruments in the water sector, through:

Provision of: (a) technical assistance and training, including workshops and consumer outreach for CoW, LEA and MNR staff on water sector issues; and (b) operating costs for CoW.
Section I

A. Implementation Arrangements

1. The Project shall be implemented by the Ministry of Natural Resources through the MA and the CoW.

2. MA shall be in charge of implementing Parts A and B of the Project.

3. The Recipient shall ensure that the MA is maintained with a board of directors consisting of members appointed by the Minister of Natural Resources to serve as a coordination and implementation body with responsibility for making decisions on the oversight and operational direction of MA.

4. CoW shall be in charge of the implementation of Part C of the Project.

5. The Recipient shall, at all times during the execution of the Project: (a) maintain MA and CoW with functions, staffing and resources satisfactory to the Association; and (b) ensure that the Board of Directors meets at least twice per Fiscal Year.

B. Safeguards

1. The Recipient shall ensure that the Project and MDWSP are implemented in accordance with the guidelines, procedures, recommendations, and other specifications set forth in the Basic Social and Environmental Safeguard Instruments, and, except as the Association shall otherwise agree in writing, shall not amend or waive any provision of the aforementioned documents.

2. Wherever required under the terms of any of the Basic Social and Environmental Safeguard Instruments, the Recipient shall have any one or more Supplemental Social and Environmental Safeguard Instruments; (a) developed for purposes of the Project or any component or subcomponent thereof; (b) submitted to the Association for review and approval; and (c) thereafter adopted.

3. The Recipient shall ensure that the Project and the MDWSP are implemented in accordance with the guidelines, procedures, recommendations, and other specifications set forth in each of the Supplemental Social and Environmental Safeguard Instruments, and, except as the Association shall otherwise agree, shall not amend or waive any provision of the aforementioned documents.
4. In the case of any resettlement activity under the Project and the MDWSP involving Displaced Persons, ensure that no displacement or restriction of access shall occur before necessary resettlement measures consistent with the RPF and RAP are in place, including, in the case of displacement, full payment to Displaced Persons of compensation and of other assistance required for relocation, prior to displacement.

5. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall regularly collect, compile and submit to the Association on a quarterly basis reports on the status of compliance with the Social and Environmental Safeguard Instruments; and, giving details of:

(a) measures taken in furtherance of such Social and Environmental Safeguard Instruments;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Social and Environmental Safeguard Instruments; and

(c) remedial measures taken or required to be taken to address such conditions.

C. **Annual Work Plan**

1. The Recipient shall, in each Fiscal Year during the execution of the Project and the MDWSP:

(a) prepare a consolidated Annual Work Plan for the following year, of such scope and in such detail as the Association shall reasonably request, for review and approval by the Board of Directors following which the relevant Annual Work Plan shall be furnished to the Association not later than March 31 of each year for its written no objection; and

(b) thereafter carry out the approved Annual Work Plan in such following year.

D. **Mid-term review**

(a) The Recipient shall, no later than March 31, 2012, or any other date agreed with the Association, carry out jointly with the Association a mid-term review of the progress made in carrying out the Project. The mid-term review shall cover, among other things: (i) the progress made in meeting the objectives of the Project; and (ii) the overall performance of the Recipient under the Project.
(b) The Recipient shall, upon completion of the mid-term review referred to in sub-paragraph (a) above take such measures as necessary to implement the recommendations of the mid-term review in accordance with such time frames and other modalities as agreed with the Association.

E. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines and the GIP.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

(ii) Cultural Resources and Management Development Plan in the catchment area is successfully implemented.

(ii) Environment Flow Requirements (EFRs) established and monitored.

(iii) Livelihood restoration program successfully implemented in accordance with the RPF and the RAP.

(iv) Water supply to Teyateyaneng increased.

(v) Independent urban water regulation implemented.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six months after the Closing Date.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than one month after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one Fiscal Year, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-Consultants’ Services. All goods, works and non-consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

23. “Metolong Dam” means the dam being constructed on the South Phuthiatsana River within the Recipient’s territory under the MDWSP.

25. “MNR” means the Recipient’s Ministry of Natural Resources.

27. “Procurement Plan” means the Recipient’s procurement plan for the Project, dated December 11, 2008 and referred to in paragraph 1.16 of the Procurement Guidelines and paragraph 1.24 of the Consultant Guidelines, as the same shall be updated from time to time in accordance with the provisions of said paragraphs.

28. “Resettlement Action Plan” or “RAP” means a Resettlement Action Plan acceptable to the Association, giving details of the specific actions, measures and policies designed to facilitate the achievement of the objectives of the RPF under the Project and the MDWSP, along with the procedural and institutional measures needed to implement such actions, measures and policies, as such RAP may be amended from time to time with the prior written agreement of the Association.

29. “Resettlement Policy Framework” or “RPF” means the Resettlement Policy Framework dated February 2008 acceptable to the Association and adopted by the Recipient, and giving details of provisions for compensation, rehabilitation and
resettlement assistance to Displaced Persons, as such RPF may be amended from
time to time with the prior written agreement of the Association.

30. “Social and Environmental Safeguard Instruments” means, collectively, the Basic
Social and Environmental Safeguard Instruments and, wherever applicable, the
Supplemental Social and Environmental Safeguard Instruments.

31. “Supplemental Social and Environmental Safeguard Instruments” means any
RAP, ICMP or other supplemental social and environmental safeguard
instruments as required under the terms of any of the Basic Social and
Environmental Safeguard Instruments.

32. “Teyateyaneng” means a town located within the Recipient’s territory.

33. “Training” means expenditures incurred in regards to workshops and training
activities for the purchase of materials, rental of facilities and fees, per diem and
related travel.

Section II. Modifications to the General Conditions

The modifications to the General Conditions for Credits and Grants of the
Association, dated July 1, 2005 (as amended through October 15, 2006) are as follows:

1. Section 2.07 is modified to read as follows:

“Section 2.07. Refinancing Preparation Advance

If the Financing Agreement provides for the repayment out of the
proceeds of the Financing of an advance made by the Association or the Bank
(“Preparation Advance”), the Association shall, on behalf of the Recipient,
withdraw from the Financing Account on or after the Effective Date the amount
required to repay the withdrawn and outstanding balance of the advance as at the
date of such withdrawal from the Financing Account and to pay all accrued and
unpaid charges, if any, on the advance as at such date. The Association shall pay
the amount so withdrawn to itself or the Bank, as the case may be, and shall
cancel the remaining unwITHdrawn amount of the advance.”

2. Paragraph (i) of Section 6.02 is modified to read as follows:

“Section 6.02. Suspension by the Association

(l) Ineligibility. The Association or the Bank has declared the Project
Implementing Entity ineligible to receive proceeds of any financing made by the
Association or the Bank or otherwise to participate in the preparation or
implementation of any project financed in whole or in part by the Association or
the Bank, as a result of a determination by the Association or the Bank that the
Project Implementing Entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of any financing made by the Association or the Bank.”

3. The following terms and definitions set forth in the Appendix are modified or deleted as follows, and the following new terms and definitions are added in alphabetical order to the Appendix as follows, with the terms being renumbered accordingly:

   (a) The term “Project Preparation Advance” is modified to read “Preparation Advance” and its definition is modified to read as follows:

   “‘Preparation Advance’ means the advance referred to in the Financing Agreement and repayable in accordance with Section 2.07.”
