SCHEDULE 1

Project Description

The objective of the Project is to improve the living conditions of project-supported rural communities in terms of (i) access to basic socio-economic services, and (ii) sustainable income increase, while promoting improved natural resource management practices.

The Project consists of the following parts, subject to such modifications thereof as the Recipient and the Association may agree upon from time to time to achieve such objectives:

Part A: Capacity Building

1. Community Information and Mobilization

Raising community awareness and strengthening the capacities of communities in the areas of preparation and implementation of productive micro-projects, through the provision of technical advisory services, including services of NGOs and communication firms.

2. Building capacities of grassroots communities and decentralization stakeholders

Strengthening the capacities of stakeholders in the decentralization process, such as communal councils, village councils and grassroots communities, through the provision of advisory services and training in the areas of, inter alia, decentralization, local government, preparation of investment training modules and programs.

3. Strengthening capacities of service providers for communities

Strengthening managerial, operational, technical and quality-control capacities of private socio-professional groups providing infrastructure-building and investment-related services at the village or commune level, such as private advisory providers, regional and local public services and training centers.

Part B: Communal Initiatives Fund

1. Communal demand-driven Investment Grants

Provision of Communal Micro-Grants to rural Communes to co-finance Communal Micro-Projects.

2. Communal Technical Support Services
Provision of financial support for technical support to strengthen the capacities of Management Committees in charge of managing investments at the Commune level.

Part C: Local Productive Initiatives Fund

1. *Local Productive demand-driven Investment Grants*

Provision of Local Micro-Grants to co-finance Local Productive Micro-Projects, together with CBOs.

2. *Local Technical Support Services*

Provision of financial support for technical support to strengthen the capacities of CBOs in charge of managing the investments at the local level.

Part D: Project Implementation, Coordination, Monitoring and Evaluation, and Knowledge Management

Support for Project coordination, management, and implementation, at the national and regional levels, through the establishment and operation of the PIU and of the RPIUs, and the setting up of an integrated technical and financial management system for Project implementation, monitoring and evaluation in the Project areas.

Part E: Assistance to rural primary schools, health care associations and community health centers

Provision of SHCS Micro-grants to strengthen the capacity of primary schools, community health centers and health care associations in providing improved services to rural communities.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements.

1. Overall Oversight and Coordination

(a) The Recipient shall:

(i) maintain for the duration of Project implementation a National Steering Committee with composition and terms of reference acceptable to the Association, responsible for the overall coordination, monitoring and oversight of the Project implementation at the national level; and

(ii) maintain for the duration of Project implementation the Regional Steering Committees, with composition and terms of reference acceptable to the Association, responsible for the coordination, and monitoring of Project implementation at the regional level.

(b) The Recipient shall ensure that the Project is implemented in close coordination with other programs supported by other donors.

2. Project Implementation, Administration, and Management

(a) The Recipient shall maintain for the duration of the implementation of Parts A, C, D and E of the Project, a Project Implementation Unit with terms of reference and staffing acceptable to the Association to be responsible for the day-to-day management of Parts A, C, D and E of the Project activities, including: (i) coordinating the overall implementation of said Parts of the Project; (ii) managing said Project activities implemented at the central level; (iii) ensuring the availability of funds, (iv) maintaining the books and the accounts of said Project activities and producing financial reports; (v) monitoring and evaluating the implementation of the work program and its impact; (vi) reporting results to stakeholders; (vii) preparing the Annual Work Plans; and (viii) providing technical assistance to RPIUs.

(b) The Recipient shall maintain the four RPIUs with the specific staff listed in the PIM. Each RPIU will be responsible for: (i) coordinating Project activities related to Parts A, C, and D of the Project, within their respective regions; (ii) managing the funds to finance Local Productive Micro-Projects; (iii) monitoring and evaluating Project activities in their
respective regions; and (iv) reporting to local stakeholders and to the PIU.

(c) Parts A, D and E of the Project will be implemented through the PIU and Part C of the Project will be implemented through the RPIUs, provided however that the PIU shall maintain the contract with one or more commercial banks, under terms and conditions acceptable to the Bank, to handle the flow of funds for the implementation of Part C of the Project.

(d) The Recipient shall maintain for the duration of Project implementation, the Local Orientation Committees (CLOs) (at the level of the Cercles), which will provide technical assistance, monitoring and ensuring the coherence of the implementation of the Communal Development Programs.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Annual Work Plans

1. (a) The Recipient shall prepare, through the PIU, under terms of reference acceptable to the Association, and furnish to the Association not later than November 30 in each calendar year during Project implementation, an Annual Work Plan of activities proposed for inclusion in Parts A, C, D and E of the Project during the following calendar year, together with a budget for such activities and a timetable for their implementation.

(b) The Recipient shall exchange views with the Association on such proposed Annual Work Plan, and shall thereafter adopt by not later than December 31 in each calendar year during Project implementation, and carry out such Annual Work Plan for the next calendar year as shall have been approved by the Association. Except as the Association shall otherwise agree, the Recipient shall not amend, abrogate, waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof, without the prior written agreement of the Association.

3. Only such Annual Work Plan of activities as shall have been approved by the Association shall be eligible for inclusion in Parts A, C, D and E of the Project and financing out of the proceeds of the Financing.

E. Local Productive Micro-Grants (Part C of the Project)

1. The relevant RPIU shall evaluate proposed Local Productive Micro-Projects and provide Local Micro-Grants to finance activities under Part C of the Project. Local Micro-Grants shall be provided in accordance with guidelines, procedures
and eligibility criteria acceptable to the Association and set forth in the PIM, such provisions shall include, but not be limited to, the following:

(a) Local Micro-Grants shall be provided for any investment identified by the LPIF Beneficiary, provided such investment is not one of the activities included in the Negative List;

(b) activities to be financed by Local Productive Micro-Grants shall be initiated and implemented by an eligible LPIF Beneficiary that has the legal status to receive a Local Micro-Grant and implement and maintain a rural Local Productive Micro-Project, all in accordance with the provisions set forth in the PIM; and

(c) activities to be financed by Local Micro-Grants shall be in compliance with: (x) applicable laws and regulations of the Recipient; and (y) criteria and standards set forth in the Anti-Corruption Guidelines and the PIM, including without limitation: (i) the contribution by the LPIF Beneficiary of cash, labor or material in an agreed percentage of the value of the investment, as set forth in the PIM; (ii) the limitation of the relevant Local Productive Micro-Project’s total cost from a minimum of 2 million FCFA to a maximum of 20 million FCFA; (iii) the consistency of the rural Local Productive Micro-Project with the ESMF and the PMP, and (iv) the use of a specific Micro-Project Execution Agent to implement and maintain the Local Productive Micro-Project and arrangements regarding human and financial resources have been taken.

2. To provide Local Productive Micro-Grants, the relevant RPIU shall enter into a Micro-Grant Agreement with the LPIF Beneficiary and the Local Productive Micro-Project Execution Agent, under terms and conditions satisfactory to the Association, which shall include the following:

(a) a description of the approved investments, with its budget and its performance indicators;

(b) provisions requiring the financing to be made on a grant basis;

(c) the LPIF Beneficiary’s obligation to: (i) carry out the activities with due diligence and efficiency, and in accordance with sound administrative, technical, financial, environmental and social standards, taking into account social and environmental implications, and in accordance with the provisions of the Anti-Corruption Guidelines, PIM, ESMF and the PMP; (ii) maintain adequate records to reflect, in accordance with simple and sound accounting practices defined in the PIM, the operations, resources and expenditures in respect of the activity; and (iii) maintain adequate reporting in accordance with the standards specified in the PIM;
(d) the requirements that: (i) the goods, works, and services to be financed from the proceeds of the Local Productive Micro-Grant shall be procured in accordance with the procedures set forth in the PIM; and (ii) such goods, works, and services shall be used exclusively in the carrying out of the activities under Part C of the Project;

(e) the right of the Recipient and the RPIU to inspect, by itself, or jointly with the LPIF Beneficiary, and the Association, if the Association shall so request, the goods, works, sites, services and construction financed by the Local Productive Micro-Grant, the operations thereof, and any relevant records and documents;

(f) the right of the Recipient and the RPIU to obtain all information as the Recipient, the RPIU, or the Association shall reasonably request regarding the administration, operations, and financial conditions of the activities financed by the Local Productive Micro-Grant;

(g) the right of the Recipient to suspend or terminate the LPIF Beneficiary’s right to use the proceeds of the Local Productive Micro-Grant upon failure by the LPIF Beneficiary to perform any of its obligations under the Micro-Grant Agreement; and

(h) the conditions for the payments to be made to the Local Productive Micro-Project Execution Agent together with the disbursement conditions and schedules.

3. The Recipient, through the RPIU shall exercise its rights and carry out its obligations under each Local Productive Micro-Grant Agreement in such a manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing, and, except as the Association shall otherwise agree in writing, the Recipient, though the PIU, shall not to assign, amend, abrogate or waive any of the SHCS Micro-Grant Agreements, or any provision thereof.

F. SHCS Micro-grant (Part E of the Project)

1. For the purposes of Part E of the Project, the Recipient, though the PIU, shall make resources available on a Micro-grant basis to Beneficiaries on the following terms and conditions:

(a) To be eligible for an SHCS Micro-grant, the school and/or health care association and/or community health center SHCS shall be required to demonstrate that the eligibility criteria and any such additional criteria as are set forth in the PIM are met.

(b) The PIU shall make the proceeds available on a Micro-grant basis under criteria set forth in the Project Implementation Manual and an agreement between the PIU and the Beneficiary on terms and conditions satisfactory to
the Association (the “SHCS Micro-grant Agreement”), which terms and conditions shall include:

(i) a description of the approved Micro-Projects, with its budget and its performance indicators;

(ii) provisions requiring the financing to be made on a grant basis;

(iii) the SHCS Beneficiary’s obligation to: (i) carry out the activities with due diligence and efficiency, and in accordance with sound administrative, technical, financial, environmental and social standards, taking into account social and environmental implications, and in accordance with the provisions of the Anti-Corruption Guidelines, PIM, ESMF and PMP; (ii) maintain adequate records to reflect, in accordance with simple and sound accounting practices defined in the PIM, the operations, resources and expenditures in respect of the activity; and (iii) maintain adequate reporting in accordance with the standards specified in the PIM;

(iv) the requirements that (i) the goods and services to be financed from the proceeds of the SHCS Micro-Grant shall be procured in accordance with the procedures set forth in the PIM; and (ii) such goods and services shall be used exclusively in the carrying out of the activities under Part E of the Project;

(v) the right of the Recipient and the PIU to inspect, by itself, or jointly with the SHCS Beneficiary, and the Association, if the Association shall so request, the goods, sites and services financed by the SHCS Micro-Grant, the operations thereof, and any relevant records and documents;

(vi) the right of the Recipient and the PIU to obtain all information as the Recipient, the PIU, or the Association shall reasonably request regarding the administration, operations, and financial conditions of the activities financed by the SHCS Micro-grant; and

(vii) the right of the Recipient to suspend or terminate the SHCS Beneficiary’s right to use the proceeds of the SHCS Micro-Grant upon failure by the SHCS Beneficiary to perform any of its obligations under the SHCS Micro-Grant Agreement.

(c) The Recipient, through the PIU shall exercise its rights and carry out its obligations under each SHCS Micro-Grant Agreement in such a manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing, and, except as the Association shall otherwise agree in writing, the Recipient, though the PIU, shall not to assign, amend,
abrogate or waive any of the SHCS Micro-Grant Agreements, or any provision thereof.

F. Manual

1. Except as the Association shall otherwise agree, the Recipient shall: (a) carry out Parts A, C, D and E of the Project in accordance with the Project Manuals (PIM, MEM and AFAM) all in form and substance satisfactory to the Association; (b) not amend, abrogate, waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof, without the prior written agreement of the Association.

2. In the event of any conflict between the provisions of the Project Manuals and those of this Agreement, the provisions of this Agreement shall prevail.

G. Safeguards

1. The Recipient shall carry out Parts A, C, D and E of the Project (including any activity proposed to be included in an Annual Work Plan, LIPF Micro-project or SHCS Micro-project), in accordance with the provisions of the Environmental and Social Management Framework (ESMF) and the Pest Management Plan (PMP) and, except as the Association shall otherwise agree, the Recipient shall not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, any provision of the aforementioned.

2. The Recipient shall carry out Parts A, C, D and E of the Project in accordance with the provisions of the Environmental Management Plan (EMP) and the Environmental and Social Impact Assessment (ESIA), as the case may be, under terms and conditions satisfactory to the Association and, except as the Association shall otherwise agree, the Recipient shall not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, any provision of the aforementioned.

3. In the event of any conflict between the provisions of the ESMF, or the PMP, or the EMPs, or the ESIA, if any, and those of this Agreement, the provisions of this Agreement shall prevail.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than forty five days after the end of the period covered by such report.
2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six (6) months after Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty five days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than [six months] after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project, including those provided by Micro-Projects Execution Agents, and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

Section II. Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

“… (b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Recipients (other than the Member Country) and all other individuals or entities who are recipients of Loan proceeds, in the event that the Recipient or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Recipient or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”
2. Section 11(a) is modified to read as follows:

“... (a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn13) a Recipient (other than a Member Country) (fn 14) or an individual or entity, including (but not limited to) declaring such Recipient, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn 15) that such Recipient, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Recipient or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”

“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the
Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
