3. Withdrawal of Funds from the Financing Account

1. **Authorised Signatures.** Before funds from the Financing Account may be withdrawn or committed, the authorised representative of the borrower (as designated in the Financing Agreement) must furnish to the World Bank, electronically through the Client Connection website (http://clientconnection.worldbank.org), or through an authorized signature designation letter, the names of the officials authorized to sign and submit applications for withdrawal and applications for a special commitment (collectively, Applications) and (b) to receive Secure Identification Credentials (SIDC) from the World Bank. manner and on terms and conditions specified by the World Bank, through the Client Connection website at http://clientconnection.worldbank.org. The World Bank may, at its discretion, temporarily or permanently disallow the electronic submission of applications by the borrower. The World Bank may permit the borrower to complete and submit applications manually in paper form. Paper application forms can be found in the Client Connection website at http://clientconnection.worldbank.org or may be obtained from the World Bank upon request.

3. Minimum Value of Applications. The World Bank establishes a minimum value for applications for reimbursement, direct payment, and special commitment. The World Bank reserves the right not to accept applications that are below such minimum value.

4. Loan Disbursing Period. The World Bank processes applications only after the Financing Agreement has been declared effective in accordance with the terms of the Financing Agreement. The expenditures for which the applications are made must be

   (a) Paid for on or after the date of the Financing Agreement or alternatively, in the case of projects that permit retroactive financing, on or after the earlier date specified in the Financing Agreement for that purpose and

   (b) Incurred on or before the closing date specified or referred to in the Financing Agreement or Closing Date, except as otherwise specifically agreed with the World Bank.

5. The loan disbursing period ends on the final date established by the World Bank for receipt by the World Bank of applications for withdrawal and supporting documentation (the Disbursement Deadline Date). The Disbursement Deadline Date may be the same as the Closing Date, or up to four months after the Closing Date. To support ongoing project completion and closure of the Financing Account, the World Bank does not accept applications for withdrawal or supporting documentation received after the Disbursement Deadline Date. The borrower must promptly inform the World Bank of any expected implementation delays or exceptional administrative issues before those dates. The World Bank notifies the borrower of any exception that the World Bank may make to the Disbursement Deadline Date.

6. Disbursement Conditions. If the Financing Agreement contains a disbursement condition for a specific expenditure category, the World Bank will disburse funds from the Financing Account for that category only after the disbursement condition has been fulfilled and the World Bank has notified the borrower that it will be

7. 4. Supporting Documentation Requirements

   (a) The borrower provides supporting documentation to the World Bank to show that funds from the Financing Account have been or are being used to finance eligible expenditures.
4.2 For special commitments, the commercial bank may issue a confirmation directed to the World Bank that conditions for the release of an amount committed for withdrawal have been met.

4.3 Types of Supporting Documentation. The World Bank requires either copies of the original documents evidencing eligible expenditures (Records), or summaries, reports of expenditure (Summary Report) in each form and substance as the World Bank may specify. Records include such documents as invoices and receipts. A Summary Report may be either an interim unaudited financial report required under the Financing Agreement (Interim Financial Report) or a statement of expenditure summarizing eligible expenditures paid during a stated period (Statement of Expenditure). In all cases the borrower is responsible for retaining the original document evidencing eligible expenditures and making them available for audit or inspection.

4.4 The World Bank determines the types of supporting documentation that the borrower must provide taking into consideration the disbursement method used. The supporting documentation may be the following:

1) For applications for Reimbursement: (a) Interim Financial Reports, (b) Statements of Expenditure, (c) Records

2) For reporting on the use of Advances: (a) Interim Financial Reports, (b) Statements of Expenditure, (c) Records

3) For applications for Direct Payments: (a) Records such as copies of supplier invoices, (b) bank guarantee for advance or retention payment

4.5 Failure to Provide Audited Financial Statements. If the borrower fails to provide any of the audited financial statements required in accordance with, and within the period of time specified in the Financing Agreement, the World Bank may, at its discretion, decide not to accept applications for withdrawal if supported by Summary Reports, even if such Reports are accompanied by Records.

5. Designated Accounts
5.1 The borrower may open one or more Designated Accounts into which the World Bank may, at the borrower's request, deposit amounts withdrawn from the Financing Account for the purpose of paying for eligible expenditures as they are incurred. Before the World Bank authorizes establishment of a Designated Account, the borrower must have adequate administrative capacity, internal controls, and accounting and auditing procedures to ensure effective use of the Designated Account.

5.2 The World Bank may decide not to permit the use of Designated Accounts in new projects if the borrower has failed to record unrecorded advances in the Designated Account or any other loan to or guaranteed by the borrower within two months after the Disbursement Deadline Date for that loan.

5.3 **Type of Designated Account.** A Designated Account may be established in one of two ways – as a segregated account or pooled account as appropriate for the project concerned and as determined and notified by the World Bank:

(a) **Segregated Account.** An account of the borrower into which only proceeds of the Financing Account may be deposited.

(b) **Pooled Account.** An account of the borrower into which the funds from the Financing Account and funds from other financing for the project or such as borrower resources or financing by other development partners may be deposited.

5.4 **Currency of the Designated Account.** Designated Accounts must be in a currency acceptable to the World Bank. In countries that have a freely convertible currency, Designated Accounts may be held in the currency of the borrower or any freely convertible currency. The World Bank may also agree to local currency Designated Accounts when, among other things, the country's currency is not freely convertible, is stable and the expenditures to be financed are primarily in local currency. The borrower bears all risks associated with foreign exchange fluctuations between the currency of denomination of the loan and that of the borrower's Designated Account and (b) the currency of denomination of the borrower's Designated Account and the currency or currencies of project expenditures.

5.5 **Financial Institution.** Designated Accounts must be opened and maintained in a financial institution selected by the borrower and acceptable to the World Bank. A financial institution is acceptable if it meets all the following requirements:

1. It is financially sound;
2. It is in good standing;
3. It is authorized to maintain the Designated Account in the currency agreed between the World Bank and the borrower;
4. It is audited regularly and receives satisfactory audit reports.

A financial institution may be the borrower's central bank or a development bank or a commercial bank.
It can execute a large number of transactions promptly.
It can satisfactorily perform a wide range of banking services.
It can provide a detailed statement of the Designated Account.
It is part of a satisfactory correspondent banking network.
It charges reasonable fees for its services.

5. The World Bank reserves the right not to transfer funds to a financial institution if that institution has asserted or asserted a claim or set off or attach the proceeds of any Bank loan or deposit in a Designated Account maintained by the institution.

6. Terms and Conditions Applicable to Advances

6.1 Ceiling. The World Bank notifies the borrower of the maximum amount of funds from the Financing Account that may be in deposit in a Designated Account of the ceiling. The World Bank, at its discretion, may establish the ceiling as either as a fixed amount or as an amount that is adjusted from time to time during project implementation on the basis of periodic forecasts of project cash flow needs.

6.2 Applications for Advances. The borrower may apply for an advance in an amount up to the Ceiling less the aggregate amount of advances previously received by the borrower for which the Borrower has not yet provided supporting documentation normally to support orderly closure of the Financing Account and, at the World Bank's discretion, the World Bank does not advance funds from the Financing Account into the Designated Account after the Closing Date.

6.3 Frequency of Reporting Eligible Expenditures Paid from the Designated Account. The borrower reports on the use of funds from the Financing Account advanced to the Designated Account at intervals specified by the World Bank by notice to the borrower. The borrower must ensure that all amounts deposited into the Designated Account are accounted for and that their use is reported prior to the Disbursement Deadline Date. After that date, the borrower must refund to the World Bank any advances still unaccounted for or remaining in the Designated Account.

6.4 Withholding Advances. The World Bank is not required to make any deposit into the Designated Account if any of the following conditions apply:

a) The World Bank determines that payment of the deposit would result in exceeding the Ceiling see Subsection 6.1 Applications for Advances.
b) The World Bank is not satisfied that the Borrower's planned project expenditures justify the deposit. The World Bank may adjust the amount of deposits or withhold further deposits into the Designated Account if it is satisfied that the financial needs of the project warrant further deposits.
(4) The borrower fails to take the action required pursuant to the determinations made by the World Bank under subsections 7(d) and 7(e) of these guidelines.

(5) The borrower fails to provide any of the audited financial statements required in accordance with, and within the period of time specified in, the Financing Agreement.

(6) The World Bank determines that all further withdrawals of funds from the Financing Account should be made by the borrower directly from the Financing Account.

(7) The World Bank has notified the borrower of its intention to suspend in whole or in part the borrower's right to make withdrawals from the Financing Account.

6. Excess Advances. If at any time the World Bank determines that any amount deposited in the Designated Account will not be required to cover further payments for eligible expenditures (the "Excess Amount"), it may, at its discretion, require the borrower to take one of the following two disbursement-related actions:

(a) Provide evidence satisfactory to the World Bank within a period specified by the World Bank that the Excess Amount will be used to pay for eligible expenditures. If the evidence is not furnished within the time period specified, the borrower must promptly refund the Excess Amount to the World Bank.

(b) Refund the Excess Amount promptly.

The borrower must perform the action requested promptly after receiving notification from the World Bank that it must do so.

7. Ineligible Expenditures

7.1 Ineligible Expenditures Generally. If the World Bank determines that any amount of the funds from the Financing Account was used to pay for an expenditure that is not eligible pursuant to the Financing Agreement, an ineligible expenditure, the World Bank may, at its discretion, require the borrower to take one of the following two disbursement-related actions, without prejudice to the Bank's right to exercise remedies under the General Conditions or Standard Conditions and Financing Agreement:

(a) Refund an equivalent amount to the World Bank.

(b) Exceptionally, provide substitute documentation evidencing other eligible expenditures.

The borrower must perform the action requested promptly after receiving notification from the World Bank that it must do so.

This is a simplified version of the text and includes placeholders for non-visible content. The original text contains more detailed and comprehensive information.
2. Ineligible Expenditures Paid from the Designated Account. If the World Bank determines that any payment out of the Designated Account was not justified by the evidence furnished to the World Bank or was made for an ineligible expenditure, the World Bank may at its discretion require the borrower to take one of the following actions:

(a) Provide the additional evidence requested by the World Bank
(b) Deposit an equivalent amount into the Designated Account
(c) Refund an equivalent amount to the World Bank
(d) Exceptionally, provide substitute documentation evidencing other eligible expenditures

The borrower must perform the action requested promptly after receiving notification from the World Bank that it must do so.

8. Refunds

8.1 Borrower Decision to Refund. The borrower may upon notice to the World Bank refund all or any amount of the loan on deposit in the Designated Account to the World Bank for credit in the Financing Account.

8.2 Consequence of Refunds. The World Bank shall determine whether refunds made to the World Bank in accordance with sections 6 and 7 and subsection 8.1 of these guidelines will be credited to the Financing Account. Refunds of funds into the Financing Account may result in the swap termination fees for unwinding costs for amounts for which the interest rate basis or currency has been converted or hedged for both.

8.3 Other Rights and Obligations Unaffected by Refunds. Refunds of loan amounts do not affect other legal rights and obligations of the parties under the Financing Agreement.

March 1, 2013

The World Bank (Bank)\(^1\) will provide secure identification credentials (SIDC) to permit the Borrower\(^2\) to deliver applications for withdrawal and applications for special commitments under the Agreement(s) and supporting documentation (such applications and supporting documentation together referred to in these Terms and Conditions of Use as Applications) to the Bank electronically, on the terms and conditions of use specified herein.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token). The Bank reserves the right to determine which type of SIDC is most appropriate.

**A. Identification of Users.**

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide SIDC to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on CC will require that the Signatory establish a CC password (CC Password). The Signatory shall not reveal his/her CC Password to anyone or store or record the CC Password in written or other form. Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

**B. Initialization of SIDC.**

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having read, understood and agreed to be bound by these Terms and Conditions of Use.

2. Where a Physical Token is to be used, promptly upon receipt of the Physical Token, the Signatory will access CC using his/her account name and CC Password and register his/her Physical Token and set a personal identification number (PIN) to be used in connection with the use of his/her Physical Token, after which the Physical Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Where a Soft Token is to be used, the Signatory will access CC using his/her account name and CC Password and set a personal identification number (PIN) to be used in connection with the use of his/her Soft Token, after which

---

\(^1\) "Bank" includes IBRD and IDA.

\(^2\) "Borrower" includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the recipient of a grant.
the Soft Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Upon initialization of the SIDC, the Signatory will be a "SIDC User". The Bank will maintain in its database a user account (Account) for each SIDC User for purposes of managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will have any access to the Account.

3. Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC.

1. Use of the SIDC is strictly limited to use in the delivery of Applications by the SIDC User in the manner prescribed by the Bank in the Agreement(s) and these Terms and Conditions. Any other use of the SIDC is prohibited.

2. The Bank assumes no responsibility or liability whatsoever for any misuse of the SIDC by the SIDC User, other representatives of the Borrower, or third parties.

3. The Borrower undertakes to ensure, and represents and warrants to the Bank (such representation and warranty being expressly relied upon by the Bank in granting SIDC) that each SIDC User understands and will abide by, these Terms and Conditions of Use, including without limitation the following:

4. Security

4.1. The SIDC User shall not reveal his/her PIN to anyone or store or record the PIN in written or other form.

4.2. The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an Application to the Bank.

4.3. The SIDC User shall always logout from CC when not using the system. Failure to logout properly can create a route into the system that is unprotected.

4.4. If the SIDC User believes a third party has learned his/her PIN or has lost his/her Physical Token he/she shall immediately notify clientconnection@worldbank.org.

4.5. The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take other reasonable steps to ensure such SIDC are disabled immediately.

5. Reservation of Right to Disable SIDC

5.1. The Borrower shall reserve the right to revoke the authorization of a SIDC User to use a SIDC for any reason.

5.2. The Bank reserves the right, in its sole discretion, to temporarily or permanently disable a SIDC, de-activate a SIDC User's Account or both.
6. **Care of Physical Tokens**

6.1. Physical Tokens will remain the property of the Bank.

6.2. The Bank will physically deliver a Physical Token to each Signatory designated to receive one in a manner to be determined by and satisfactory to the Bank.

6.3. Physical Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Physical Token.

6.4. Without derogating from these Terms and Conditions of Use, other technical instructions on the proper use and care of Physical Tokens are available at http://www.rsa.com.

7. **Replacement**

7.1. Lost, damaged, compromised (in terms of 4.5, above) or destroyed Physical Tokens will be replaced at the expense of the Borrower.
