The objectives of the Project are: (i) to improve access to basic services in select informal settlements in urban areas in Taiz; and (ii) to strengthen dialogue on a national framework for urban upgrading.

The Project consists of the following parts:

Part A: Infrastructure in Taiz

Provision of goods, works, and consultants’ services for the upgrading of public infrastructure in selected settlements in Taiz, including road and pedestrian ways, water, drainage and sewage systems and street lighting.

Part B: Institutional Strengthening and Capacity Building

Provision of goods, training and consultants’ services for: (i) strengthening the dialogue on a national framework for urban upgrading including through the identification of an appropriate line ministry for urban upgrading, strengthening the knowledge base on informal settlements, the establishment of guidelines for identifying areas in need of upgrading, and the development of a short and medium-term plan for investment planning, implementation of an awareness-raising campaign and capacity building; and (ii) building government capacity in Taiz for carrying out urban upgrading, including establishment of, and support for, a core geographic information system unit in the Governor’s office, the development of a public land inventory and information technology systems and provision of goods to Taiz governorate to operate the Accounting-based Financial Management Information System (AFMIS).

Part C: Project Management

Provision of goods, training, consultants’ services, and Incremental Operating Costs of the PMU to support Project coordination, implementation, monitoring and evaluation and management.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements.

The Recipient shall carry out the Project in accordance with the following institutional and other arrangements:

1. The Recipient, through the PMU, shall carry out the Project, with the support of local authorities in Taiz for Parts A and B (ii) of the Project, in accordance with the requirements, criteria, organizational arrangements and operational procedures set forth in the Operational Manual, and shall not assign, amend, abrogate or waive any provisions of the Operational Manual without prior approval of the Association.

2. The Recipient, through the PMU, shall carry out the Project in accordance with the requirements and operational procedures set forth in the ESMP, the Site-specific EMPs, and the RPF, and shall not assign, amend, abrogate or waive any provisions of the ESMP, the Site-specific EMPs, or the RPF without prior approval of the Association.

3. The Advisory Committee shall provide ad-hoc policy guidance for the development and implementation of the national framework for urban upgrading under Component B (i) of the Project in accordance with the requirements, criteria, organizational arrangements and operational procedures set forth in the Operational Manual.

4. At all times during the implementation of the Project, the Recipient shall maintain the PMU with a composition, resources, and terms of reference satisfactory to the Association.

5. The Recipient shall, where required by the RPF:

   (a) prepare, prior to the commencement of any civil works under the Project, an RAP for a site, satisfactory to the Association, in accordance with the RPF;

   (b) implement the RAP, including, unless otherwise agreed with the Association, payment in full of compensation to all affected people prior to commencing of any related works; and
(c) not amend, suspend or abrogate any of the provisions of the RAP without the prior agreement of the Association.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Bank not later than forty-five (45) days after the end of the period covered by such report.

2. Not later than twenty four (24) months after Effectiveness, the Recipient shall carry out jointly with the Association, a midterm review of the progress made in carrying out the Project (hereinafter referred to as the Midterm Review). The Midterm Review shall cover, amongst other things:

   (a) progress made in meeting the Project’s objective; and
   (b) overall Project performance against Project performance indicators.

3. The Recipient shall prepare at least four (4) weeks prior to the Midterm Review, and furnish to the Association, a separate report describing the status of implementation of each component of the Project and a summary report of Project implementation generally.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the
Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III.  Procurement

A.  General

1.  Goods and Works.  All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2.  Consultants’ Services.  All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3.  Definitions.  The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B.  Particular Methods of Procurement of Goods and Works

1.  International Competitive Bidding.  Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2.  Other Methods of Procurement of Goods and Works.  The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

<table>
<thead>
<tr>

<tbody>
<tr>
<td>(a) National Competitive Bidding, subject to the following additional provisions: the procedures to be followed for National Competitive Bidding under this paragraph shall be those set forth in Law No. 23 for 2007, concerning Government Tenders, Auctions and Stores, and its Regulations, subject to the following additional procedures:</td>
</tr>
<tr>
<td>(1) a Recipient-owned enterprise in the Republic of Yemen shall be eligible to bid only if it can establish that it is legally and financially autonomous, operates under commercial law, and is not a dependent agency of the Recipient;</td>
</tr>
</tbody>
</table>

7
(2) bidding (or pre-qualification, if required) shall not be restricted to any particular class of contractors or suppliers, and non-registered contractors and suppliers shall also be eligible to participate;

(3) tenders shall be advertised for at least two (2) consecutive days in two (2) local newspapers of wide circulation;

(4) prospective bidders shall be allowed a minimum of thirty (30) days for the preparation and submission of bids, such thirty (30) days to begin with the availability of the bidding documents or the advertisement, whichever is later;

(5) until national standard bidding documents acceptable to the Association are available, bidding documents approved by the Association shall be used, and may be prepared in Arabic;

(6) registration shall not be used to assess bidders’ qualifications; qualification criteria (in case pre-qualification was not carried out) and the method of evaluating the qualification of each bidder shall be stated in the bidding documents, and before contract award the bidder having submitted the lowest evaluated responsive bid shall be subject to post-qualification;

(7) a foreign bidder shall not be required to register or to appoint an agent as a condition for submitting its bid and, if determined to be the lowest evaluated responsive bidder, shall be given reasonable opportunity to register, without let or hindrance; the registration process shall not be applicable to sub-contractors;

(8) all bids shall be submitted in sealed envelopes and may be submitted, at the bidder’s option, in person or by courier service;

(9) all bids shall be opened at the same time in a public bid opening which bidders shall be allowed to attend and which shall follow immediately after the deadline for submission of bids;

(10) evaluation of bids shall be carried out in strict adherence to the criteria declared in the bidding documents and contracts shall be awarded to the lowest evaluated responsive bidder, without resorting to the rejection of bids above or below a certain percentage of the pre-bid estimate (bid price bracketing);

(11) no bidder shall be requested or permitted to modify its bid after the bid closing date shall have elapsed and bids submitted after the deadline for submission of bids shall be returned to the bidder unopened;

(12) post-bidding negotiations with the lowest or any other bidder shall not be permitted;
under exceptional circumstances, the procuring entity may, before the expiration of bid validity, request all bidders in writing to extend the validity of their bids, in which case bidders shall not be requested nor permitted to amend the price or any other condition of their bids; a bidder shall have the right to refuse to grant such an extension without forfeiting its bid security, but any bidder granting such extension shall be required to provide a corresponding extension of its bid security;

price adjustment provisions may be included in contracts for works with a duration of more than eighteen (18) months;

rejection of all bids is justified when there is lack of effective competition, or bids are not substantially responsive, however, lack of competition shall not be determined solely on the basis of the number of bidders; and

each contract financed from the proceeds of the Grant shall provide that the contractor or supplier shall permit the Association, at its request, to inspect their accounts and records relating to the performance of the contract and to have such accounts and records audited by auditors appointed by the Association
