Dear Sirs,

Re: Republic of The Sudan: IFAD Grant No. DSF-8043-SD
(Revitalizing the Sudan Gum Arabic Production and Marketing Project)

We refer to the Letter of Appointment dated 16 November, 2009 between the International Fund for Agricultural Development ("IFAD") and the International Development Association (the "World Bank") in connection with the Revitalizing the Sudan Gum Arabic Production and Marketing Project, as amended with effect from 18 October 2012 (the "Letter of Appointment").

We acknowledge that the World Bank has heretofore provided the services referred to in the Letter of Appointment to the full satisfaction of IFAD. On the basis of this and other considerations, we would agree to further extend the term of the Letter of Appointment without interruption on the same basis up to 30 June 2015, in line with guidelines agreed between IFAD and the World Bank on the understanding that no additional payment shall be made by IFAD to the World Bank.

In the interest of clarity, we recognize that references to the IDA Grant Agreement (also referred to as the IDA Financing Agreement) in the Fund Financing Agreement (as defined in the Letter of Appointment) shall continue to have meaning for purposes of the extension agreed hereunder regardless of the fact that such IDA Grant Agreement between the World Bank and the Republic of the Sudan has terminated.

Except as expressly modified hereby, the Letter of Appointment remains unmodified and in full force and effect.

Please indicate your agreement with the foregoing by countersigning the four (4) copies of this Letter and returning two (2) copies to the Fund. This Letter constitutes a formal agreement between IFAD and the World Bank and shall become effective upon your countersignature as of the date hereof.
