CORRIGENDUM

REPUBLIC OF NIGER: Food Price Crisis Response Trust Fund Grant Agreement (Second Emergency Food Security Support Project)  
TF 097869 (erroneous number)/ TF 099561 (correct number)

Excellency:

We refer to the Food Price Crisis Response Trust Fund Grant Agreement (the Agreement), dated March 29, 2011, for the above-mentioned Project, between the Republic of Niger (the Recipient) and the International Development Association (the Association) acting as Trustee of the Food Price Crisis Response Trust Fund.

It has come to our attention that the Trust Fund number indicated on the Agreement, as well as on the Disbursement Letter of even date signed by the Association to provide additional instructions regarding the withdrawal of the proceeds of the financing provided pursuant to the Agreement (the Disbursement Letter), is erroneous. The purpose of this Letter is to correct said number.

On the top right corner of the cover page and the first page of the Agreement, the words “FPCR TF GRANT NUMBER TF097869-NE” should read as “FPCR TF GRANT NUMBER TF099561-NE”.

In the subject to the Disbursement Letter, the words “Re: Food Price Crisis Response Trust Fund Number TF097869-NE” should read as ”Re: Food Price Crisis Response Trust Fund Number TF099561-NE”.

June 14, 2011
In the first paragraph of the Disbursement Letter, the second sentence “The Agreement provides that the World Bank may issue additional instructions regarding the withdrawal of the proceeds of Financing TF097869-NE (“Financing”)” should read as “The Agreement provides that the World Bank may issue additional instructions regarding the withdrawal of the proceeds of Financing TF099561-NE (“Financing”).

Please accept our apologies for any inconvenience this oversight may have caused.

Sincerely,
