Re: Afghanistan Reconstruction Trust Fund Grant No. TF0A3827
Citizens’ Charter Afghanistan Project
Corrigendum regarding Grant Amount

We refer to the Afghanistan Reconstruction Trust Fund Grant Agreement dated December 6, 2016 between the Islamic Republic of Afghanistan (“Recipient”) and the International Development Association, acting as administrator of the grant funds contributed by various donors (“Donors”) to the Afghanistan Reconstruction Trust Fund (“Grant Agreement”) for the Citizens’ Charter Afghanistan Project (the “Project”).

It has come to our attention that the amount of the Grant indicated in the Grant Agreement does not reflect the correct amount of the first tranche of the Grant in the amount USD 100,000,000 approved by the ARTF Management Committee; which is the actual amount of Grant funds available thus far from the Donors. Instead it reflects the full amount of the Grant of USD 400,000,000 for the Project approved by the ARTF Management Committee. We hereby correct this oversight by revising the amount of the Grant in Section 3.01 and in the table in Section IV.A.2 of Schedule 2 of the Grant Agreement, to reflect only the first tranche of the Grant, as follows:

1. Section 3.01 is revised to read as follows:

“3.01. The World Bank agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equal to one hundred million United States Dollars ($100,000,000) (“Grant”) to assist in financing the Project.”

2. The table in Section IV.A.2 of Schedule 2 is revised to read as follows:

<table>
<thead>
<tr>
<th>Category</th>
<th>Amount of the Grant Allocated (expressed in USD)</th>
<th>Percentage of Expenditures to be Financed (inclusive of Taxes)</th>
</tr>
</thead>
<tbody>
<tr>
<td>(1) Goods, works, non-consulting services, and consultants’ services, Training and Incremental Operating Costs incurred by MRRD under Parts 2, 3 and 4 of the Project</td>
<td>46,000,000</td>
<td>100%</td>
</tr>
</tbody>
</table>
(2) Rural Area Service Standards Grants

| (2) Rural Area Service Standards Grants | 24,000,000 | 100% of amounts disbursed for Rural Area Service Standards Grants |

(3) Goods, works, non-consulting services, and consultants' services, Training and Incremental Operating Costs incurred by IDLG under Parts 2, 3 and 4 of the Project; and Urban Area Block Grants

| (3) Goods, works, non-consulting services, and consultants' services, Training and Incremental Operating Costs incurred by IDLG under Parts 2, 3 and 4 of the Project; and Urban Area Block Grants | 30,000,000 | 100% |

**TOTAL AMOUNT** | **100,000,000**

All other provisions of the Grant Agreement remain unchanged and this correction becomes effective as of the date of the Grant Agreement, i.e., December 6, 2016.

We would appreciate it if you could send us at your earliest convenience a confirmation that you have received this letter.

Sincerely,
