   (a) Strengthening of the Recipient’s transport sector policy in the areas of civil aviation and airports through the provision of technical advisory services;

   (b) Strengthening of the Project Implementing Entity’s safety and security oversight capacity through: (i) improvement of its technical library; and (ii) carrying out of staff training programs to address issues relating to airport and aircraft safety and security; and

   (c) Support to implementation of Global Positioning System-based approach procedures for secondary airports through provision of technical advisory services to the Project Implementing Entity.

2. Strengthening of Douala and Yaoundé international airport security standards

   Strengthening of airport safety and security standards at Douala and Yaoundé international airports, including:

   (a) Acquisition and installation of security equipment;

   (b) Carrying out of training programs for safety and security personnel;

   (c) Rehabilitation of access control sites and installation of closed circuit television systems;

   (d) Rehabilitation of airport infrastructure, including construction of an airport fence in Douala and Yaoundé, patrol road in Douala, and an alternative access road for use by neighboring population of Yaoundé international airport; and
(e) Support to rehabilitation of Douala international airport terminal and runway through provision of technical advisory services for purposes of carrying out of design studies in respect thereof.

3. **Environmental and Social Protection**

   (a) Implementation of the Resettlement Action Plans relating to the carrying out of activities under Part 2 (d) of the Project.

   (b) Support to carrying out of an environmental and social impact study relating to activities under Part 2 (d) of the Project through provision of technical advisory services.
SCHEDULE 2

Project Execution

Section I. Subsidiary Financing; Institutional and Other Arrangements

A. Subsidiary Agreement

1. To facilitate the implementation of the Project by the Project Implementing Entity, the Recipient shall make the proceeds of the Financing available to the Project Implementing Entity on a grant basis under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

B. Institutional Arrangements

1. **Steering Committee**: The Recipient shall maintain, at all times during Project implementation, a Steering Committee which shall be responsible for supervision of Project implementation. To this end, the Steering Committee shall be comprised of representatives of: (i) the ministry at the time responsible for transport, one of whom shall serve as Chair; (ii) the ministry at the time responsible for economy and finance; (iii) the *Caisse Autonome d'Amortissement*; (iv) the ministry at the time responsible for planning; (v) senior technical staff of the Project Implementing Entity; and (vi) senior technical staff of *Aéroports du Cameroun*.

2. **Project Implementing Entity**: The Recipient shall maintain at all times during Project implementation, the Project Implementing Entity, which shall be responsible for Project implementation. To this end, the Recipient shall maintain the Project Implementing Entity in form and substance and with resources and functions satisfactory to the Association.

3. **Project Implementation Team**: The Recipient shall maintain within the Project Implementing Entity, at all times during Project implementation, the Project Implementation Team, which shall be responsible for day to day Project implementation. To this end, the Recipient shall maintain the Project
Implementation Team in form and substance and with resources and functions satisfactory to the Association, including staff from the Project Implementing Entity and Aéroports du Cameroun, all with qualifications, experience and terms of reference satisfactory to the Association.

C. Execution Covenants

1. Project Implementation Plan and Administrative, Financial and Accounting Manual: The Recipient shall ensure, and shall cause the Project Implementing Entity to ensure, that the Project is implemented in accordance with the provisions of the Project Implementation Plan and the Administrative, Financial and Accounting Manual and, except as the Association shall otherwise agree, the Recipient shall not amend or waive, or permit to be amended or waived, any provision of the aforementioned documents if such amendment or waiver may, in the opinion of the Association, materially or adversely affect Project implementation.

2. Resettlement Action Plans: The Recipient shall ensure, and shall cause the Project Implementing Entity to ensure, that the Project is implemented in accordance with the provisions of the Resettlement Action Plans and, except as the Association shall otherwise agree, the Recipient shall not amend or waive, or permit to be amended or waived, any provision of the aforementioned plans if such amendment or waiver may, in the opinion of the Association, materially or adversely affect Project implementation.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and cause the Project Implementing Entity to prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one (1) calendar quarter, and shall be furnished to the Association no later than 45 days after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:
(i) Part 1 of the Project

(A) By the Closing Date, the compliance rate of the Project Implementing Entity with ICAO safety standards has increased from 70% to at least 90%.
