SCHEDULE 1

Project Description

The objective of the Project is to contribute to higher food production and productivity in Targeted Areas by improving farmers’ access to critical agricultural inputs.

The Project consists of the following parts:

Part 1. **Improving Access to Agricultural Inputs**

(a) **Scaling-up National Agricultural Input Voucher Scheme**

Providing Agricultural Input Vouchers to eligible farmers in the Targeted Areas to purchase seeds and fertilizer.

(b) **Improving Farmers’ Awareness, Information and Participation**

Carrying out an awareness campaign and information program relating to NAIVS, including provision of Training to the Village Voucher Committees.

Part 2. **Strengthening the input Supply Chain**

(a) **Strengthening Agro-dealer Network**

Carrying out capacity building activities aimed at assisting the Agro-dealers in improving their customer service provision, creating linkages to input supply companies, stimulating access to finance and building small holder demand for improved inputs.

(b) **Strengthening the National Seed Systems**

(i) Reviewing and updating of the national seed policy and regulatory framework, including developing a seed sub-sector strategy.

(ii) Carrying out a program of activities aimed at stimulating business-oriented farmer-based seed production and marketing units.

(iii) Provision of irrigation and field equipment, cold seed storage facilities and seed cleaning equipment to three Agricultural Research Institutes to support the production of pre-basic seed.
(iv) Provision of irrigation equipment, storage facilities, farm implements, seed cleaning equipment and transport equipment to the Agricultural Seed Agency (ASA) to support production of high quality basic seed.

Part 3. **Project Management and Monitoring and Impact Evaluation**

(a) **Project Management**

Carrying out a program of activities aimed at enhancing the capacity of the NVSC and the AIS for Project management, coordination and implementation.

(b) **Project Monitoring and Evaluation**

Provision of support in the form of technical services, Training and Operating Costs for the benefit of the MAFC, Regional Secretariats, Local Government Authorities and the private sector, to facilitate the carrying out of monitoring and evaluation of the Project, including implementation of impact evaluations.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements
