SCHEDULE 4

Mandatory Provisions for Procurement under
Bank-Financed Contracts Subject to National Competitive Bidding

Contracts for goods or works for which Schedule 4 to the Loan Agreement allows procurement under paragraphs 3.3 and 3.4 of the Procurement Guidelines may be procured in accordance with the provisions of national laws and regulations. In order to assure economy, efficiency, transparency and broad consistency with the provisions in Section I of the Procurement Guidelines, the national procurement provisions shall be modified as set forth in the following paragraphs.

Eligibility

1. No restrictions in respect of eligibility to participate in bidding for contracts shall be placed on the basis of nationality of bidder and/or origin of goods other than those imposed by primary boycotts.

2. Eligibility for foreign firms to participate in bidding shall not be based on requirements to joint-venture with national firms.

3. Bidders shall only be required to register for bidding provided that registration requirements and process are simple and non-discriminatory and otherwise qualified foreign bidders are not excluded from participating.

4. No preference shall be accorded to bidders on the basis of place of registration, ownership, small size, etc. No restrictions shall be imposed in terms of source of labor, material or equipment.

5. Government-owned entities shall be eligible to participate in bidding for contracts if they can establish that they are legally and financially autonomous, operate under commercial law and are not a dependant agency of the purchaser or the contractor.

Standard Bidding Documents

6. Until a modified version of the Borrower’s standard bidding document has been approved for use by the Bank, the Bank’s own standard bidding document shall be used.
Advertising Bidding Opportunities; Time for Bid Preparation

7. Bidding opportunities shall be advertised in national press of wide circulation. Prospective bidders shall be allowed at least thirty (30) days for bid preparation and submission of bids (excepting contracts for readily available off-the-shelf goods or standard specification commodities or small value works).

8. The opportunity to pre-qualify for procurements involving large or complex contracts shall be advertised.

9. Minimum experience, technical and financial requirements (for pre- or post qualification) shall be explicitly stated in the bidding documents and only criteria so specified shall be used to determine whether a bidder is qualified to bid. Bids by bidders which are deemed not qualified to bid shall not be further considered and shall be rejected.

Bid Opening

10. Bids shall be opened immediately after the deadline for bid submission and in the presence of bidders who wish to attend. Bids received after the deadline shall not be considered and shall be returned unopened.

Rebidding

11. Rebidding shall not necessarily be required if only one bid has been received provided that the bid received is responsive, bid price is acceptable and bidder is deemed capable of performing the contract.

Bid Evaluation

12. Evaluation criteria shall be clearly specified in the bidding documents and evaluation criteria other than price shall be expressed in monetary terms. Only criteria so specified shall be used in bid evaluation. Merit points shall not be used in evaluations of bids for goods and works contracts.

13. Bid evaluations shall be confidential and bidders shall not be allowed to be present during evaluation. No information relating to the evaluation shall be disclosed to any bidder until the successful bidder has been notified of contract award.
14. Bids containing material deviations from technical specifications and/or material reservations to the terms or conditions of the bidding documents shall be rejected as “substantially not responsive”. Bidders shall not be requested or permitted to withdraw material deviations or reservations once bids have been opened.

15. Evaluations shall be made in strict adherence to the criteria specified in the bid documents and no other criteria than those specified in the bidding documents shall be applied. Contract shall be awarded to the lowest evaluated qualified and responsive bidder.

16. There shall be no negotiations of price or substance with “winning” bidders prior to contract award.

2. Each Participating Region shall provide, as cofinancing of Project expenditures, the necessary annual allocations from the consolidated budget of this region in an amount not less than 50% of the portion of the Loan intended for financing the corresponding Project activities in this region.

Special Account

1. For the purposes of this Schedule:

   (a) the term “eligible Categories” means Categories (1) through (5) set forth in the table in paragraph 1 of Schedule 1 to this Agreement;

   (b) the term “eligible expenditures” means expenditures in respect of the reasonable cost of goods, works and services required for the Project and to be financed out of the proceeds of the Loan allocated from time to time to the eligible Categories in accordance with the provisions of Schedule 1 to this Agreement; and

   (c) the term “Authorized Allocation” means an amount equivalent to US$8,000,000 to be withdrawn from the Loan Account and deposited into the Special Account pursuant to paragraph 3 (a) of this Schedule, provided, however, that unless the Bank shall otherwise agree, the Authorized Allocation shall be limited to an amount equivalent to US$2,000,000 until the aggregate amount of withdrawals from the Loan plus the total amount of all outstanding special commitments entered into by the Bank pursuant to Section 5.02 of the General Conditions shall be equal to or exceed the equivalent of US$6,000,000.

2. Payments out of the respective Special Account shall be made exclusively for eligible expenditures in accordance with the provisions of this Schedule.

3. After the Bank has received evidence satisfactory to it that the respective Special Account has been duly opened, withdrawals of the Authorized Allocation and subsequent withdrawals to replenish the respective Special Account shall be made as follows:

   (a) For withdrawals of the Authorized Allocation, the Borrower shall furnish to the Bank a request or requests for deposit into the respective Special Account of an amount or amounts which do not exceed the aggregate amount of the Authorized Allocation. On the basis of such request or requests, the Bank shall, on behalf of the Borrower, withdraw from the Loan Account and deposit into the respective Special Account such amount or amounts as the Borrower shall have requested.

   (b) (i) For replenishment of the respective Special Account, the Borrower shall furnish to the Bank requests for deposits into the
respective Special Account at such intervals as the Bank shall specify.

(ii) Prior to or at the time of each such request, the Borrower shall furnish to the Bank the documents and other evidence required pursuant to paragraph 4 of this Schedule for the payment or payments in respect of which replenishment is requested. On the basis of each such request, the Bank shall, on behalf of the Borrower, withdraw from the Loan Account and deposit into the Special Account such amount as the Borrower shall have requested and as shall have been shown by said documents and other evidence to have been paid out of the Special Account for eligible expenditures. All such deposits shall be withdrawn by the Bank from the Loan Account under the respective eligible Categories, and in the respective equivalent amounts, as shall have been justified by said documents and other evidence.

4. For each payment made by the Borrower out of the Special Account, the Borrower shall, at such time as the Bank shall reasonably request, furnish to the Bank such documents and other evidence showing that such payment was made exclusively for eligible expenditures.

5. Notwithstanding the provisions of paragraph 3 of this Schedule, the Bank shall not be required to make further deposits into the Special Account:

(a) if, at any time, the Bank shall have determined that all further withdrawals should be made by the Borrower directly from the Loan Account in accordance with the provisions of Article V of the General Conditions and paragraph (a) of Section 2.02 of this Agreement;

(b) if the Borrower shall have failed to furnish to the Bank, within the period of time specified in Section 4.01 (b) (ii) of this Agreement, any of the audit reports required to be furnished to the Bank pursuant to said Section in respect of the audit of the records and accounts for the Special Account;

(c) if, at any time, the Bank shall have notified the Borrower of its intention to suspend in whole or in part the right of the Borrower to make withdrawals from the Loan Account pursuant to the provisions of Section 6.02 of the General Conditions; or

(d) once the total unwithdrawn amount of the Loan allocated to the eligible Categories, minus the total amount of all outstanding special commitments entered into
by the Bank pursuant to Section 5.02 of the General Conditions with respect to the Project, shall equal the equivalent of twice the amount of the Authorized Allocation.

Thereafter, withdrawal from the Loan Account of the remaining unwithdrawn amount of the Loan allocated to the eligible Categories shall follow such procedures as the Bank shall specify by notice to the Borrower. Such further withdrawals shall be made only after and to the extent that the Bank shall have been satisfied that all such amounts remaining on deposit in the Special Account as of the date of such notice will be utilized in making payments for eligible expenditures.

6. (a) If the Bank shall have determined at any time that any payment out of the Special Account: (i) was made for an expenditure or in an amount not eligible pursuant to paragraph 2 of this Schedule; or (ii) was not justified by the evidence furnished to the Bank, the Borrower shall, promptly upon notice from the Bank: (A) provide such additional evidence as the Bank may request; or (B) deposit into the Special Account (or, if the Bank shall so request, refund to the Bank) an amount equal to the amount of such payment or the portion thereof not so eligible or justified. Unless the Bank shall otherwise agree, no further deposit by the Bank into the Special Account shall be made until the Borrower has provided such evidence or made such deposit or refund, as the case may be.

(b) If the Bank shall have determined at any time that any amount outstanding in the Special Account will not be required to cover further payments for eligible expenditures, the Borrower shall, promptly upon notice from the Bank, refund to the Bank such outstanding amount.

(c) The Borrower may, upon notice to the Bank, refund to the Bank all or any portion of the funds on deposit in the Special Account.

(d) Refunds to the Bank made pursuant to paragraphs 6 (a), (b) and (c) of this Schedule shall be credited to the Loan Account for subsequent withdrawal or for cancellation in accordance with the relevant provisions of this Agreement, including the General Conditions.
