SCHEDULE 1

Project Description

The objective of the Project is to increase the competitiveness of selected agricultural sub-sectors that target national, sub-regional and international markets, thereby contributing to shared agricultural growth on the Recipient’s territory.

The Project consists of the following parts:

Part 1: Improvement of agro-sylvo pastoral supply chains performance, through:

1.1 capacity building for professional organizations and agricultural trade associations, including through: (i) diagnostics in order to identify constraints that limit performance and profitability; (ii) the elaboration of strategic development plans and annual operation plans; (iii) the set up of monitoring and evaluation systems; and (iv) the development of new tools for the management and financing of specific supply chains; and

1.2 supply chain development, through investments for the implementation of their annual operation plans, including by providing matching grants.

Part 2: Development of infrastructures, including in partnership with the private sector, through rehabilitation or construction works, in the following areas:

2.1 Irrigation; and

2.2 Marketing.

Part 3: Strengthen the business environment, through:

3.1 Improvement of regulatory, legal and financial framework, including supporting the policy dialogue among the stakeholders;

3.2 Support to capacity building for public and private service providers; and

3.3 Strengthening Project management, coordination, monitoring and evaluation, through supporting the establishment and operation of the Project Coordination Unit.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

1. Project Coordination and Management. The Recipient shall maintain the following structure within the Recipient’s Ministry of Agriculture, Water resources and Fisheries (Ministère de l’Agriculture, de l’Hydraulique et des Ressources Halieutiques) (the “MAWRF”) with functions as set forth in paragraphs (a) and (b), at all times during the implementation of the Project:

(a) The Recipient shall establish a Steering Committee, to be responsible for the overall orientation and oversight of the implementation of the Project, and Regional Steering Committees, to ensure the participation of private stakeholders and local authorities in the implementation of the Project, each with composition and terms of reference acceptable to the Association.

(b) The Recipient shall establish a Project Coordination Unit with composition and terms of reference acceptable to the Association, to be responsible for the implementation, coordination, monitoring and evaluation of the Project.

2. Project Manuals.

The Recipient shall carry out the Project in accordance with the provisions of the Project Implementation Manual and the Project Manual of Administrative, Accounting and Financial Procedures, and shall not, unless the Association shall otherwise agree, amend or waive any provision thereof which in the opinion of the Association may adversely and materially affect the implementation of the Project.

3. Environmental and Social Safeguards.

(a) The Recipient shall implement the Project in accordance with the guidelines, procedures, timetables and other specifications set forth in the Environment and Social Management Plan, the Pest Management Plan and the Resettlement Policy Framework.

(b) Except as the Association shall agree in writing, the Recipient shall not abrogate, amend, repeal, suspend, waive or otherwise fail to enforce the Environment and Social Management Plan, the Pest management Plan and the Resettlement Policy Framework which in the opinion of the
Association, may adversely and materially affect the implementation of the Project.

4. **Matching Grants for Subprojects.**

   The Recipient shall establish Regional Micro-Project Selection Committees, with composition and terms of reference satisfactory to the Association, to be responsible for the approval of Subprojects to be financed under the Project in accordance with guidelines, procedures and eligibility criteria acceptable to the Association and set forth in the Project Implementation Manual.

**Section II. Project Monitoring, Reporting, Evaluation**

A. **Project Reports.**

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

   (b) The performance and progress indicators include the following, as shall be further described (*inter alia*, with base line and target values) and completed in the Project Implementation Manual:

   (i) Increase in the Recipient’s agricultural exports in the Targeted Supply Chains (excluding cotton) on international and sub-regional markets; and

   (ii) Increase in income from Targeted Supply Chains for producers who benefited from the Project.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than September 30, 2013.

B. **Financial Management, Financial Reports and Audits.**

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.
