SCHEDULE 1

Project Description

The objective of the Project is to increase access to piped water supply services in the Project Area in Monrovia and improve the operational efficiency of LWSC.

The Project consists of the following parts:

**Part 1: Infrastructure Improvements**

A. Rehabilitation and improvement of the existing water distribution network in the Targeted Network Areas and acquisition and installation of bulk meters across the network.

B. Extension of the transmission and distribution network in the Targeted Network Areas, including through extended transmission lines, new water kiosks and standpipes.

**Part 2: Capacity Building to the LWSC**

Support for strengthening the Project Implementing Entity’s capacity to sustain and expand its services including through the following activities:

A. Establishment of district metered areas, staff training in non-revenue water monitoring, introduction of leak detection methods, device assisted meter reading and associated staff training, all to reduce non-revenue water losses and improve cost recovery.

B. Reviewing, retaining and re-equipping LWSC connection teams, development of a rate-payment scheme for poorer households to finance connection fees, opening additional customer service centers, and establishing a grievance redress system in LWSC to track complaints and complaints resolution, all for improved customer service in LWSC.

C. Carrying out of public consultations, events and media placement to inform residents of the Project Area about the Project and LWSC in general, provide them with a venue to raise questions and concerns with LWSC management and stakeholders, and carrying out of consultations with women groups in the Project Area regarding standpipe design and placement.

D. Procurement of key operational equipment required for the Project, such as vehicles, excavators, IT equipment, digging tools, leak detection and repair equipment, spare parts and spare customer meters.
E. Support to the Project Implementing Entity for Project management and implementation, including, but not limited to, financing of audits, consultants services, monitoring and evaluation, Training and Operating Costs.
SCHEDULE 2
Project Execution

Section I. Institutional and Other Arrangements

A. Implementation Arrangements

1. The Recipient shall take all necessary measures on its part to ensure that the Project Implementing Entity carries out the Project in a manner satisfactory to the Association and in compliance with the PIM and the Safeguards Instruments.

2. The Recipient shall establish, by no later than February 29, 2016, and thereafter maintain throughout Project Implementation, a Steering Committee in a form and with functions, membership and responsibilities satisfactory to the Association; such Steering Committee shall be responsible for overall strategic guidance, general oversight, coordination of the Project (including the coordination of Project activities with the Recipient’s overall water service improvement programs), and ascertaining and monitoring Project results (including stakeholder satisfaction).

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement ("Subsidiary Agreement") between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association.

2. The Recipient shall exercise its rights and carry out its obligations under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

1. The Recipient shall take all necessary measures on its part to ensure that the Project Implementation Entity implements the Project in accordance with the provisions of Section I.D of the Schedule to the Project Agreement.
2. In case of any activity under the Project requiring the adoption of a RAP pursuant to the RPF, the Recipient shall:

   (a) ensure that the Project Implementing Entity shall prepare the respective RAP and disclose it in accordance with the RPF and shall thereafter implement such RAP in accordance with its terms; and

   (b) in the case of any resettlement activity under the Project involving Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before necessary resettlement measures consistent with the RAP are in place, including, in the case of displacement, full payment to Affected Persons of compensation and of other assistance required for relocation, prior to displacement.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall cause the Project Implementing Entity to monitor and evaluate the progress of the Project and to prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.
