   (b) payments made for expenditures for goods, works, and services under a contract which any national or international financing institution or agency, other than the Association, shall have financed or agreed to finance under any other credit or grant; and

   (c) in respect of Category 1 (b) set forth in the table in paragraph 1 of Part A of this schedule, unless the Borrower has submitted evidence satisfactory to the Association (annual MTEF reports) which clearly indicates the Association’s annual contribution to the Program for FY07/08 and subsequent FYs until the Project is completed.

4. The Association may require withdrawals from the Credit Account to be made on the basis of statements of expenditure for expenditures under contracts for: (a) goods costing less than $200,000 equivalent per contract; (b) works costing less than $200,000 equivalent per contract; (c) for services of individual consultants costing less than $50,000 equivalent per contract; (d) for services of consulting firms under contracts costing less than $100,000 equivalent per contract; and (e) operating costs and training, all under such terms and conditions as the Association shall specify by notice to the Borrower.

In the
case of the first such request submitted to the Association before any withdrawal has been made from the Credit Account, the Borrower shall submit to the Association only a statement with the projected sources and applications of funds for the Project for the six-month period following the date of such request.

B. Special Account

1. The Borrower may open and maintain in Dollars a special deposit account in the Borrower’s Central Bank on terms and conditions satisfactory to the Association.

   (a) if the Association, at any time, is not satisfied that the reports referred to in Part A.5 of this Schedule 1 adequately provide the information required for Report-based Disbursements;

   (b) if the Association determines at any time that all further withdrawals for payment of Eligible Expenditures should be made by the Borrower directly from the Credit Account; or

The Association shall not be required to make further deposits into the Special Account in accordance with the provisions of Part B.2 of this Schedule if, at any time, the Association shall have notified the Borrower of its intention to suspend in whole or in part the right of the Borrower to make withdrawals from the Credit Account pursuant to Section 6.02 of the General Conditions. Upon such notification, the Association shall determine, in its sole discretion, whether further deposits into the Special Account may be made and what procedures should be followed for making such deposits, and shall notify the Borrower of its determination.

6. (a) If the Association determines at any time that any payment out of the Special Account was made for an expenditure which is not an Eligible Expenditure, or was not justified by the evidence furnished to the Association, the Borrower shall, promptly upon notice from the Association, provide such additional evidence as the Association may request, or deposit into the Special Account (or, if the Association shall so request, refund to the Association) an amount equal to the amount of such payment. Unless the Association shall otherwise agree, no further deposit by the Association into the Special Account shall be made until the Borrower has provided such evidence or made such deposit or refund, as the case may be.
