2. Each request for withdrawal from the Financing Account shall be made on the basis of the reports referred to in Part A.4 of this Schedule, such reports to include the FMR and other information as the Association shall specify by notice to the Borrower; provided, however, that in the case of the first request for withdrawal submitted to the Association, before any withdrawal has been made from the Financing Account, the Borrower shall submit to the Association only a statement with the projected sources and applications of funds for the Project for the two (2) trimester period of the fiscal year.
