SCHEDULE I

Project Description

The objective of the Project is to enable selected poor households to enhance agricultural incomes and increase access to human development services and social entitlements.

The Project consists of the following parts:

Component 1: Value Chain Development

1. **Rural Value Chains**: (a) Facilitating the establishment/set-up of producer groups and Producer Organizations to serve as platforms for the provision of technical assistance and access to markets to small and marginal farmers; (b) establishing farmer field schools for disseminating new agricultural practices/techniques, setting up demonstration plots, and developing a cadre of community extension workers; (c) coordinating Producer Organizations to establish seed villages, community nurseries, livestock development centers and production/trading enterprises for bio-fertilizers and bio-pesticides, to ensure supply of good quality seed, planting materials, and breed improvement and para-vet services to the poorest producers; (d) creating small scale productive infrastructure and provision of equipment for improved labor productivity and local value addition; (e) building linkages between Producer Organization and the financial sectors; and (f) carrying out investor forums, value chain workshops, and other promotional activities to build backward and forward linkages between Producer Organizations and private sector agribusiness companies.

2. **Rural Retail Chains**: (a) Transforming traditional rural retail stores into a network of rural retail outlets, under a common brand, providing affordable and good quality products; (b) promoting clusters of home-based enterprises with particular emphasis on processing and value addition of agriculture produce, and manufacturing of nutrition and personal hygiene products; (c) providing training to retail outlets and home-based enterprises on entrepreneurship, business development and retail management; (d) facilitating the association of retail outlets to benefit from economies of scale; (e) expanding retail outlets' offer of nutritious food items and personal hygiene products; (f) developing and utilizing technology platforms to source aggregate and execute orders of home-based enterprises and rural retail outlets; and (g) providing technical assistance to home-based enterprises for product improvement and standardization, and the development of business models.
Component 2: Human Development

1. **Strengthening the Demand for Quality Nutrition, Health, Sanitation and Pre-School Education Services:**
   (a) Providing technical and financial support to Village Level Convergence Committees and Village Organizations for preparing and implementing Village Human Development Plans; (b) designing and implementing a behavioral and social change communication campaign to sensitize village communities on critical health, nutrition and sanitation issues, including the carrying out of home visits and counselling sessions; and (c) developing and testing community score cards and feedback/monitoring tools, to create awareness and generate demand for quality nutrition, health, water and sanitation, and education services.

2. **Strengthening the Supply of Key Nutrition, Health and Pre-School Education Services:**
   (a) Strengthening the training architecture of the Department of Women Development, Child Welfare and Disabled Welfare, Department of Panchayat Raj and Rural Development and Department of Health, Medical and Family Welfare for community mobilization, early childhood education, and personal health and growth monitoring/promotion; and (b) developing an integrated management information system including indicators on health, nutrition, sanitation and education to facilitate the monitoring of human development of vulnerable groups.

3. **Linkage with Value Chains:**
   (a) Ensuring that nutrient-rich snacks are available to the community through nutri-shops in Project-targeted Mandalas; and (b) encouraging farmers to grow and consume diversified foods crops through counseling and training.

Component 3: Digital Local Government

1. **Improved Delivery of Service and Entitlement at the Gram Panchayat Level:**
   (a) Establishing one-stop shop ("OSS") services points to improve access to selected services and social protection entitlements for all households, with emphasis on members of scheduled castes and/or scheduled tribes and the most vulnerable communities; (b) enabling PRI offices to facilitate convergence of local services, through the development of software solutions and integration of IT systems for the delivery of services offered in the OSS service points; (c) establishing an entitlement cell at state level for coordination of key stakeholders in "last mile" service provision, including a dedicated call center for accountability and the handling of grievances for services offered at the OSS service points; and (d) providing training to community institutions, community professionals, civil servants and Project staff in service facilitation and counseling.

2. **Pilots on Improved Access to Specialized Services on Gender and Persons with Disabilities:** Improving access to gender-related services or specialized services
for persons with disabilities on a pilot basis, through: (a) enhancing disability assessment and certification to cover the entire population in pilot villages; (b) expanding the coverage of therapy services; (c) creating a cadre of professionals for the detection, treatment, and provision of support to persons with disabilities; (d) setting up a grievance redress mechanism, including counseling services for gender-related and/or disability issues; (e) strengthening the institutional capacity of Social Action Committees; and (f) identification of female-headed vulnerable families to ensure their access to social entitlements.

Component 4: ICT, Technical Assistance and Partnerships

1. Information and Communication Technologies: (a) Promoting extensive use of IT devices and enabling software solutions for the improvement of last steps in service delivery including providing an IT architecture for the OSS under Component 3; (b) developing applications and dedicated portals for the capturing of data for management information systems, as well as the dissemination of knowledge and/or market information, and execution of business transactions; (c) developing a data warehouse and open data systems by reengineering and integrating existing software applications and enhancing their analytical capabilities; (d) providing business intelligence services and data analytics support through dashboards, scorecards, and other IT solutions; (e) designing new applications/modules to support Producer Organization’s activities planning, productivity enhancement, provision of crop, weather, and marketing information, and improvement of procurement efficiency; and (f) designing new applications/modules to support Producer Organization’s activities planning, productivity enhancement, provision of crop, weather, and marketing information, and improvement of procurement efficiency; and (f) developing and implementing portals/websites for market information, e-trading, commodity exchange, and business knowledge dissemination.

2. Partnerships: (a) Coordinating solutions and innovations marketplaces for identifying high impact innovations and developing productive alliances between small and marginal producers and the enterprise sector for technical service provision and market linkages; and (b) encouraging public-private-community partnerships to increase the integration of the poor in remunerative value chains.

3. Technical Assistance to Line Departments: Improving the institutional capacity of Line Departments for Project implementation and monitoring, including: (a) strengthening human resources and providing training thereto for the improvement of service delivery; (b) enhancing the management information systems and data analysis capabilities through the creation of analytic cells; and (c) undertaking periodic tracking of quality in service delivery and gathering feedback from service users/beneficiaries.

4. Center of Excellence and Knowledge Management: Establishing a center for excellence and knowledge management to share the Project’s lessons with other States, including: (a) holding knowledge events; (b) training staff/community professionals; (c) developing knowledge management, learning systems and best
practice sites; and (d) facilitating the secondment of staff for Project related activities.

Component 5: Project Implementation Support

Strengthening the institutional capacity of T-SERP and the Line Departments for the implementation of Project activities, including compliance with financial management, safeguard, procurement, monitoring and evaluation, and reporting requirements under the Project.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. On-lending

1. To facilitate the Project Implementing Entities’ carrying out of the Project, the Recipient shall make part of the proceeds of the Financing available to the Project Implementing Entity in accordance with the Recipient’s standard arrangements for development assistance to the States of India.

2. Notwithstanding paragraph 1 above, in the event that any provision of this Agreement, including the instructions that the Association shall have specified by notice to the Recipient pursuant to Section IV.A.1 of this Schedule, were to be found inconsistent with the Recipient’s standard arrangements for development assistance to the States of India, the provisions of this Agreement and related instructions shall govern.

3. The Recipient shall at all times protect its own interests and the interests of the Association to accomplish the purposes of the Financing.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare, or cause the Project Implementing Entity through T-SERP to prepare, Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.
2. Without limitation on the provisions of Part A of this Section, the Recipient shall cause the Project Implementing Entity through T-SERP to prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have, and cause the Project Implementing Entity through T-SERP to have, the Project’s Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Project’s Financial Statements shall cover the period of one fiscal year of the Recipient, the Project Implementing Entity and T-SERP, commencing with the fiscal year in which the first withdrawal was made under the Credit. The audited Financial Statements for each such period shall be furnished to the Association not later than nine (9) months after the end of such period.

52. “VHDP Grants” means each grant provided by T-SERP to a Village Organization pursuant to a Sub-financing Agreement, in the amounts and under terms and conditions established in the Community Operations Manual (including the terms and conditions set forth in Section I.D.2 of the Schedule to the Project Agreement), in order for the grantee to implement a Village Human Development Plan.

53. “Village Human Development Plan” and the acronym “VHDP” mean the plan of activities developed and implemented by Village Level Convergence Committees and Village Organization under Sub-Component 2.1(a) of the Project, including, inter alia, information campaigns by nutrition counselors, the provision of toilets to poor households, the promotion of improved nutrition, health, hygiene and
sanitation practices, the construction and/or rehabilitation of water and sanitation facilities in schools and health facilities, etc.

54. "Village Level Convergence Committee" means a village level committee established pursuant to paragraph 13(4) of Government Order Ms. No. 249, HM&FW(D2), dated September 24, 2012, and comprised of representatives from the Gram Panchayat, the Line Departments and Village Organizations.

55. "Village Organization" means a self-managed organization of common interest groups and/or self-help groups at habitations/village level with legal personality and standing pursuant to the laws of the Project Implementing Entity.

Section II. Modifications to the General Conditions

The General Conditions are hereby modified as follows:

1. The last sentence of Section 3.01 (b) is modified to read as follows:

"The Commitment Charge shall be computed using a day-count convention reasonably determined by the Association".

2. Section 3.02 is modified to read as follows:

"Section 3.02. Interest Charge

The Recipient shall pay the Association interest on the Withdrawn Credit Balance at the rate specified in the Financing Agreement. Interest shall accrue from the respective dates on which amounts of the Credit are withdrawn and shall be payable semi-annually in arrears on each Payment Date. Interest Charges shall be computed using a day count convention reasonably determined by the Association."

3. Section 3.03 is modified by deleting paragraph (b) in its entirety and amending the remaining provision to read as follows:

"Section 3.03. Repayment of the Credit

The Recipient shall repay the Withdrawn Credit Balance to the Association in installments as provided in the Financing Agreement."

4. Section 3.04 is modified to read as follows:

"Section 3.04. Prepayment

(a) After giving not less than forty-five days’ notice to the Association, the
Recipient may repay the Association in advance of maturity, as of a date acceptable to the Association, all or any part of the principal amount of one or more maturities of the Credit specified by the Recipient, provided the Recipient has made payments due on the Credit as at such date, including any prepayment premium calculated pursuant to paragraph (b) of this Section.

(b) The prepayment premium payable under paragraph (a) of this Section shall be an amount reasonably determined by the Association to represent any gains or losses to the Association arising from the termination of any interest rate risk management transactions undertaken by the Association with respect to the Credit.”

5. A new Section 3.11 is added to read as follows:

“Section 3.11. Cancellation Premia on Payment Failure, Cancellation, Suspension, Acceleration or Refund of the Credit

The Recipient shall pay to, or be entitled to receive from, the Association a cancellation premium that the Association shall reasonably determine represents any losses or gains to the Association arising from the termination of any interest rate risk management transactions undertaken by the Association with respect to the Credit as a result of: (i) the Recipient’s failure to make payment (notwithstanding the fact that such payment may have been made by a third party) of principal, interest, service charges or any other amount due to the Association under this Agreement; (ii) any cancellation, suspension or acceleration of the Credit under Article VI of these General Conditions; or (iii) any refund of the Credit. The Recipient shall pay any cancellation premium due to the Association not later than sixty days after notice shall have been given by the Association.”

6. Paragraph 28 of the Appendix (“Financing Payment”) is modified by substituting the words “the Service Charge” with the words “the Interest Charge”.

7. The Appendix is modified by inserting a new paragraph 32 with the following definition of “Interest Charge”, and renumbering the remaining paragraphs accordingly:

“32. “Interest Charge” means the interest charge specified in the Financing Agreement for the purpose of Section 3.02.”

8. Renumbered paragraph 37 (originally paragraph 36) of the Appendix (“Payment Date”) is modified by substituting the words “Service Charges” with the words “Interest Charges”.
9. Renumbered paragraph 50 (originally paragraph 49) of the Appendix ("Service Charge") is deleted in its entirety.
