SCHEDULE 1

Project Description

The objective of the Project is to increase agricultural productivity on degraded lands in selected areas of Uttar Pradesh by: (a) reversing water-induced land degradation; (b) enhancing soil fertility; and (c) improving the provision of agricultural support services.

The Project consists of the following parts:

Part A: On-Farm Development and Land Treatment

Selection and reclamation of sodic lands (and a pilot on ravine reclamation), through *inter alia*: (a) mobilization of village communities; (b) detailed mapping and classification of sodic lands; (c) formation of water user groups (WUGs); (d) on-farm development through land-leveling, bunding, and linking field drains to link and main drains; (e) provision of shallow tube-wells to help in reclamation operations and provide irrigation; (f) application of chemical/organic amendments and plant nutrients to the soil; and (g) cultivation of rice-wheat-green manure crop.

Part B: Improvement of Drainage Systems

Improvement of drainage networks to remove/leach effluents, excess rain and irrigation water from reclaimed and adjoining areas, through *inter alia*: (a) rehabilitation of main drains; (b) maintenance of main drains; and (c) provision of drainage network related training to UPBSN and Irrigation Department staff.

Part C: Agriculture Support Services

Introduction of improved technology and better agronomic practices (including effective provision of key support services), through *inter alia*: (a) provision of training to farmers in effective land and water management practices; (b) dissemination of improved agricultural technology and production practices through on-farm demonstrations; (c) support for livestock production; (d) exposure visits, farmer fairs, animal health camps and other “means” for rural communication and outreach; and (e) provision of training to selected line department staff and other relevant providers of support services to farmers.
Part D: Institutional Strengthening and Capacity Building for Market Access

Provision of technical assistance, training and basic infrastructure (as necessary) to selected stakeholders and Project participants, including, *inter alia*: (a) mobilization and capacity building of community based institutions such as WUGs, self help groups (SHGs) and farmer service centers; (b) value chain analysis of selected commodities; (c) support to cluster level producer groups; (d) investment support for productive infrastructure; (e) improving rural market infrastructure; (f) exposure visits and buyer-seller meetings; and (g) organization of innovation forums.

Part E: Project Management

Monitoring of Project implementation progress and outputs/outcomes achieved and knowledge sharing/learning from Project experience, through, *inter alia*: (a) establishing state and district level Project units; (b) creating a project monitoring, evaluation, and learning system to regularly inform project staff and stakeholders of progress and processes; (c) implementation of an external monitoring and evaluation mechanism to track Project progress and confirm reporting from the Project system; (d) technical assistance to improve implementation and nurture innovations in that regard; (e) liaising with project partner organizations, support organizations, external professional agencies and the Association; and (f) documentation of Project experience and its dissemination to the wider development community.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Availability of Funds

To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Financing available to Uttar Pradesh in a timely manner satisfactory to the Association.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and shall cause Uttar Pradesh to prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than one (1) month after the end of the period covered by such report.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall cause Uttar Pradesh to prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have the Project’s Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) financial year of the Recipient, commencing with the financial year in which the first withdrawal under the Project was made. The audited Financial Statements for
each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement
