SCHEDULE 1

Project Description

The objective of the Project is to develop a national statistical system (“NSS”) that effectively and efficiently delivers reliable and timely statistics in accordance with international standards and best practices.

The Project consists of the following parts:

Part A: Institutional Development and Legal Reform

1. Carrying out a comprehensive organizational restructuring of the management and administration of NBS and Office of the Chief Government Statistician (OCGS), and of the financial management, human resource management, and communications systems of the Government ministries, departments and agencies (MDAs) and Local Government Authorities (LGAs) benefitting from the project.

2. Revision of existing legislation and promulgation of draft regulations enabling NBS to become an autonomous public office governed by an independent Executive Board of Directors.

Part B: Human Resource Capacity Development

1. Development and implementation of a human resources management strategy, including new job profiles and salary scales for NBS and OCGS, a new career structure and a performance management system that provides rewards and incentives for good performance, and provision of management skills training for professional staff and others with managerial responsibility, and budgeting and procurement skills training.

2. Development and implementation of a professional statistical training program for staff of NBS, OCGS, and MDAs and other relevant user and producers of official statistics to be implemented utilizing local universities and training centers.

Part C: Development of Statistical Infrastructure

Carrying out a program to improve and maintain the Recipient’s NSS by developing: (i) a central business register of establishments and business enterprises; (ii) a national master sampling frame for household-based censuses and sample surveys; (iii) a compendium of concepts, definitions, and
methodologies for application in statistical data collections and analysis; (iv) a spatial geographical information system (“GIS”) for providing maps for survey field work and for providing the basis for dissemination of geographically-disaggregated and referenced statistical data; and (v) a national classification of economic and social statistics.

Part D: Data Development and Dissemination

Improvement (macro and micro) of social and economic statistics within the NSS through carrying out a program to strengthen surveys and routine data collection, storage, processing, compilation, analysis, reporting, dissemination, utilization, archiving and communication within the NSS.

Part E: Physical Infrastructure and Equipment

Construction and equipping of new office buildings for NBS and OCGS with appropriate upgraded information technology and communications infrastructure, consisting primarily of computers and networking equipment, training rooms and library facilities, and provision of appropriate vehicles and other equipment needed to collect, process and disseminate statistical data in NBS, OCGS, MDAs and LGAs.

Part F: Project Management

Carrying out Project management, monitoring and evaluation activities, including provision of consultancies for technical assistance in strategic management, NSS coordination, including a procurement specialist, financial management specialist, monitoring and evaluation specialist and information technology specialist.
SCHEDULE 2

Project Execution

Section I. Institutional and Implementation Arrangements

A. Institutional Arrangements

The Recipient shall:

1. designate the NBS with the responsibility for overall Project implementation, and ensure that NBS is maintained at all times during the implementation of the Project with mandate, staffing and resources satisfactory to the Association for the purpose of ensuring the prompt and efficient overall coordination, monitoring, reporting, evaluation and communication of Project activities;

2. no later than December 31, 2011, establish and thereafter maintain throughout the period of implementation of the Project, four (4) sector statistics working groups (“SSWGs”), [one for each of the following sectors: (i) macro economic statistics; (ii) socio-demographic statistics; and (iii) enterprise and business statistics and (iv) crime and justice statistics], comprised of representatives of the statistics units of selected MDAs and their sectoral counterparts in NBS, each such group with mandate, staffing and resources satisfactory to the Association for the purpose of ensuring for the sector concerned, the prompt and efficient development of a work plan, training plan, procurement plan and sectoral output for the Project for the coming year, and to execute such plans in coordination with the TSMP coordination team (TCT);

3. maintain within NBS throughout the period of Project implementation, a TCT with adequate resources and staffing, including a TCT coordinator, a liaison officer, an experienced statistics management expert, a financial management specialist, an information technology (“IT”) specialist and a procurement specialist, all with terms of reference, qualifications and experience acceptable to the Association, to be responsible for the day to day management of the Project including reporting and auditing, procurement and compliance with the financial management policies and procedures;

4. maintain throughout the period of Project implementation, a joint government/DPs steering committee for the Project with representatives from DPs, and key ministries and agencies of the Recipient, to be responsible for: (i) reviewing work plans and budgets of NBS and OCGS and the various MDAs and LGAs; (ii) discussing sector priorities; (iii) reviewing reports and assessments of performance; and (iv) reviewing quarterly financial reports and annual audit reports;
5. no later than December 31, 2011, appoint an independent auditor under terms of reference and with qualifications and experience satisfactory to the Association in accordance with Section III of this Schedule for purposes of carrying out the audits required pursuant to Section II.C of this Schedule; and

6. establish and thereafter maintain throughout the period of Project implementation until the establishment of the Executive Board of Directors, an interim national statistics steering committee (“INSSC”) comprising representatives from the MDAs and LGAs and with mandate and resources acceptable to the Association, to be responsible for providing policy direction on matters relating to Project implementation, endorsing work programs, procurement plans, budgets and promoting interagency coordination, collaboration, cooperation and supporting and facilitating external evaluation in relation to the Project.

B. Implementation Arrangements

1. Operation Manual

   (a) The Recipient shall: (i) develop under terms of reference satisfactory to the Association, and furnish to the Association for its approval an operations manual for the implementation of the Project, said manual to cover monitoring and evaluation, coordination, financial management (including financial, administrative and accounting procedures, procurement, internal controls and audits), and other matters related to the institutional organization and management of the Project; and (ii) thereafter adopt such manual as shall have been approved by the Association (“Operation Manual”) and carry out the Project implementation in accordance with the Operation Manual.

   (b) Except as the Association shall otherwise agree, the Recipient shall not amend, abrogate or waive the Operation Manual, or any provision thereof. In case of any conflict between the provisions of this Agreement and those of the Operation Manual, the provisions of this Agreement shall prevail.

2. Annual Work Plan and Budget

   (a) The Recipient shall, through NBS, prepare and furnish to Association, not later than April 30 of each Fiscal Year during the implementation of the Project, a proposed annual work plan, procurement plan, training plan, and budget containing all activities proposed to be carried out under the Project in the following Fiscal Year and a budget and financing plan therefor.
(b) The Recipient shall exchange views with the Association on each such proposed annual work plan and budget, and shall thereafter adopt, and carry out such activities under the Project during such following Fiscal Year and in accordance with such budget and financing plan, all as shall have been agreed with the Association (“Annual Work Plan procurement plan, training plan, and Budget”), and as such agreement, including the amount of Eligible Expenditures and percentage of such expenditures for such activities which may be financed out of the proceeds of the Financing, shall be notified to the Recipient by the Association in writing (“Annual Confirmation”).

(c) The Recipient shall, not later than July 1 of each Fiscal Year, furnish to the Association evidence satisfactory to it that the funds required of the Recipient pursuant to the Annual Work Plan, procurement plan, training plan, and Budget for such Fiscal Year, have been allocated to the Project.

3. Real Time Access to Recipient’s Project Account(s)

(1) Within one month of Effectiveness, the Recipient shall ensure that the Association shall at all times have read-only access to the Recipient’s central bank’s real-time statement of the Project account(s).

(2) The Recipient shall furnish a statement of the Project account(s) to the Association by electronic means no later than the first working day of every month.

4. Part E of the Project

The Recipient shall ensure that no civil works construction activities under Part E of the Project shall commence unless and until (a) (i) the Recipient shall have prepared a draft statistics bill for the establishment of NBS as an autonomous entity headed by an Executive Board of Directors with mandate and composition satisfactory to the Association, adequate to ensure NBS’ professional independence, integrity and accountability; and (ii) the Recipient’s cabinet shall have approved such draft statistics bill for presentation to the Recipient’s parliament for enactment; and (b) the Association shall have notified the Recipient that such activities may commence.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.
E. Environmental and Social Safeguards

1. The Recipient shall carry out the Project in accordance with the Environmental Impact Assessments (“EIA”) and the Environmental Management Plans (“EMPs”).

2. The Recipient shall not amend, or permit to be amended, the EMPs, or any provisions thereof, without the prior written agreement of the Association, which amendment shall be subject to the same consultation and disclosure requirements of the Association as the original EMP concerned.

3. The Recipient shall ensure that: (i) all measures for carrying out the EIAs and EMPs are taken in a timely manner; and (ii) the Project Reports referred to in Section II.A of this Schedule shall include adequate information on the progress in carrying out the measures required pursuant to the EIAs and EMPs.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association and included in the Operation Manual. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

B. Mid-Term Review

Without limitation on the provisions of Part A of this Section II, the Recipient shall:

1. within thirty (30) months following the Effective Date, carry out jointly with the Association, a mid-term review ("Mid-Term Review") of the progress made in carrying out the Project implementation process, under terms of reference acceptable to the Association;

2. at the Mid-Term Review assess, inter alia: (i) the overall progress made during the implementation of the Project; and (ii) the results of the monitoring and evaluation activities carried out in connection with the Project; and

3. no later than thirty (30) days after the receipt of the Mid-Term Review mission’s report, ensure the commencement of the implementing the recommendations of the Mid-Term Review as agreed with the Association.
C. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty five days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one Fiscal Year. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Services other than Consultants’ Services. All goods and works and services other than consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods and Works, and Services other than Consultants’ Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods, works and services (other than consultants’ services) shall be procured under contracts awarded on the basis of International Competitive Bidding.
2. **Other Methods of Procurement of Goods, Works and Services (other than Consultants’ Services).** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and services (other than Consultants’ services). The Procurement Plan shall specify the circumstances under which such methods may be used:
