INDEPENDENT AUDITOR’S REPORT

To
Project Director (DRIP) & Director (DSR)
Central Water Commission

Report on the Audit of the Project Financial Statements

Opinion

We have audited the accompanying special purpose financial statements viz. Annexure- A&B of Dam Rehabilitation and Improvement Project (the Project) financed by International Development Association (IDA)/International Bank for Reconstruction and Development (IBRD) under Loan IN-7943 & IDA No. 4787 IN and implemented by UJVN Limited. These financial statements comprise of the Statement of Sources and Uses of Funds; Statement of Expenses by Project Components/Sub-Components and Statement of reconciliation of claims, (collectively referred to as the “Project Financial Statements”).

In our opinion, the aforesaid special purpose Project Financial Statements give a true and fair view of the financial position of the Project as at March 31, 2019, in case a Statement of Financial Position is prepared and the expenditure of the Project for the year ended on March 31, 2019, in accordance with the financial reporting provisions of Section 5.09 of the General Conditions of the World Bank read with the Project Agreement dated 30.07.2015.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the implementing agency in accordance with the ICAI’s Code of Ethics for undertaking this assignment, and we have fulfilled our ethical responsibilities in accordance with ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The Project Financial Statements is prepared to assist the UJVN Limited to meet the financial reporting requirements of the Project Loan IN-7943 & IDA No. 4787 IN dated 30th July 2015 in respect of the preparation of the Project Financial Statements in a manner to reflect the operations, resources and expenditures related to the project. As a result, these special purpose financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.
Responsibilities of Management and those charged with Governance for the Project Financial Statements

The Management of the implementing agency is responsible for the preparation and fair presentation of the Project Financial Statements in accordance with the financial reporting framework, and for such internal control as management determines is necessary to enable the preparation of Project Financial Statements that are free from material misstatement, whether due to fraud or error.

The Management and those charged with governance are responsible for overseeing the implementing agency's financial reporting process.

Auditor's Responsibilities for the Audit of the Project Financial Statements

Our objectives are to obtain reasonable assurance about whether the Project Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards of Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standard of Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the Project Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- evaluate the overall presentation, structure and content of the Project Financial Statements, including the disclosures and whether these financial statements present the Project's operations and underlying transactions and events in a manner that achieves fair presentation in accordance with the financial reporting provisions.
- communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The implementing agency UJVN Limited has prepared a separate set of entity financial statements for the year ended March 31, 2019 on which M/S DMA & Associates have issued a separate auditor’s report to the Shareholders dated 26.08.2019 and expressed modified audit opinion.

Report on Other Legal and Regulatory Requirements

Further to our opinion on the Project Financial Statements we further report that:

a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
b) in our opinion, proper books of accounts have been kept by the implementing agency for Project purposes so far as appears from our examination of those books;
c) the Project Financial Statements dealt with by this report is in agreement with the books of accounts;
d) the Project funds were utilized for the purposes for which they were provided;
e) expenditures, including assets created under the Project, shown in the PFS are eligible for financing under the Project Financing Agreements;
f) Procurement has been carried out in line with the agreed procedures as detailed in the Operations Manual/Procurement Manual/Project Implementation Plan/Legal Agreements; and
g) the Project has an adequate internal financial control system (including IT controls) and such controls were operating effectively as at March 31, 2019 and the Project complies with the provisions on financial management contained in the Operations Manual/Project Implementation Plan/ Financial Management Manual, in all material aspects.
