Representations

In connection with the Project Agreement of even date between the International Bank for Reconstruction and Development (the Bank) and the Beirut Mount Lebanon Water Establishment (Project Implementing Entity) for the above-captioned Project, the Project Implementing Entity hereby undertakes and warrants to the Bank that:

1. The unaudited statements of expenditures and revenues for the period beginning January 1, 2006 and ending December 31, 2009, copies of which have been furnished to the Bank, correctly set forth the financial and operating condition of the Project Implementing Entity as of that date, and since that date there have been no material adverse changes in the financial and operating conditions of the Project Implementing Entity.

2. The Project Implementing Entity is not engaged in litigation as plaintiff or defendant, the outcome of which might materially and adversely affect its financial condition.

3. The Project Implementing Entity has no outstanding agreements or liabilities, contingent or otherwise (including taxes), that might materially and adversely affect its financial condition.

4. No debt of the Project Implementing Entity is secured by any mortgage, pledge, charge, priority, or other lien, and no contract or arrangement exists for the creation of any such mortgage, pledge, charge, priority, or other lien.

5. There are no existing defaults in the payment of principal of, or interest or other charges on, any of the debts of the Project Implementing Entity.

6. The Project Implementing Entity is not in violation of, and the execution and delivery of the Project Agreement and the compliance with all its terms thereof do not and will not result in any violation of, any provisions of any existing agreement, concession, license, or permit, or of
any statute, law, decree, regulation, or any other legal rule of a similar nature presently in effect and applicable to the Project Implementing Entity.

7. The Project Implementing Entity is a duly existing public authority established and operating pursuant to the Law No. 221 (2000) under the laws of the Lebanese Republic, with full authority to carry out its present business, to carry out the Project (as described in Schedule 1 to the Loan Agreement), and to execute and deliver the Project Agreement, and has furnished to the Bank true copies of its founding documents presently in effect and governing the Project Implementing Entity.

It is our mutual understanding that the preceding representations are material factors in the Bank’s decision to make the Loan. Should any adverse material change occur in the financial position of the Project Implementing Entity prior to our receipt of the notice of the Bank’s acceptance of the evidence required by Section 9.01 of the General Conditions, we shall promptly inform the Bank.

Very truly yours,
