Minister of Finance and Public Credit
Terms and Conditions of Use of Secure Identification Credentials
in connection with Use of Electronic Means
to Process Applications
and Supporting Documentation

March 1, 2013

The World Bank (Bank)\(^6\) will provide secure identification credentials (SIDC) to permit the
Borrower\(^7\) to deliver applications for withdrawal and applications for special commitments under
the Agreement(s) and supporting documentation (such applications and supporting
documentation together referred to in these Terms and Conditions of Use as Applications) to the
Bank electronically, on the terms and conditions of use specified herein.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token).
The Bank reserves the right to determine which type of SIDC is most appropriate.

A. Identification of Users.

1. The Borrower will be required to identify in a completed Authorized Signatory Letter
   (ASL) duly delivered to and received by the Bank each person who will be authorized to
deliver Applications. The Bank will provide SIDC to each person identified in the ASL
(Signatory), as provided below. The Borrower shall also immediately notify the Bank if
a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website
   (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on
   CC will require that the Signatory establish a CC password (CC Password). The
   Signatory shall not reveal his/her CC Password to anyone or store or record the CC
   Password in written or other form. Upon registration as a CC user, the Signatory will be
   assigned a unique identifying account name.

B. Initialization of SIDC.

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having
   read, understood and agreed to be bound by these Terms and Conditions of Use.

---

\(^{6}\) “Bank” includes IBRD and IDA.
\(^{7}\) “Borrower” includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the
recipient of a grant.
2. Where a Physical Token is to be used, promptly upon receipt of the Physical Token, the 
Signatory will access CC using his/her account name and CC Password and register 
his/her Physical Token and set a personal identification number (PIN) to be used in 
connection with the use of his/her Physical Token, after which the Physical Token will be 
initialized for use by the Signatory exclusively for purposes of delivering Applications. 
Where a Soft Token is to be used, the Signatory will access CC using his/her account name and CC Password and set a personal identification number (PIN) to be used in 
connection with the use of his/her Soft Token, after which the Soft Token will be 
initialized for use by the Signatory exclusively for purposes of delivering Applications. 
Upon initialization of the SIDC, the Signatory will be a “SIDC User”. The Bank will 
maintain in its database a user account (Account) for each SIDC User for purposes of 
managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will 
have any access to the Account.

3. Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC 
User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC.

1. Use of the SIDC is strictly limited to use in the delivery of Applications by the SIDC User in the manner prescribed by the Bank in the Agreement(s) and these Terms and Conditions. Any other use of the SIDC is prohibited.

2. The Bank assumes no responsibility or liability whatsoever for any misuse of the SIDC by the SIDC User, other representatives of the Borrower, or third parties.

3. The Borrower undertakes to ensure, and represents and warrants to the Bank (such representation and warranty being expressly relied upon by the Bank in granting SIDC) that each SIDC User understands and will abide by, these Terms and Conditions of Use, including without limitation the following:

4. Security

4.1. The SIDC User shall not reveal his/her PIN to anyone or store or record the PIN in 
written or other form.

4.2. The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an 
Application to the Bank.

4.3. The SIDC User shall always logout from CC when not using the system. Failure to 
logout properly can create a route into the system that is unprotected.

4.4. If the SIDC User believes a third party has learned his/her PIN or has lost his/her 
Physical Token he/she shall immediately notify clientconnection@worldbank.org.
4.5. The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take other reasonable steps to ensure such SIDC are disabled immediately.

5. **Reservation of Right to Disable SIDC**

5.1. The Borrower shall reserve the right to revoke the authorization of a SIDC User to use a SIDC for any reason.

5.2. The Bank reserves the right, in its sole discretion, to temporarily or permanently disable a SIDC, de-activate a SIDC User’s Account or both.

6. **Care of Physical Tokens**

6.1. Physical Tokens will remain the property of the Bank.

6.2. The Bank will physically deliver a Physical Token to each Signatory designated to receive one in a manner to be determined by and satisfactory to the Bank.

6.3. Physical Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Physical Token.

6.4. Without derogating from these Terms and Conditions of Use, other technical instructions on the proper use and care of Physical Tokens are available at http://www.rsa.com.

7. **Replacement**

7.1. Lost, damaged, compromised (in terms of 4.5, above) or destroyed Physical Tokens will be replaced at the expense of the Borrower.

7.2. The Bank reserves the right, in its sole discretion, not to replace any Physical Token in the case of misuse, or not to reactivate a SIDC User’s Account.
