<b>7a. Project Development Objectives/Outcomes</b>
<b>Original/Current Project Development Objectives/Outcomes</b>
<p>The objective of the Project is to assist the Recipient in establishing and institutionalizing an efficient and effective framework for formulating and implementing sustainable economic policies as well as in enhancing the capacity of public institutions responsible for the development and implementation of such policies to formulate and carry out the policies. [Objective as reflected in the Financing Agreement, which in substance is not different from the PAD but wordings are different.</p> <p>The most important project objectives are: a) contribute to government-wide coherent macro-economic policy development and decision making through establishing strong inter-ministerial coordination and interface; b) support process of economic policy development and implementation through enabling public institutions (and particularly the MEDT, through capacity building and restructuring) to formulate sound and analytically informed policy measure and proposals; and c) support reform of employment practices and wages in the civil service by building the capacity in a special task force in this area. [ These other main objectives are from the PAD but are not reflected in the legal agreement except item b. although broadly in line in substance ]</p>
