Financing Agreement

(Lake Victoria Environmental Management Project II)
(Phase I)

between

REPUBLIC OF KENYA

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated May 8, 2009
FINANCING AGREEMENT

AGREEMENT dated May 8, 2009, entered into between REPUBLIC OF KENYA ("Recipient") and INTERNATIONAL DEVELOPMENT ASSOCIATION ("Association").

WHEREAS (A) The Recipients, the Republic of Uganda ("Uganda") and The United Republic of Tanzania ("Tanzania") have, pursuant to the Protocol for the Sustainable Development of Lake Victoria Basin dated November 29, 2003, undertaken to co-operate in the joint and efficient management and sustainable utilization of natural resources within the Lake Victoria Basin;

(B) In order to assist in the carrying out of activities aimed at improving the collaborative management of the trans-boundary natural resources of the Lake Victoria Basin and reducing environmental stress in targeted pollution hotspots and selected degraded sub-catchments so as to improve livelihoods of the communities living in the Lake Victoria Basin:

(1) the Recipient has requested the Association to assist in the financing of the project described in Schedule 1 to this Agreement ("Project");

(2) Uganda and Tanzania have each requested the Association to assist in the financing of activities related to the Project that are designed to further the objectives of this Project and the Protocol (respectively, “Uganda Project” and “Tanzania Project”);

(3) the East African Community (“EAC”) has requested the International Bank for Reconstruction and Development (“Bank”): (A) acting as an implementing agency for the Global Environment Facility; and (B) acting as administrator of various funds made available by the Swedish International Development Agency (“SIDA”); to assist in the financing of activities related to the Project that are designed to further the objectives of this Project and the Protocol (“EAC Project”); and

WHEREAS the Association has agreed, on the basis, inter alia, of the foregoing, to extend the Credit to the Recipient upon the terms and conditions set forth in this Agreement

NOW THEREFORE the Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.
1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to nineteen million one hundred thousand Special Drawing Rights (SDR 19,100,000) (variously, “Credit” and “Financing”) to assist in financing the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The Payment Dates are May 15 and November 15 in each year.

2.06. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.

2.07. The Payment Currency is Dollars

ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project and the Program. To this end, the Recipient shall carry out the Project in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE ASSOCIATION

4.01. The Additional Events of Suspension consist of the following:

(a) The Protocol has been amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the ability of the: (i) EAC
to perform any of its obligations under the GEF Grant Agreement and the Swedish Grant Agreement; and/or (ii) LVB Countries to perform their obligations under their respective Financing Agreements.

(b) Any one of the Uganda Financing Agreement, the Tanzania Financing Agreement, the GEF Grant Agreement or the SIDA Grant Agreement has failed to become effective by September 30, 2010.

(c) The right of any one of: (i) Uganda to withdraw the proceeds of the financing under the Uganda Financing Agreement; (ii) Tanzania to withdraw the proceeds of the financing under the Tanzania Financing Agreement; or (iii) the EAC to withdraw the proceeds of the financing under the GEF Grant Agreement or the SIDA Grant Agreement, has been suspended, canceled or terminated in whole or in part, pursuant to the terms of the aforesaid agreement.

4.02. The Additional Event of Acceleration consists that the event specified in paragraph (b) of Section 4.01 of this Agreement occur.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consist of the following:

(a) The Recipient has established the National Policy Steering Committee, the National Project Coordination Team and the District Project Coordination Team in accordance with the provisions of Sections I.A.1(a), I.A.2 (b) and I.A.4 of Schedule 2 to this Agreement.

(b) The Recipient has designated or recruited, a national Project coordinator, an accountant and a procurement officer referred to in Section I.A.2(b) of Schedule 2 to this Agreement for the National Project Coordination Team.

5.02. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

SCHEDULE 1

Project Description

The objectives of the Project are to: (i) improve the collaborative management of the trans-boundary natural resources of the LVB for the shared benefits of the Partner States; and (ii) reduce environmental stress in targeted pollution hotspots and selected degraded sub-catchments to improve the livelihoods of communities, who depend on the natural resources of LVB.

The Project constitutes the first phase of the Program, and consists of the following parts:

Part 1. **Strengthening of Institutional Capacity for Managing Shared Water and Fisheries Resources**

(a) **Harmonization of policies and regulatory standards**

Carrying out a program to strengthen the Recipient’s capacity to develop and implement harmonized regulatory standards for water and fisheries resources, such program to consist of:

(i) facilitation of the review by the EAC under the EAC Project of the Recipient’s national policies and regulatory standards for water and fisheries resources;

(ii) implementation of recommendations made by the EAC under the EAC Project with a view to harmonizing the Recipient’s policies and regulatory standards for water and fisheries with those of the other LVB Countries;

(iii) development (in coordination with EAC, Tanzania and Uganda) and implementation of appropriate regulatory and policy frameworks for the natural resources and environmental management of the LVB; and

(iv) operationalization of the Fish Levy Trust Fund (“FLTF”); all through the provision of goods, consultants’ services, training and Incremental Operating Costs.

(b) **Ecosystem Monitoring and Applied Research**

Carrying out a program to strengthen the capacity of the Recipient to participate in the LVB ecosystem monitoring and applied research, such program to consist of:
(i) development (in coordination with the EAC, Tanzania and Uganda) of appropriate scientific and socio-economic data gathering protocols; ecosystem monitoring tools; and data sharing mechanisms for the LVB; and

(ii) carrying out priority research (in coordination with the EAC, Tanzania and Uganda) related to the management of water, fisheries and land resources with particular focus on transboundary and multi-disciplinary issues affecting the LVB; all through the provision of goods, works, consultants’ services, training and Incremental Operating Costs.

Part 2. **Point Source Pollution Control and Prevention**

(a) **Rehabilitation and Improvement of Wastewater Treatment**

Carrying out of a program to reduce point sources pollution from municipal wastewater and improve sanitation services, such program to consist of:

(i) rehabilitation of selected wastewater treatment facilities;

(ii) connection of primary treated effluent discharge networks to wetlands;

(iii) construction of sanitation facilities on selected areas along the shores; and

(iv) collection, treatment, and disposal of sludge in selected municipal areas; all through the provision of goods, works and consultants’ services.

(b) **Pollution Risk Management and Safety of Navigation:**

Establishment of a maritime safety administration unit.

(c) **Capacity Building**

Carrying out a program to build capacity in the environmental and DPCTs for: (i) promoting compliance; and (ii) enforcement of industrial effluent discharge standards developed under Part 1(a) of the Project.

Part 3. **Watershed Management**

(a) **Natural Resource Conservation and Livelihoods Improvement**

Provision of Subgrants to Beneficiaries for Subprojects designed to reduce watershed degradation in selected sub-catchments of the Nyando River and lake shores, such Subprojects to include interventions aimed at natural resource conservation and livelihoods improvement.
(b) Community Capacity Building and Participation

Carrying out a program to mobilize communities and develop their capacities to prepare and implement Subprojects, such program to consist of:

(i) development and provision of training to community members on the environmental and socio-economic impacts of LV’s watershed degradation and on participatory approaches in preparation, implementation, monitoring and evaluation of Subprojects;

(ii) development of synergies and linkages to other on-going sustainable land management initiatives within the LVB; and

(iv) development of mechanisms to resolve conflicts among communities on the utilization of shared or common resources; all through the provision of goods, consultants’ services, Training and Incremental Operating Costs.

Part 4. Project Coordination and Management

(a) Project Coordination and Communication

Carrying out a program to strengthen the capacities of NPSC, NPCT, and NTAC in Project management and coordination, such program to consist of:

(i) development and operationalization of an internal communication system and protocol for sharing information among the implementing agencies of the LVB Countries;

(ii) refurbishment of office space for the NPCT; and

(iii) development and implementation of a communication strategy relating to the sustainable use of LVB resources; all through the provision of goods, works, consultants’ services and Incremental Operating Costs.

(b) Monitoring and Evaluation

Strengthening the monitoring and evaluation capacities of the implementing agencies at the national and district level through:

(i) establishment of a geographical information system-based monitoring and evaluation and management information system linked to the regional hub at LVBC; and

(ii) collection, analysis, storage, and dissemination of data and information on the Project’s performance, outcomes and impact; all through the provision of goods, consultants’ services and Incremental Operating Costs.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. National Policy Steering Committee

   (a) The Recipient shall at all times during Project implementation, maintain the NPSC, with composition, mandate and resources satisfactory to the Association and with responsibility for: (i) providing national level Project operational policy guidance; (ii) approving national Project investments; (iii) reviewing and approving annual work plans and budgets; and (iv) resolving obstacles to Project implementation. Without limitation to the foregoing, the NPSC shall be headed by the permanent secretary of the MEMR, and its composition shall include permanent secretaries of the Line Ministries.

   (b) The Recipient shall establish and maintain throughout Project implementation, the NTAC with composition, terms of reference and resources satisfactory to the Association, to be responsible for providing technical advice to the NPSC and NPCT relating to the Project. Without limitation to the foregoing, the NTAC shall comprise of not more than 15 members, including representatives of the Line Ministries, local government, universities and research institutions, the private sector and non-governmental organizations, all with qualifications and experience satisfactory to the Association.

2. Ministry of Environment and Mineral Resources

   (a) The MEMR shall be responsible for overseeing the overall implementation, monitoring and evaluation of the Project, and providing operational linkage, through its national focal point officer, with the EAC.

   (b) The Recipient shall establish and maintain, throughout implementation of the Project, the NPCT, within the MEMR, with composition, terms of reference and resources satisfactory to the Association, to be responsible for overall day to day Project implementation, supervision and monitoring and evaluation of the Project. Without limitation on the foregoing, the NPCT shall at all times be supported by competent staff in adequate numbers, including a national Project coordinator, an accountant, a procurement officer, technical specialists/experts in water, fisheries, agriculture, forestry and environment or social sectors, all with qualifications, experience and terms of reference satisfactory to the Association.
3. **Audit and Finance Committees**

The Recipient shall maintain, throughout Project implementation: (a) the Audit Committee with staffing and resources satisfactory to the Association with the responsibility for: (i) monitoring of the Institutional Risk Management Policy Framework; (ii) monitoring and ensuring timely implementation of audit and operational review recommendations on fiduciary oversight; (iii) overseeing the continuing efficacy of accounting and internal control standards, policies and practices; (iv) ensuring compliance with the financial covenants in this Agreement; (v) overseeing the effectiveness of the internal audit functions; and (vi) monitoring performance of key internal audit staff; and (b) the Finance Committee with staffing and resources satisfactory to the Association with the responsibility for: (i) reviewing and approving financial statements (including quarterly financial statements); (ii) approving periodic operational budgets and financial performance; and (iii) monitoring the performance of key financial management staff.

4. **District Project Coordination Teams**

The Recipient shall establish and maintain, throughout Project implementation, the DPCTs in each participating district with resources and mandate satisfactory to the Association, to be responsible for facilitating and/or implementing Project activities under Parts 2 and 3 of the Project. Without limitation to the foregoing, the DPCTs shall be comprised of representative of the implementing agencies including district fisheries officer, district agricultural officer, district livestock officer and district environmental officer.

B. **Implementation Covenants**

1. **Project Implementation Manual**

   (a) The Recipient shall ensure that the Project is carried out in accordance with the arrangements and procedures set out in the Project Implementation Manual, provided, however, that in case of any conflict between the arrangements and procedures set out in these manuals and the provisions of this Agreement, the provisions of this Agreement shall prevail.

   (b) Except as the Association shall otherwise agree, the Recipient shall not amend, abrogate or waive any provision of Project Implementation Manual if such amendment, abrogation or waiver may, in the opinion of the Association, materially or adversely affect the implementation of the Project.
2. **Harmonization of Water and Fisheries Policies and Regulatory Standards**

For purposes of Part 1(a) of the Project, the Recipient shall by not later than June 30, 2012, take all measures on its part to implement the recommendations made by the EAC under the EAC Project to harmonize its water and fisheries policies and regulatory standards, in a manner acceptable to the Association.

3. **Water Resource Management Plan**

The Recipient shall, not later than June 30, 2012, take all measures necessary on its part to adopt and implement the water resource management plan developed by the EAC under Part 1(a)(ii) of the EAC Project, in a manner satisfactory to the Association.

4. **Water Releases and Abstractions**

The Recipient shall, not later than December 31, 2009, implement the independent and transparent mechanism for monitoring water releases and major abstractions from the Lake Victoria basin water system, established by the EAC under Part 1(a)(ii) of the EAC Project.

5. **FLTF under Part 1(a) of the Project**

The Recipient shall not later than March 31, 2012: (i) review its policies and regulations in order to identify any legal impediments to the operationalization of the FLTF; and (ii) carry out all measures necessary on its part to operationalize the FLTF in a manner satisfactory to the Association.

6. **Consultation, Information Sharing and Cooperation with the EAC, Tanzania, and Uganda**

Without limitation upon the provisions of Section 4.10 of the General Conditions, the Recipient shall, at all times during Project implementation, and in accordance with the provisions of the EAC Treaty and the Protocol:

(a) exchange views with the EAC, Tanzania and Uganda on the Project and its objectives, and shall promptly inform the EAC, Tanzania and Uganda of any condition that interferes with or threatens to interfere with the accomplishment of the objectives of the Project or the Recipient’s performance under this Agreement;

(b) take all measures required on its part to enable the EAC: (i) carry out its obligations as overall coordinator of the regional projects in the LVB as stipulated under the Protocol and the EAC Project; and (ii) carry out the EAC Project, including facilitating any requisite consultations taking place within the Recipient’s territory; and
(c) comply with its obligations under the EAC Treaty and the Protocol, including cooperation with the EAC, Tanzania, and Uganda on matters relating to the Project in accordance with the provisions of the EAC Treaty and the Protocol.

7. **Annual Work Plans**

   (a) The Recipient shall prepare in accordance with guidelines acceptable to the Association and furnish to the Association not later than March 31 in each calendar year, a proposed annual work plan and budget for the Project for the following fiscal year of the Recipient, of such scope and in such detail as the Association shall reasonably request.

   (b) The Recipient shall: (i) afford the Association a reasonable opportunity to exchange views with the Recipient on such proposed work plan; and (ii) thereafter carry out such work plan according to such budget, both as shall have been approved by the Association.

C. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. **Subprojects**

1. **General**

   The Recipient shall appraise, approve, and monitor the Subprojects under Part 3(a) of the Project in accordance with the provisions of this Section I.D, as further elaborated in the Project Implementation Manual.

2. **Eligibility Criteria and Procedures for Subprojects**

   Except as the Association may otherwise agree in writing, no proposed Subproject shall be eligible for financing under Part 3(a) of the Project unless:

   (a) the DPCT responsible for the area in which the Subproject is located has developed, in a participatory manner acceptable to the Association, with local community members, and in accordance with guidelines acceptable to the Association, a plan for the rehabilitation of the catchment area in which the Subproject is located; and

   (b) the Recipient has determined, on the basis of an appraisal (including an environmental and social assessment for the Subproject conducted in accordance with the ESMF), conducted in accordance with guidelines acceptable to the Association, that the proposed Subproject satisfies the
eligibility criteria specified below, as the same may be elaborated upon in the Project Implementation Manual:

(i) the proposed Beneficiary is a village or a community in a selected sub-catchment;

(ii) the proposed Subproject: (A) consists of specific development activities designed to generate community benefits such as: (1) natural resource conservation interventions, including upstream rain water harvesting and storage, small water reservoirs, sediment retention dams, gully erosion control, planting multipurpose trees, afforestation, and reforestation; and (2) livelihood improvement interventions, including horticulture, terracing, aquaculture, livestock development, small scale irrigation, and energy saving stoves; low-cost technologies aimed at reducing post harvest losses to fish, horticultural, and livestock products; and supply chain linkages including local processing and eco-labeling for export of Nile perch; (B) has been developed in accordance with the Catchment Rehabilitation Plan for the Subproject; (C) is economically, financially and technically viable; and (D) is in compliance with all applicable laws and regulations of the Recipient relating to safety, health and environmental protection;

(iii) the Beneficiary and DPCT have undergone a capacity building training program provided for under Part 3(b)(ii) of the Project;

(iv) the total cost of the proposed Subproject is fully covered by the sum of the proposed Subgrant and the Beneficiary’s contribution; and

(v) if, on the basis of the environmental and social assessment conducted for the Subproject, an environmental management plan, pest management plan, dam safety plan, resettlement plan, and/or indigenous peoples’ plan tailored to the Subproject are or is required, such plan or plans have been prepared pursuant to the ESMF and, in case of a category A Subproject, have been approved by the Association.

3. Terms and Conditions of Subgrant Agreements

(a) A Subgrant shall be made for each Subproject approved in accordance with the provisions of paragraph 2 of this Section I. D under a Subgrant Agreement between the Recipient (acting through the DPCT responsible for the area in which the Subproject is proposed to be carried out) and the
Beneficiary implementing the Subproject, on terms and conditions satisfactory to the Association, including the following, whereby:

(i) the Beneficiary shall undertake to: (A) contribute, in cash or in kind, at least 20% of the total estimated Subproject cost; (B) carry out the Subproject with due diligence and efficiency and in accordance with sound environmental, social, engineering, financial, and managerial standards and practices, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of Financing proceeds other than the Recipient (and, an environmental management plan, pest management plan, dam safety plan, resettlement plan, and/or indigenous peoples’ plan that has been prepared in relation to the Subproject, in a manner consistent with the ESMF, RPF, IPM, and IPPF); (C) procure the goods, works, and services to be financed out of the proceeds of the Subgrant in accordance with the provisions of Section III of this Schedule 2, and use the same exclusively in the carrying out of the Subproject; (D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Association, the progress of the Subproject and the achievement of its objectives; (E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations, resources and expenditures related to the Subproject; and (2) at the Association’s or the Recipient’s request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association; (F) enable the Recipient and the Association to inspect the Subproject, its operation and any relevant records and documents; and (G) prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request relating to the foregoing; and

(ii) the Recipient shall obtain rights adequate to protect its interests and those of the Association, including the right to suspend or terminate the right of any Beneficiary to use the proceeds of the Subgrant upon failure by the Beneficiary to perform any of its obligations under the Subgrant Agreement.

(b) The Recipient shall exercise its rights under the Subgrant Agreement in such manner as to protect its interests and the interests of the Association.
and to achieve the Project’s objective, and, except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate, or waive the Subgrant Agreement or any of its provisions.

E. Safeguards

(a) The Recipient shall ensure that the Project is carried out in accordance with the provisions of the ESMF, the RPF, the IPM and the IPPF, in a manner satisfactory to the Association, and except as the Association shall otherwise agree, the Recipient shall not amend or waive any provision of the aforementioned without prior written agreement.

(b) The Recipient shall ensure that the Project Reports referred to in Section II.A.1 of this Schedule include adequate information on monitoring the measures defined in the respective ESMF, RPF, IPM and the IPPF.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators set forth below in paragraph 2 of this Part A. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty five days after the end of the period covered by such report.

2. The performance indicators referred to above in paragraph 1 consist of the following:

   (i) adoption of harmonized policies and regulatory frameworks for water and fisheries management in the LVB.

   (ii) adoption of basin wide water and fisheries resources management frameworks.

   (iii) cumulative percentage reduction in untreated effluent disposed by targeted municipals and industries into the LV.

   (iv) percentage reduction in harvesting pressure on the Nile perch in the LV.

   (v) percentage increase in land productivity for households selected to participate in watershed management activities.

   (vi) percentage reduction in water hyacinth infestation in the LV.
3. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six months before the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare and furnish to the Association, as part of the Project Report, not later than forty five days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods and Works. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

D. **Review by the Association of Procurement Decisions**

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

**Section IV. Withdrawal of the Proceeds of the Financing**

**A. General**

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. APPENDIX

Section I. Definitions

2. “Audit Committee” means the committee in the Ministry of Environment and Mineral Resources referred to in Section I.A.3 of Schedule 2 to this Agreement.

3. “Beneficiary” means a community or village which meets the eligibility criteria set forth or referred to in Section I.D.2 of Schedule 2 to this Agreement and to which a Subgrant is made or proposed to be made.

4. “Catchment Rehabilitation Plan” means the plan, referred to in Section I.D.2 of Schedule 2 to this Agreement, consisting of interventions recommended to be included in the Subprojects.

5. “Category” means a category set forth in the table in Section IV of Schedule 2 to this Agreement.

7. “District Project Coordinating Teams” or “DPCTs” means the teams referred to in Section I.A.4 of Schedule 2 to this Agreement, responsible for facilitating and/or implementing Project activities under Parts 2 and 3 of the Project in the LVB countries.

8. “East African Community” or “EAC” means the inter-governmental organization established by the LVB Countries under Article 2 of the EAC Treaty.

9. “EAC Project” means the project to be carried out by the EAC under the GEF Grant Agreement and the SIDA Grant Agreement.

10. “EAC Treaty” means the treaty dated November 30, 1999, establishing the EAC, and pursuant to which the LVB Countries, Burundi and Rwanda have undertaken to cooperate in relation to the LVB in a coordinated and sustainable manner.
