ANNEX
TO
SCHEDULE 2

For the purposes of applying National Competitive Bidding procedures in the procurement of goods, works and services (other than consultants’ services) to be financed under the Loan, the following modifications and additions shall apply:

(i) Procedures

The public bidding method shall apply to all contracts. Invitations to bid shall be advertised in the Guarantor’s Official Gazette (Narodne Novine) and in at least one widely circulated national daily newspaper or at the Borrower’s website, allowing a minimum of thirty (30) days for the preparation and submission of bids.

(ii) Assessment of Bidders’ Qualifications

When pre-qualification shall be required for large or complex contracts, invitations to pre-qualify for bidding shall be advertised in the Guarantor’s Official Gazette (Narodne Novine) and at least one widely circulated national daily newspaper or at the Borrower’s website a minimum of thirty (30) days prior to the deadline for the submission of pre-qualification applications. Minimum experience, technical and financial requirements shall be explicitly stated in the pre-qualification documents, which shall be determined by a ‘pass/fail’ method, not through the use of a merit point system. Where pre-qualification is not used, the qualifications of the bidder who is recommended for award of contract shall be assessed by post-qualification, applying minimum experience, technical and financial requirements which shall be explicitly stated in the bidding documents.

(iii) Participation of Government-owned Enterprises

Government-owned enterprises located and operating on the Guarantor’s territory shall be eligible to participate in bidding only if they can establish, to the Bank’s satisfaction, that they are legally and financially autonomous, operate under commercial laws and are not a dependent agency of the Guarantor’s government. Said enterprises shall be subject to the same bid and performance security requirements as other bidders.

(iv) Bidding Documents

The PIU, acting as procuring entity, shall use the appropriate standard bidding documents for the procurement of goods or services (other than consultants’ services), as defined in the paragraph 1.1 of the Guidelines, which shall contain draft contract and conditions of contract acceptable to the Bank.
(v) **Bid Submission, Opening and Evaluation**

(1) Bids shall be submitted in a single envelope containing the bidder’s qualification information, technical and price bids, which shall be opened simultaneously at the public bid opening.

(2) Bids shall be opened in public, immediately after the deadline for submission of bids. The name of the bidder, the total amount of each bid and any discounts offered shall be read aloud and recorded in the minutes of the public bid opening.

(3) The evaluation of bids shall be done in strict adherence to the monetarily quantifiable criteria specified in the bidding documents and a merit point system shall not be used.

(4) Extension of bid validity shall be allowed once only for not more than thirty (30) days. No further extensions should be granted without the prior approval of the Bank.

(5) Contracts shall be awarded to qualified bidders having submitted the lowest evaluated substantially responsive bid.

(6) No preference shall apply under National Competitive Bidding.

(vi) **Price Adjustment**

Civil works contracts of long duration (e.g., more than eighteen (18) months) shall contain an appropriate price adjustment clause.

(vii) **Rejection of All Bids**

(1) All bids shall not be rejected and new bids solicited without the Bank’s prior written concurrence.

(2) When the number of bids received is less than two (2), re-bidding shall not be carried out without the Bank’s prior concurrence.

(viii) **Securities**

Bid securities should not exceed two percent (2%) of the estimated cost of the contract; and performance securities not more than ten percent (10%). No advance payments shall be made to contractors without a suitable advance payment security. The wording of all such securities shall be included into the bidding documents and shall be acceptable to the Bank.

3. (a) Amounts of the Loan withdrawn within two calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.

(b) Notwithstanding the provisions of sub-paragraph (a) of this paragraph, if at any time the Bank adopts a due date billing system under which invoices are issued on or after the respective Principal Payment Date, the provisions of such sub-paragraph shall no longer apply to any withdrawals made after the adoption of such billing system.

4. Notwithstanding the provisions of paragraphs 1 and 2 of this Schedule, upon a Currency Conversion of all or any portion of the Withdrawn Loan Balance to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Bank by multiplying such amount in its currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Bank under the Currency Hedge Transaction relating to the Conversion; or (ii) if the Bank so determines in accordance with the Conversion Guidelines, the exchange rate component of the Screen Rate.
