SCHEDULE 1

Project Description

The objective of the Project is to improve targeting of social protection programs and provide income support to poor households through LEAP Grants and LIPW infrastructure in targeted Districts.

The Project consists of the Original Project and the following additional parts:

Part A: Social Protection Policy and Systems Strengthening

1. Strengthening coordination and implementation of social protection programs, including preparation of a national social protection policy, strategy, and an implementation action plan, developing mechanisms to facilitate efficient allocation and monitoring of social protection expenditures, and building the capacity of the staff of the Ministry of Finance, and the National Development Planning Commission on social protection issues, all through the provision of technical advisory services and Training.

2. Strengthening social protection systems, including establishment of the Ghana National Household Registry, and data collection and processing on households.

Part B: Labor Intensive Public Works Implementation and Capacity Building

1. Development and implementation of quick-response mechanisms against seasonal poverty, external shocks, including floods and droughts, during a crisis and maximizing local employment by providing short-term paid employment opportunities to selected rural poor households to finance costs of LIPWs, including: (i) rehabilitation and maintenance of rural feeder and access roads; (ii) rehabilitation of small earth dams, dugouts and related community infrastructure; and (iii) other works, including, soil and land conservation works for catchment protection and tree planting on communal lands.

2. Building the capacity for the MLGRD, District Assemblies and relevant agencies and institutions for implementation of the LIPW in selected Districts including, upgrading a management information system, providing training to relevant staff involved in the implementation of the LIPW, and strengthening communication, monitoring and evaluation.

Part C: Livelihood Empowerment Against Poverty Implementation and Capacity Building

1. Facilitating the implementation of the LEAP program including, improving the LEAP targeting, and providing Cash Transfers to Beneficiaries under LEAP.
2. Strengthening the institutional and personnel capacity for LEAP’s operations at the national, regional and District levels, including upgrading a management information system for the LEAP, providing training to relevant staff involved in the implementation of the LEAP, and strengthening communication, monitoring and evaluation, and social accountability and grievance redress systems for the LEAP.

Part D: Project Management and Coordination

1. Strengthening the capacity of the MLGRD for management and coordination of Part B of the Project, and the National Coordinating Office and Regional Coordinating Offices for management and coordination of the LIPW Subprojects, through the provision of technical advisory services, training, and acquisition of goods.

2. Strengthening the capacity of the MoGCSP for management and coordination of Parts A and C of the Project, through the provision of technical advisory services, training, and acquisition of goods.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. National Project Steering Committee

1. The Recipient shall maintain, at all times during the implementation of the Project, a Project Steering Committee (PSC) with a mandate, composition and resources satisfactory to the Association.

2. Without limitation to the provisions of paragraph 1 immediately above, the PSC shall be responsible for, inter alia:

   (a) (i) providing guidance on strategic, policy and implementation issues; (ii) coordinating activities of ministries, agencies and other stakeholders involved in Project implementation; (iii) reviewing and approving annual work plans, budget and annual reports; (iv) reviewing and assessing quarterly and annual Project progress reports and making the necessary recommendations; and (v) assessing progress towards achieving the Project’s objectives and taking all necessary corrective action; and

   (b) facilitating the coordination of Project activities among the entities represented in the PSC, and making recommendations for removal of any obstacles to the implementation of the Project.

3. MLGRD and MoGCSP

Without limitation to the provisions of Section I.A.2 immediately above, the Recipient shall at all times during the implementation of the Project, ensure that: (a) the responsibility for implementation and oversight of Parts B and D.1 of the Project is maintained within the MLGRD; and (b) the responsibility for implementation and oversight of Parts A, C and D.2 of the Project is maintained within the MoGCSP, in accordance with the provisions of the Project Implementation Manual.

B. National Coordinating Office

1. (a) To facilitate coordinated management and implementation of the Project at the national level the Recipient shall maintain at all times during the implementation of the Project, the National Coordinating Office (NCO), which shall be responsible for overseeing and coordinating Project implementation.
(b) Without limitation upon the provisions of paragraph I.A.1 immediately above, the NCO will report directly to the chief directors of MLGRD and MoGCSP and will function as a secretariat for the PSC, and be responsible for, *inter alia*: (i) coordinating, consolidating and reviewing the Project’s annual work programs, budgets and procurement plans; (ii) preparing quarterly Project progress and financial monitoring reports; (iii) disbursing Project funds to DAs and other implementing agencies, and ensuring the replenishment of Project accounts; and (iv) undertaking necessary reporting, audit, and monitoring and evaluation activities.

2. (a) To facilitate coordinated implementation of the Project at the regional level, the Recipient shall ensure that RCCs, under the leadership of the regional ministers, will provide coordination and technical backstopping for the implementation of the Project. The Recipient’s regional economic planning officer, as the head of the RPCU secretariat, will act as technical head of the Project at the regional level and will report to the regional coordinating director of the RPCU. The RPCU, with the support of the RCO, will perform, *inter alia* the following functions: (i) coordinate Project planning and execution; (ii) review and consolidate districts’ annual work plans and budgets; (iii) provide technical backstopping to District Assembly staff; identify and bring on board relevant implementing agencies; (iv) undertake Project monitoring and evaluation to review progress and provide timely guidance on an as-needed basis; and (v) chair monthly meetings relating to the Project.

(b) The Recipient shall maintain for the duration of the Project the RCOs, under the auspices of the RPCU, with functions, staffing and resources satisfactory to the Association, for the purpose of ensuring the prompt and efficient implementation of the Project, including: (i) planning, coordination and monitoring the Project at the regional level; (ii) assisting the RCC and RPCU staff and relevant line ministries and agencies in providing timely and efficient backstopping to the DAs (e.g., review/preparation of the detailed engineering designs, procurement, contracts supervision, etc.); and (iii) support the DAs to implement annual work programs.

3. (a) To facilitate coordinated implementation of the Project at the District level, the Recipient shall ensure that the DAs will have full responsibility for Project implementation. The DPCU, which includes the heads of the technical departments, will be responsible for the planning of activities which are selected from their development plans, in close consultation and collaboration with target communities. It will also be responsible for the timely preparation and submission of annual work programs and budgets, detailed design of LIPWs, procurement, supervision and
payment to providers of goods, works and services. Project funds will be directly transferred into DA bank accounts in accordance with the PIM.

(b) DAs will be responsible for the implementation of LIPWs.

4. Implementation of disaster risk management activities will be carried out by the DAs.

C. Project Implementation Manual

1. The Recipient shall carry out the Project in accordance with the arrangements and procedures set out in the Project Implementation Manual containing, inter alia, detailed arrangements and procedures for: (a) institutional coordination and day-to-day execution of the Project; (b) Project budgeting, disbursement and financial management; (c) procurement; (d) environmental and social safeguard guidelines; (e) monitoring, evaluation, reporting and communication; (f) the Recipient's detailed rules and regulations to be followed for determining eligibility and selection of Beneficiaries and disbursement of Cash Transfers to such Beneficiaries under Part C.1 of the Project; and (g) such other administrative, financial, technical and organizational arrangements and procedures as shall be required for the Project.

2. The Recipient shall not amend, abrogate, waive or fail to enforce any provision of the Project Implementation Manual without the prior written agreement of the Association; provided, however, that in case of any conflict between the arrangements and procedures set out in the Project Implementation Manual and the provisions of this Agreement, the provisions of this Agreement shall prevail.

D. Cash Transfers

1. (a) For the implementation of Part C.1 of the Project, the Recipient shall provide Cash Transfers to Beneficiaries in accordance with eligibility criteria and procedures acceptable to the Association, and described in the Recipient’s program guidelines and as specified in the PIM.

(b) Each Cash Transfer shall be in an amount which the Association and the Recipient are satisfied meets the reasonable cost of maintaining the Beneficiary’s needs within the parameters defined by the Recipient’s responsible agency.

(c) The Recipient shall ensure that the amount of each Cash Transfer is used by the Beneficiary for its intended purpose.
2. Independent Verification

(a) The Recipient shall, not later than three (3) months after the Effective Date, engage an independent expert to verify the list of Cash Transfer Beneficiaries for the purpose of Part C.1 of the Project in accordance with the provisions of Section III of this Schedule, whose terms of reference, qualifications and experience and terms and conditions of employment shall be satisfactory to the Association.

(b) The Recipient shall, not later than six (6) months after the Effective Date, submit to the Association the technical audit report satisfactory to the Association related to the use of the proceeds of the Cash Transfer for the first three months of the Project and, thereafter, not later than forty-five (45) days after the end of each nine (9) calendar months, submit to the Association independent verification report referred to in Section II.B.4 of this Schedule for period covering the nine (9) months. The final independent verification report shall be furnished to the Association not later than four (4) months after the end of last withdrawal of the proceeds of the Credit allocated to Cash Transfers under Category (3) of the table set forth in Section IV.A.1 of Schedule 2 to this Agreement.

E. Annual Work Plans and Budgets

1. The Recipient shall prepare and furnish to the Association for its approval, not later than November 30 of each year during the implementation of the Project, an Annual Work Plan and Budget containing all eligible Project activities and expenditures planned for the Recipient's following fiscal year and shall ensure that the Project is implemented in accordance with the approved Annual Work Plans and Budgets.

2. The Recipient shall not make or allow to be made any change to the approved Annual Work Plan and Budget without prior agreement in writing of the Association.

F. Environmental and Social Safeguards Management

1. The Recipient shall carry out the Project in accordance with the ESMF and the RPF, and any environmental management plans or any resettlement action plans.

2. Without limitation to the provisions of paragraph 1 of this Part F, the Recipient shall, prior to any construction, rehabilitation and maintenance activity under the Project: (a) as and when required under the ESMF or the RPF, carry out in accordance with the ESMF or RPF (as applicable), an assessment of such activity; (b) in the event that on the basis of such assessment, such activity, if
carried out, would have a potential for adverse impact, not permit such activity to be carried out until an appropriate environmental management plan, resettlement action plan or other plan, as required, under the ESMF or RPF (as applicable) has been prepared and adopted by the Recipient to mitigate such potential adverse impact; and (c) thereafter, ensure that the agreed plan (or plans, as the case may be) referred to in (b) above is (or are) carried out with due diligence.

3. The Recipient shall not abrogate, amend or waive, or permit to be abrogated, amended or waived, the ESMF or RPF (as applicable) (including any environmental impact assessments, environmental management plans and resettlement action plans prepared under paragraph 2 of this Part F) or any provision thereof, without prior agreement in writing of the Association.

4. The Recipient shall monitor and regularly report to the Association, including through the Project Reports referred to in Part A of Section II of this Schedule, the status of compliance with the ESMF and RPF (including any environmental impact assessments, environmental management plans and resettlement action plans prepared under paragraph 2 of this Part F), giving details of: (a) measures taken or to be taken in accordance with the said frameworks, assessments and plans; (b) conditions, if any, which interfere or threaten to interfere with the implementation of the said frameworks, assessments and plans; and (c) remedial measures taken or to be taken to address such conditions.

G. Policy on Use of Labor Intensive Methods

The Recipient shall maintain the post-national consultation draft policy on the use of labor-intensive methods.

H. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators acceptable to the Association. Each Project Report shall cover the period of six months, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

2. For purposes of Section 4.08(c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall
be furnished to the Association not later than six (6) months after the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

4. The Recipient shall have independent verification reports of the delivery of funds for Cash Transfers under Part C.1 of the Project carried out by auditors acceptable to the Association and according to terms and reference satisfactory to the Association as set forth in the Project Implementation Manual.

Section III. Procurement

A. General

1. Goods, works and Non-consulting Services. All works, goods and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.
B. Particular Methods of Procurement of Works, Goods and Non-consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, works, goods and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.
