SCHEDULE 1

Project Description

The objectives of the Project are to: (i) expand coverage of the Family Allowances Programs; and (ii) improve transparency of social protection programs implemented by ANSES.

The Project consists of the following parts:

Part 1: AUH Program Financing

Provision of AUH Grants to AUH Recipients.

Part 2: Closing the coverage gaps of the AUH Program

2.1. (a) Collection of data from birth certificates of children whose parents may be eligible to receive AUH Grants, including: (i) the preparation of an action plan containing the list of children with missing family information in ANSES ADP, the methodology to collect said missing information, timeline for implementation of said plan and expected targets; and (ii) the update of ANSES ADP through the transferring of the data from birth certificates mentioned herein to ANSES by each Participating Registry;

(b) carrying out of coordination activities with the Borrower’s provincial ministries of Education, to complete the reporting on co-responsibilities for children and youth under the AUH for whom there is no evidence of compliance of said co-responsibilities on ANSES’s records; and

(c) expansion of the activities of the one-stop shop (Ventanilla Unica) implemented by ANSES, including, inter alia, an increase of the number of mobile offices and of the type of transactions carried out by ANSES, all to complete missing information of children that still face problems with their registry in ANSES ADP.

2.2. Gathering missing information of AUH beneficiaries, through:

(a) the provision of support to Selected Municipalities to: (i) (I) develop a municipal territorial action plan to reach families with children and youth with no evidence of compliance of AUH co-responsibilities on ANSES’ records, and those that were not identified through Part 2.1 of the Project, and (II) develop and implement intervention field strategies to facilitate the reincorporation into the AUH of those children whose AUH Grant was suspended due to failure to show compliance with the AUH co-responsibilities; and (ii) implement the pertinent PAT, including, inter alia, the carrying out of field work to collect information through home visits using the address information on record, if available, and completing a Ficha Social; and
(b) the carrying out of activities to support the field work mentioned in paragraph (a) (ii) herein, including, inter alia: (i) the carrying out of communication campaigns and preparation of dissemination materials; (ii) the installation of kiosks in key spots, such as in hospitals and public locations; and (iii) the provision of ANSES' mobile units with connectivity.

2.3. Improving access to AUH for indigenous populations, through the implementation of specific actions, as described in the NIPP, to reach out to indigenous communities including, inter alia: (a) the design of special field arrangements and management of benefits and services in indigenous communities' areas; (b) the carrying out of training workshops for indigenous leaders on social security topics; (c) the provision of training to allow indigenous communities to access ANSES' information and procedures remotely; and (d) the dissemination of information related to the Project in indigenous languages, including contents in indigenous radios programs and non-indigenous programs that reach indigenous community areas, as well as in any other type of suitable telecommunication.

3.1. Carrying out of activities to improve information of management procedures and transparency, including:

(a) the development of a protocol and related software for a systemic exchange of information among ANSES, RENAPER and the provincial civil registries; (b) the carrying out of training of provincial civil registries staff; (c) the acquisition of goods to strengthen the information technology capacity of Participating Registries to support activities under Part 2.1 of the Project; (d) the design of mechanisms for direct verification of compliance of co-responsibilities under the AUH, including the improvement of information flow among ANSES, MDS and the provincial Ministries of Health and Education; (e) the provision of support to improve ANSES' grievance redress mechanism and citizen participation; (f) the carrying out of data exchange with other public stakeholders at the federal and provincial levels; (g) the carrying out of studies and preparation of publications, on social security topics; (h) the carrying out of dissemination events and workshops to improve transparency and access to information on the Borrower's social security programs; (i) the implementation of mechanisms to improve the verification of compliance of co-responsibilities under the AUH, through information technology applications that can be operated directly by AUH Recipients; (j) the development and operation of an early alert system directed to Provinces, to avoid the suspension of benefits to AUH Recipients; and (k) the provision of support for the implementation of CUNA.

3.2. The provision of support to the ANSES PMT, including the carrying out of Project audits.

Part 4: Institutional Strengthening of the Ministry of Social Development and Project Management
4.1. Strengthening the MDS’s capacity on planning, budgeting and implementation of social protection programs and services, including: (a) the development of an integrated social protection network to promote the coordination of social protection programs and services of the Borrower’s national and sub-national governments; (b) the improvement of the design and the operational functions of MDS’ programs and services; (c) the development and implementation of a plan for continuous training of civil servants; and (d) the provision of support to the MDS PMU.

4.2. (a) The development of tools and instruments to collect and analyze data on MDS’ programs and social policies; and (b) the strengthening of MDS’s capacity on monitoring and evaluation of social protection policies and programs to generate evidence-based recommendations and guidelines, including, inter alia, the carrying out of an impact evaluation of AUH and evaluations of other social programs.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements and Operational Manual

1. The Borrower, through ANSES, shall: (i) operate and maintain within ANSES, during the execution of the Project, a Project management team (ANSES PMT) with functions and responsibilities acceptable to the Bank, to coordinate, evaluate and manage Project implementation; and (ii) staff said team with a coordinator, technical experts, and other personnel, all in number and with qualifications and experience acceptable to the Bank.

2. (a) Without limitation to the provisions of Article V of the General Conditions, the Borrower, through ANSES, shall carry out the Project in accordance with an Operational Manual, satisfactory to the Bank, containing, *inter alia*:

   (i) the terms of reference and functions and responsibilities of the personnel of the ANSES PMT;

   (ii) (A) the criteria for the identification, registration and selection of AUH Recipients; (B) the requirements to be fulfilled by AUH Recipients under the AUH; (C) the mechanisms for verification of compliance with AUH conditions and co-responsibilities;

   (iii) the procedures for the procurement of goods and services, as well as the procedures for financial management, audit requirements under the Project;

   (iv) the indicators to be used in the monitoring and evaluation of the Project (including the Disbursement-Linked Indicators);

   (v) the disbursement arrangements of Loan proceeds, including the reimbursement mechanisms for the AUH Grants; and

   (vi) the National Indigenous Peoples Plan (NIPP).

(b) In case of any conflict between the provisions of this Agreement and those of the Operational Manual, the provisions of this Agreement shall prevail.

B. Safeguards

The Borrower, through ANSES and MDS, shall carry out the Project in accordance with the NIPP.
Section II.  Project Monitoring Reporting and Evaluation

The Borrower, through ANSES, shall furnish to the Bank each Project Report not later than forty-five (45) days after the end of each calendar semester, covering the calendar semester.

Section III.  Withdrawal of Loan Proceeds

A.  General.

Without limitation upon the provisions of Article II of the General Conditions and in accordance with the Disbursement and Financial Information Letter, the Borrower may withdraw the proceeds of the Loan to: (a) finance Eligible Expenditures; and (b) pay: (i) the Front-end Fee; and (ii) each Interest Rate Cap or Interest Rate Collar premium; in the amount allocated and, if applicable, up to the percentage set forth against each Category of the following table:
