SCHEDULE 1

Project Description

The objective of the Project is to contribute to the realization of the PNPM’s overall development goals, namely, to reduce poverty and improve local-level governance in rural areas of Indonesia through the provision of investment resources to support productive proposals developed by communities, using a participatory planning process.

The Project consists of the following parts:

Part A: Block Grants

Provision of Block Grants to sub-districts and villages to support investments in social and economic infrastructure, including:

(a) Kecamatan Grants to support investment proposals presented by communities, which are technically and financially feasible, of benefit to the communities themselves, and with special focus on the poor, and respond to a public need;

(b) Planning Grants to facilitate the village and sub-district planning process and community training, and to support village cross-audits, dissemination materials and related local travel costs.

Part B: Facilitation and Training

Provision of technical advisory services and other material support, and training to strengthen the capacity of the local government institutions created through the decentralization program in order to familiarize the relevant officials and community members with their rights, duties and obligations under the relevant laws and regulations, and to train the technical staff of local governments, including the district parliaments, concerned with village development.

Part C: Implementation Support and Technical Assistance

1. Provision of technical advisory services and other material support, and training, to support implementation at national, provincial and district-level through the recruitment of technical and social facilitators to provide technical advice, field oversight, and local-level coordination to the Project.

2. Provision of technical advisory services and other material support, and training, to strengthen the Borrower’s internal monitoring and evaluation system, and to implement an enhanced audit program that expands sampling, provides capacity development support for district government auditors, and address related issues.
Part D: Support for Project Management

Provision of technical advisory services and other material support, and training, to strengthen PMD and support the management of the incremental activities generated by the Project, including introduction of electronic file management for PMD, office improvements, and provision of advanced specialized training in management, fiduciary controls and evaluation.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall ensure that the Project shall be implemented under the umbrella of PNPM, and subject to the overall guidance and authority of the ministerial-level working group on development and oversight of PNPM (Tim Pengendali PNPM) chaired by Menko Kesra, and including representatives of Bappenas, MOHA and Ministry of Finance, Ministry of Public Works, and State Ministry for Development of Disadvantaged Regions.

2. The Recipient shall, through MOHA, designate PMD to be responsible for the overall management and monitoring of the Project at the central level.

3. The Recipient shall, through PMD:

   (a) establish and thereafter maintain, until the completion of the Project, a PMD Secretariat, whose mandate, composition and terms of reference shall be acceptable to the Association, to be responsible for the day-to-day coordination and supervision of the Project;

   (b) ensure that the PMD Secretariat shall be provided with adequate funds and other resources, and supported by suitably qualified and experienced technical, financial and administrative personnel in adequate numbers as needed to accomplish the objectives of the Project, including: (A) a suitably qualified and experienced person who shall be the Project Manager and, as such, responsible for the day-to-day management of the Project; and (B) National Management Consultants to provide support in terms of overall Project management support, monitoring of implementation, and technical and financial reporting and oversight.

4. The Recipient shall, through PMD:

   (a) cause to be established and thereafter maintained, until the completion of the Project:

      (i) at the level of each Project Province: (A) a Provincial Poverty Reduction Board (PPRB), whose mandate, composition and terms of reference shall be acceptable to the Association, to be
responsible for overall coordination and management of the Project at the Province-level; and (B) a Provincial Satker, whose mandate, composition and terms of reference shall be acceptable to the Association, to be responsible for the day-to-day implementation of the Project at the Province-level, including recruitment of facilitators and consultants, management of contracts, execution of payments and production of reports on the progress of the Project;

(ii) at the level of each Project Kabupaten, a Kabupaten Poverty Reduction Board (KPRB), whose mandate, composition and terms of reference shall be acceptable to the Association, to be responsible for overall coordination and management of the Project at the Kabupaten-level; and

(b) ensure that the PPRB, KPRB and Provincial Satker shall be provided with adequate funds and other resources, and supported by suitably qualified and experienced technical, financial and administrative personnel in adequate numbers as needed to accomplish the objectives of the Project, including, in the case of the Provincial Satker, a suitably qualified and experienced person who shall be the PJOK, along with a team of suitably qualified and experienced Kecamatan-level Management Consultants.

B. Implementation Obligations

1. The Recipient shall:

   (a) adopt, and thereafter apply in the implementation of the Project, a Project Manual acceptable to the Association (“Project Manual”), giving details of: (i) implementation arrangements; (ii) procurement procedures as set forth in Section III of this Schedule and standard procurement documentation;(iii) reporting requirements, financial management procedures and audit procedures as set forth in Section II.B of this Schedule; (iv) project performance indicators as set forth in Section II.A of this Schedule; (v) the Environmental Management Framework, (vi) the Isolated Vulnerable Peoples Framework; (vii) the Land Acquisition and Resettlement Policy Framework; (viii) criteria for the selection of Sub-projects, along with the terms and conditions governing Block Grants and Local Government Participation, including the additional terms and conditions set forth in the Annex to this Schedule; (ix) maintenance provisions for works to be carried out under a Sub-project; and (x) the Better Governance Action Plan;
(b) undertake not amend, suspend, abrogate, repeal or waive any provisions of the Project Manual without the prior agreement of the Association.

(c) ensure that the Project Manual is made available, at all times until completion of the Project, to Kecamatan Facilitators and Kabupaten engineers, and applied in the carrying out of Sub-projects; and

(d) with the prior agreement of the Association, update the Project Manual, as necessary.

2. For purposes of providing Block Grants under the Project, the Recipient shall apply the proceeds of the Credit allocated to Category (1) to finance Sub-projects in accordance with the guidelines, procedures and criteria set forth in the Project Manual, and the additional terms and conditions set forth in the Annex to this Schedule.

3. The Recipient shall:

   (a) ensure that auditing activities under the Project, including those referred to in Section II.B of this Schedule, are carried out in accordance with:
      (i) BPKP’s audit manual, dated November 30, 2007, as such manual may be amended from time to time with the prior agreement of the Association; and
      (ii) in accordance with terms of reference agreed with the Association; and

   (b) not later than October 31, 2008, in each year, and until completion of the Project, inform each Project Kabupaten that all auditing activities with respect to Sub-projects are to be carried out exclusively by independent auditors appointed by PMD in accordance with Section II.B of this Schedule and in accordance with the manual and terms of reference referred to in sub-paragraph (a) of this paragraph.

4. The Recipient shall ensure that:

   (a) Tim Pengendali PNPM shall, in consultation with the relevant Kabupaten, annually select proposed Project Kecamatans from a list of Kecamatans provided by PMD, in accordance with criteria set forth in the Project Manual, and furnish such list for approval to the Association; and

   (b) the PMD Secretariat shall make available to the public, at all times, until completion of the Project, free of charge, the list of Project Kecamatans.
5. The Recipient shall ensure that the relevant Bupatis and Camats shall:

(a) prior to the beginning of each Fiscal Year, issue to Project Kecamatans, not later than October 31 of each year, commencing on October 31, 2008, and until completion of the Project, public information aimed at disclosing to villagers and their representatives, all administrative, financial, environmental, social, procedural and technical details pertaining to the selection, design, preparation and implementation of Sub-projects; and

(b) make such information, including the Project Manual, available free of charge for consultation at the Project Kecamatan office.

6. For the purposes of Sub-projects under Part A of the Project, the Recipient shall, through the relevant PJOK, ensure that, prior to the carrying out of works under a Sub-project, the Project Kabupaten Facilitator (technical) shall have completed a technical review of such Sub-project and shall have confirmed the following:

(a) the criteria described in the Annex to this Schedule have been complied with;

(b) necessary funding to fully finance the proposed Sub-project has been obtained, including a Block Grant, a Local Government Participation and any additional contributions to be made by communities themselves or from other sources;

(c) appropriate engineering and environmental standards and practices that would minimize any acquisition of land and avoid involuntary resettlement of Displaced Persons have been considered in the design of the Sub-project in accordance with the Project Manual;

(d) the provisions of the Environmental Management Framework have been complied with and, where applicable, an EMP fully consistent with this Agreement and the Environmental Management Framework has been prepared and agreed upon and adopted;

(e) the provisions of the Land Acquisition and Resettlement Framework have been complied with and, where applicable, a Land Acquisition and Resettlement Action Plan fully consistent with this Agreement and the Land Acquisition and Resettlement Framework, and deemed satisfactory to the Displaced Persons, has been agreed upon and adopted;
(f) the provisions of the Isolated Vulnerable People Development Framework, if applicable, has been complied with;

(g) a Sub-project Agreement has been entered into and an implementation plan for the Sub-project has been prepared in accordance with the provisions of the Project Manual; and

(h) a maintenance program for works to be carried out under the Sub-project and related goods has been prepared in accordance with terms acceptable to the Association, and included in the Sub-project Agreement, which shall include assignment of maintenance responsibilities in the respective Village, preparation of training programs to strengthen the maintenance capabilities of the Village, and identification of available sources of financing to carry out such programs.

7. In the case of every Sub-project involving infrastructure works, the Recipient shall ensure that:

(a) upon its completion, the Sub-project is reviewed by the Kabupaten Facilitator (technical) and, in the event of a finding of satisfactory Sub-project completion, a certificate of Sub-project completion issued by the Kabupaten Facilitator (technical), in accordance with the Project Manual and approved designs; and

(b) in the event of a finding of unsatisfactory completion of the Sub-project, except for cases of force majeure, UPK shall recover the amounts disbursed under the Block Grant, in accordance with procedures acceptable to the Association and set forth in the Project Manual, to be applied for the purposes of the Project or cancelled, as the case may be.

8. For the purposes of Sub-projects under Part A of the Project, the Recipient shall:

(a) take measures to avoid or minimize the acquisition of land or assets of villagers, and to avoid the displacement of said villagers;

(b) where the acquisition of land or assets, or the displacement of people is unavoidable under a proposed Sub-project, ensure that the Beneficiary shall, before carrying out the works which would result in such acquisition or displacement, provide to such people, adequate compensation, and other resettlement and rehabilitation benefits, in accordance with the Land Acquisition and Resettlement Framework; and
in the case of the physical displacement of persons involving the loss of more than 10 percent of their productive assets or the displacement of more than 200 people as a result of a Sub-project, ensure that:

(i) a Land Acquisition and Resettlement Action Plan shall be prepared in accordance with the Land Acquisition and Resettlement Framework, and furnished to the Association for approval; and

(ii) prior to the carrying out of the Sub-project, ensure that all Displaced Persons shall have been compensated and provided with applicable resettlement and rehabilitation benefits in accordance with the provisions of such Land Acquisition and Resettlement Action Plan.

9. For the purposes of Sub-projects under Part A of the Project, the Recipient shall:

(a) avoid, and, if not possible, minimize cultural, social and economic adverse effects on Isolated Vulnerable People, caused or likely to be caused by the Project, by taking appropriate mitigating measures; and

(b) through a process of informed participation, involve concerned Isolated Vulnerable People in the design and implementation of Sub-projects so as to ensure that the benefits received by the Isolated Vulnerable People under the Project are in harmony with their economic, social and cultural preferences, and likely to protect their customary user rights.

10. For the purposes of studies provided for under Part D of the Project, the Recipient shall:

(a) carry out such studies in accordance with terms of reference acceptable to the Association;

(b) not later than January 1 in each year, commencing on January 1, 2009, furnish to the Association for comments the recommendations of the studies carried out in the preceding year;

(c) not later than July 31 in each year, commencing on July 31, 2009, prepare action plans for the implementation of the recommendations of such studies, taking into account the comments of the Association on such recommendations; and
(d) promptly thereafter, carry out each of such action plans.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one (1) calendar quarter, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

2. The Recipient shall prepare, under terms of reference satisfactory to the Association, and furnish to the Association, on the date which is three (3) months
after the Effective Date, a report integrating the results of the monitoring and evaluation activities performed pursuant to paragraph 1 of this Section II, on the progress achieved in the carrying out of the Project during the period preceding the date of said report and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objectives thereof during the period following such date.

3. The Recipient shall review with the Association, by the date which is forty-five (45) days after the date on which the report is submitted pursuant to paragraph 2 of this Section II.A, the report referred to in paragraph 2 of this Section II.A and, thereafter, take all measures required to ensure the efficient completion of the Project and the achievement of the objectives thereof, based on the conclusions and recommendations of the said report and the Association’s views on the matter.

4. The Recipient shall make publicly available the report referred to in sub-paragraph 2 of this Section II.A at the same time as it is furnished to the Association pursuant to said sub-paragraph.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the IDA General Conditions.

2. The Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the IDA General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Services. All goods, works and services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.
2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

### B. Particular Methods of Procurement of Goods, Works and Services

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Services.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made for payments made prior to the date of this Agreement.

2. The Closing Date is June 30, 2011.
ANNEX

to

Schedule 2

Additional Terms and Conditions Governing Block Grants

1. No Block Grant shall be eligible for financing out of the proceeds of the Credit unless the corresponding proposals for the Block Grants have been prepared and submitted, and the review of proposals and award of Block Grants have been undertaken, in accordance with the guidelines, procedures and selection criteria set forth in the Project Manual.

2. No Block Grant shall be made to finance expenditures pertaining to or involving:
   (a) a military or paramilitary purpose; (b) civil works for government administration or religious purposes; (c) the manufacture or use of environmentally hazardous goods (including asbestos, pesticides and herbicides), arms or drugs; (d) the manufacture or use of dynamite; (e) the financing of government salaries; (f) the production, processing, handling, storage or sale of tobacco or products containing tobacco; (g) activities within a nature reserve or any other area designated by the Recipient for the management and/or the protection of biodiversity, except with the prior written approval of the Recipient’s agency responsible for the management and/or protection of such area; (h) mining or excavation of live coral; (i) water resources development on rivers which flow into or out of another country; (j) alterations to river courses; (k) land reclamation covering an area in excess of 50 hectares; (l) new irrigation schemes covering an area in excess of 50 hectares; (m) the construction of water retaining or storage structures of a capacity greater than 10,000 cubic meters; or (n) the provision of goods, works or services, directly or through intermediaries, by suppliers or contractors, as the case may be, who have been declared ineligible to participate in the procurement of any Bank-financed or Association-financed contract, whether indefinitely or for a stated period of time, as a result of a decision of the Bank or the Association, and in accordance with the terms of the decision.

3. Block Grants

Block Grants may be in the form of Kecamatan Grants or Planning Grants.

4. Kecamatan Grants

(a) Kecamatan Grants may be provided to support investment proposals presented on behalf of communities to finance economic or social infrastructure activities pertaining to Sub-projects other than those which
are prohibited pursuant to paragraph 2 of this Annex, provided, however, that such Sub-projects:

(i) are technically and financially feasible, and capable of being implemented by the communities themselves with only locally available technical assistance;

(ii) are of benefit to the communities, and to the poor in particular; and

(iii) respond to a public need.

(b) The amount of each Kecamatan Grant shall be calculated according to a poverty-based weighting formula issued by Bappenas, and shall be expected to vary from Rp 1 billion to Rp 3 billion per year, depending on the size of the population of the Kecamatan.

5. Planning Grants

(a) Planning Grants may be provided to facilitate the Village and Kecamatan planning process and community training, and to support village cross-audits, dissemination materials, and related local travel costs.

(b) The amount of each Planning Grant to a Project Kecamatan shall be calculated on the basis of the number of villages in such Project Kecamatan as well as the degree of difficulty expected in the preparation of the proposed Kecamatan and Village-level planning process; provided, however, that such Planning Grant shall not normally exceed Rp 300,000,000 per Project Kecamatan per year.

6. (a) For purposes of every Block Grant, a Sub-project Agreement shall be signed into between the UPK and the Beneficiary, setting forth the respective obligations of the parties thereunder, including: (i) the amounts of the Block Grant and Local Government Participation, along with details of the agreed disbursement schedule in each case; (ii) procurement procedures consistent with Section III of Schedule 2 to this Agreement; (iii) provisions for audits of the Block Grant; (iv) the amount of any counterpart or matching contribution to be made by the communities or from other sources; (v) details of the Environmental Management Plan; and (vi) an undertaking on the part of the Beneficiary to execute the Block Grant and Local Government Participation with due diligence and efficiency and, upon its completion, to have in place a maintenance program to ensure the continued achievement of the objectives of the Block Grant and Local Government Participation.
(b) No Sub-project shall be eligible for financing out of the proceeds of a Block Grant unless a Sub-project Agreement has been concluded to this effect on terms and conditions set forth in this Agreement and the Project Manual.
