GRANT NUMBER TF011173

Grant Agreement

(Co-financing of Productive Safety Net APL III Project)

between

FEDERAL DEMOCRATIC REPUBLIC OF ETHIOPIA

and

INTERNATIONAL DEVELOPMENT ASSOCIATION
(acting as an administrator of Grant Funds provided by CIDA to the Trust Fund Established for the Co-financing of Household Asset Building Component under the Ethiopia Productive Safety Net APL III Project)

Dated April 11, 2012
CIDA GRANT NUMBER TF011173

GRANT AGREEMENT

AGREEMENT dated April 11, 2012, entered into between: FEDERAL DEMOCRATIC REPUBLIC OF ETHIOPIA ("Recipient") and INTERNATIONAL DEVELOPMENT ASSOCIATION ("World Bank") acting as an Administrator of Grant Funds provided by Canadian International Development Agency ("CIDA" or "Donor") to the Trust Fund ("Trust Fund") established for the co-financing of the Household Asset Building Component ("Component 4") under the Ethiopia Productive Safety Net APL III Project ("Original Project").

The Recipient and the World Bank hereby agree as follows:

Article I
Standard Conditions; Definitions

1.01. The Standard Conditions for Grants Made by the World Bank Out of Various Funds, dated July 31, 2010 ("Standard Conditions"), constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions, in this Agreement (including Preamble and Appendix thereto), and the Original Financing Agreement. If the same term is defined twice in this Agreement and the Original Financing Agreement, the definition of the term in this Agreement shall prevail.

Article II
The Project

2.01. The Recipient declares its commitment to the objectives of the project described in Schedule 1 to this Agreement ("Project"). To this end, the Recipient shall carry out the Project in accordance with the provisions of Article II of the Standard Conditions.
2.02. Without limitation upon the provisions of Section 2.01 of this Agreement, and except as the Recipient and the World Bank shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

Article III
The Grant

3.01. The World Bank agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equal to eight million five hundred twenty thousand four hundred twenty six Canadian Dollars and fifty seven cents (CAD 8,520,426.57) ("Grant") to assist in financing the Project.

3.02. The Recipient may withdraw the proceeds of the Grant in accordance with Section IV of Schedule 2 to this Agreement.

3.03. The Grant is funded out of the above-mentioned Trust Fund for which the World Bank receives periodic contributions from the donor ("Donor") to the Trust Fund. In accordance with Section 3.02 of the Standard Conditions, the World Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Grant proceeds is subject to the availability of such funds. Accordingly, in the event that the donor cancels or fails to pay any of the said contributions under the trust fund to the World Bank for any reason, or that as a result of currency exchange variations the amount of funds available in the trust fund is insufficient for the purposes of the Grant, the World Bank undertakes to notify the Recipient in a timely fashion and in due manner, in order that the parties, might thereafter engage in discussions with respect to alternative possibilities for ensuring the provision of the necessary financial resources for the completion of the activities contemplated under this Agreement. In any event, should such a financial shortfall arise, the Recipient shall nevertheless complete said contemplated activities with other resources, taking into account the World Bank’s views on the matter.
Recipient’s Representative; Addresses

4.01. The Recipient’s Representative referred to in Section 7.02 of the Standard Conditions is minister at the time responsible for finance and economic development.

4.02. The Recipient’s Address is:

SCHEDULE 1

Project Description

The objective of the Project is to support the Recipient’s efforts to ensure improved effectiveness and efficiency of the Productive Safety Net Program and related Household Asset Building Program for chronically food insecure households in rural Ethiopia.

The Project consists of the following Parts, subject to such modifications thereof as the Recipient and the World Bank may agree upon from time to time to achieve such objectives:

Part 1: Safety Net Grants

A. Carrying out, in identified food insecure areas of the Recipient’s territory, Public Works Program Subprojects, providing for grants to households having adequate labor capacity, together with the financing at the Kebele level, of associated capital, materials, and administration costs (including costs in connection with identifying, designing, appraising, supervising and evaluating Subprojects) for community asset development, consisting of, inter alia, Subprojects relevant to: (a) environmental rehabilitation; (b) soil and water conservation; and (c) construction and rehabilitation of other critical community-level infrastructure that contributes to improving delivery of basic social services, as the same such Subprojects may be identified and prioritized in the applicable local planning process.

B. Provision of grants to support Labor-poor Households in food insecure areas.

Part 2: Drought Risk Financing Facility

Establishment of a contingent facility providing for the possibility of a scaling-up of the safety net activities provided for under Part 1 of the Project, based on the occurrence of a defined weather or price shock of sufficiently extreme severity, as linked to a rainfall-based index and/or other measures detailed in the Drought Risk Financing Manual, which inter alia, lays out the procedures for determining the severity of any shock as well as the appropriate scale of response.
Part 3: Institutional Support

Strengthening the institutional capacity for implementation of the Project and the Program, including:

(a) program management, at the Regional and federal government levels, to ensure effective management of the PSNP Program by the food security, early warning and response, natural resources, and finance and economic development government offices, each in their respective functions;

(b) capacity building to fill identified gaps relevant to the PSNP Program in general, and those gaps particular to: (i) the Drought Risk Financing Facility established under Part 2 of the Project; (ii) the scale-up of PSNP to pastoral areas within the Recipient’s territory; and (iii) the Federal PWCU and Regional PWFUs;

(c) monitoring and evaluation to ensure regular monitoring data, with specific focus on upgrading the monitoring system for public works; establishment of Regional Information Centers; and ensuring effective functioning of the Federal and Regional Rapid Response Mechanism;

(d) implementing the ESMF; and

(e) transparency and accountability measures to further strengthen widespread understanding of the Program among key stakeholders and greater accountability of decision-makers, including ensuring Program-wide use of PASS and PSNP client cards.

Part 4: Support for Household Asset Building Activities

Supporting asset building of food insecure households through, *inter alia*:

(a) capacity building within Government agricultural extension and micro/small enterprise development programs to enhance capacity for the provision of demand-based and market-oriented advisory
services for household investments, including development of education materials and curricula and training on facilitation skills, and technical assistance; and

(b) development, field testing, and dissemination of financial products that respond to the needs and capacity of food insecure households, including supporting: (i) a related rolling training program; (ii) development of financial literacy materials; and (iii) capacity building of WCPOs in order to expand coverage and outreach of rural savings and credit cooperatives and microfinance institutions.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. General

1. The Recipient shall carry out the Project in accordance with the PSNP Program Implementation Manual throughout the period of implementation of the Project.

B. Institutional Arrangements

1. The Recipient shall, at the Federal level, at all times during the Project implementation, maintain:

   (a) the Federal Food Security Coordination Directorate ("FSCD") within MoA, with the responsibility for: (i) overall oversight, coordination, monitoring of implementation of the Project, including developing, in collaboration with other directorates, technical guidelines and Training for activities under the Project; and (ii) consolidated quarterly and annual reporting on the progress of the Project in accordance with the requirements set forth or referred to in paragraph A.1 of Section II of this Schedule 2;

   (b) the Federal Early Warning and Response Directorate ("EWRD") within MoA, with the responsibility for, inter alia: (i) maintaining the early warning system and disseminating information periodically; (ii) participating in needs assessment and annual reviews; (iii) fulfilling logistic support activities; (iv) determining jointly with FSCD: (A) the timing of authorizing the scaling-up of Public Works Program Subprojects and other activities under Part 2 of the Project; and (B) the allocations of amounts under the Drought Risk Financing Facility established thereunder;

(c) the Natural Resources Management Directorate ("NRMD") of MoA, with the responsibility for providing, through the Federal Public Works Coordination Unit ("Federal PWCU"), overall coordination and technical oversight of the public works carried
out under the Project, in conformity with the appropriate standards as defined in the Program Implementation Manual;

(d) the Federal Agricultural Extension Directorate ("AED") within MoA, with the responsibility for, *inter alia*: (i) overseeing and managing the implementation of Part 4 of the Project; (ii) ensuring effective coordination across departments and ministries for the successful implementation of the Project; and (iii) implementing the strengthening of the extension service toward a demand-driven approach;

(e) the Joint Strategic Oversight Committee ("JSOC") chaired by the State Minister of DRMFSS, with the responsibility for ensuring dialogue and joint oversight of Program implementation at a strategic level, and making recommendations on strategic decisions concerning Program implementation, linkages with emergency interventions, other food security interventions and the RED&FSP, and related policies;

(f) the PSNP Risk Financing Management Committee ("PRFMC") chaired by the State Minister of DRMFSS, with the responsibility for allocating, based on the relevant early warning assessment data, transfers to targeted beneficiaries in PSNP Participating Woredas through the Drought Risk Financing Facility established under Part 2 of the Project; and

(g) the Ministry of Finance and Economic Development ("MoFED"), with responsibility for mobilizing resources and ensuring financial management of the PSNP and HABP Programs in accordance with the requirements set forth or referred to in Part B of Section II of this Schedule 2.

2. The Recipient shall, at all times during the Project implementation, maintain at the Regional level for each of the Participating Regions the following, among others:

(a) Regional Cabinets, with the responsibility for: (i) reviewing and approving the corresponding Regional food security plan; (ii) reviewing and approving the Regional PSNP and HABP annual
work plan and budget consolidated by the BoARD from the corresponding Woredas, and submitted by the BoFED; and (iii) reviewing quarterly and annual progress reports on Project and Program implementation and budget utilization at the Regional level, as submitted by BoFED;

(b) Regional Food Security Steering Committees ("Regional FSSCs"), with the responsibility for providing oversight and policy guidance in the implementation of the Project at the Regional level, including monitoring and evaluation of Project and Program activities. To this end, the Regional FSSC shall be comprised of a representative of BoARD as its chair, and a representative from each of the Regional FSCO, BoFED, Bureau of Capacity Building, Bureau of Water Resources, Regional Cooperatives Promotion Agency, and Bureau of Health;

(c) Regional Bureaus of Agriculture and Rural Development ("Regional BoARDs"), with the responsibility for managing the PSNP and HABP activities at the Regional level and overseeing their integration into the Recipient’s Food Security Program and the Regional Rural Development Strategy, and providing overall guidance to the Regional FS COs and line bureaus to ensure coordination on planning and implementation;

(d) Regional Food Security Coordination Offices ("Regional FSCOs"), with the responsibility for day to day management and coordination of the Project activities at the Regional level including, inter alia: (i) managing and coordinating the PSNP and HABP; (ii) consolidating annual implementation plans and budgets for the Region; (iii) supporting capacity building and requirements for technical assistance; (iv) coordinating monitoring and evaluation activities under the PSNP Program; and (v) implementing the Regional Rapid Response Mechanism referred to under Part 3(c) of the Project;

(c) the Regional Early Warning and Response Core Process ("Regional EWRC P"), with the responsibility for collecting and
analyzing early warning data and supporting the transport and management of food resources for the PSNP;

(f) Regional Natural Resources Management Departments ("Regional NRMDs"), with the responsibility for the management, through the Regional Public Works Focal Units ("Regional PWFUs"), of the relevant Regional Public Works Program. Responsibilities of the Regional PWFUs include, *inter alia*: (i) managing Regional PSNP public works; (ii) implementing the public works monitoring and evaluation system at the Regional level; (iii) ensuring implementation of the ESMF at the Regional level; (iv) consolidating Woreda work plans and budgets; (v) overseeing Woreda supervision of public works, including the integration of community watershed plans into Woreda plans; (vi) providing technical back-stopping as required; and (vii) preparing quarterly progress reports for public works;

(g) Regional Agricultural Extension Departments ("Regional AEDs") within the BoARDs, with the responsibility for the effectiveness of the technical services component of the HABP. Responsibilities of the Regional AEDs include: (i) preparing and reviewing the consultative stakeholder process and providing technical inputs into the market analysis; (ii) consolidating plans and budgets for HABP technical services developed in the Woredas; (iii) overseeing the integration of market analysis and other HABP-related plans into Woreda plans; (iv) overseeing Woreda supervision of HABP technical services; (v) ensuring effective training related to HABP technical services, market analysis and marketing; and (vi) supporting the monitoring and evaluation system of the Regional FSCO; and

(h) Bureaus of Finance and Economic Development ("BoFEDs"), with the responsibility for: (i) disbursing PSNP and HABP resources to Participating Woredas and line departments; (ii) financial management of Regional PSNP and HABP budgets, including financial reporting; and (iii) providing technical support to Participating Woredas.
3. Each Participating Woreda shall, at all times during the Project implementation, maintain, among others:

(a) a Woreda Food Security Task Force ("Woreda FSTF"), with the responsibility for, inter alia: (i) reviewing and processing Kebele safety net plans; (ii) consolidating the annual Woreda PSNP and HABP work plans and budgets, ensuring their integration within the overall Woreda development plan and preparing appropriate proposals to the Woreda Council for approval and allocation of financial resources; (iii) ensuring that all Woreda offices integrate PSNP and HABP activities into their annual work plans; and (iv) participating in Project and Program monitoring and evaluation activities, all in accordance with the criteria established in the Program Implementation Manual;

(b) a Woreda Office of Agriculture and Rural Development ("WoARD"), with responsibility for implementing PSNP and HABP activities at the Woreda level, maintaining an accurate record of appeals and appeals resolutions, and ensuring that posters are effectively disseminated to ensure broad awareness of rights and responsibilities under the programs;

(c) a Woreda Food Security Desk ("Woreda FSD"), with the responsibility for overseeing PSNP and HABP activities at the Woreda level, ensuring the preparation of the pipeline of projects for the PSNP, mobilizing technical assistance, ensuring that PSNP risk financing contingency plans are prepared and implemented according to risk financing guidelines, and undertaking monitoring and evaluation in coordination with Woreda sectoral offices;

(d) an Early Warning and Response Desk, with the responsibility for providing accurate and timely early warning information, ensuring adequate linkages between Risk Financing resourced activities and other actions related to humanitarian response, and assisting in managing the scaling-up of the PSNP system in case of activation, in the Woreda, of the Drought Risk Financing Facility established under Part 2 of the Project;
(e) a Natural Resource Desk, with direct responsibility for managing PSNP public works in the Woreda with the support of the Woreda FSD, including, *inter alia*: (i) consolidating public works plans and budgets developed in the Kebeles; (ii) ensuring integration of community watershed plans; (iii) assisting in supervising public works and providing technical backstopping; and (iv) implementing the ESMF at the Woreda level;

(f) a Woreda Office of Finance and Economic Development ("WoFED"), with responsibility for, *inter alia*: (i) ensuring that the budget for the PSNP and HABP is received in a timely manner at the Woreda level; (ii) undertaking timely PSNP payments for beneficiary households; (iii) supervising personnel and the purchase of relevant equipment and materials; and (iv) exercising fiduciary controls and submitting reports on fund utilization to the Regional BoFED;

(g) a Woreda Cooperatives Promotion Office ("WCPO"), with responsibility for assisting in capacitating existing rural savings and credit cooperatives and establishing new ones; and

(h) a Woreda Agricultural Extension Desk ("WAED"), with responsibility for leading and coordinating all activities entrusted to Woreda Food Security Task Force in relation to the HABP.

4. Each participating Kebele shall, at all times during the Project implementation, maintain, among others:

(a) a Kebele Food Security Task Force ("FSTF"), with the responsibility for oversight in planning and implementation of the Project activities at the Kebele level. Responsibilities shall include, *inter alia*: (i) community mobilization to identify and prioritize community needs; (ii) supporting development agents in planning work with identified communities; and (iii) targeting beneficiaries and participants for public works and direct support based on community target exercises; and
(b) a Kebele Appeals Committee, with responsibility for, *inter alia*, hearing and resolving appeals with regard to the PSNP Program activities, and maintaining records and posting of records of decisions in such cases.
C. **Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. **Procedures and Eligibility Criteria for Safety Net Grants**

1. Except as the World Bank shall otherwise agree, the Recipient shall: (a) apply the criteria, policies, procedures and guidelines set forth in the Program Implementation Manual; and (b) not amend, abrogate, or waive, or permit to be amended, abrogated or waived, the Program Implementation Manual, or any provision thereof, in a manner which, in the opinion of the World Bank, may materially and adversely affect the implementation of the Project.

2. Without limitation to the provisions of paragraph 1 of this Part D of this Section I of Schedule 2, no Public Works Program Subproject or other support for Labor-poor Households shall be eligible for financing under a Safety Net Grant, made out of the proceeds of the Grant, unless the corresponding Woreda Council shall have determined, on the basis of an appraisal conducted by relevant Woreda staff in accordance with the guidelines set forth in the Program Implementation Manual, that the relevant Public Works Program Subproject or support for Labor-poor Households satisfies the eligibility criteria specified in the Program Implementation Manual, which shall include the following:

   (a) the Public Works Program Subproject shall be for the carrying out of labor intensive activities, including, *inter alia*, watershed management, soil and water conservation, road construction and rehabilitation, construction and rehabilitation of small community managed irrigation schemes, and the improvement of basic social service delivery; all as shall be identified in accordance with the agreed identification criteria for such Public Works Program Subprojects;

   (b) the Public Works Program Subprojects shall be identified and prioritized in the respective Woreda development plan; and
in the case of grants to support Labor-poor Households, the relevant support shall be designed appropriately for individuals identified in a community or Kebele as Eligible Beneficiaries having inadequate capabilities for performing manual labor, as such eligibility criteria shall have been included in the Woreda’s relevant safety net plan adopted in conformity with procedures and criteria described in the Program Implementation Manual.

E. **Environmental and Social Management Framework**

The Recipient shall ensure that the Public Works Program Subprojects are designed, executed and carried out in full compliance with the standards set forth in the ESMF and the laws and regulations of the Recipient relating to public health and safety, environmental protection, resettlement, and social impacts.

Section III. **Project Monitoring, Reporting and Evaluation**

A. **Project Reports**

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of the indicators set forth in Schedule 3 of this Agreement. Each Project Report shall cover the period of one quarter of the Ethiopian fiscal year, and shall be furnished to the World Bank not later than sixty (60) days after the end of the period covered by such report.

2. Without limitation upon the provisions of Section 2.06 of the Standard Conditions, the Recipient shall carry out a joint review of the progress of the Project implementation at regular intervals with the donor partners financing the PSNP Program.

3. The Recipient shall carry out a mid-term review of the progress achieved under the Project by June 30, 2012, and furnish to the World Bank: (i) evidence that the National Social Protection Strategy has been finalized; (ii) evidence of an approved disaster risk management policy; (iii) an independent process evaluation of experience to date with the Drought Risk Financing Facility carried out under the Productive Safety Net APL.
II Project, and Part 2 of the Project; all within the context of the Recipient's broader emergency response system; (iv) an independent assessment of the PSNP based on a representative household survey and community-level public works surveys; (v) an independent assessment of effectiveness of systems development for the Household Asset Building Program under Part 4 of the Project; and (vi) an assessment of the domestic and donor partner resources which shall have been made available to date for the PSNP Program, according to the overall PSNP financing plan, together with identification of any financing gaps that may have occurred to date, and any financing gaps projected to occur for the remaining period of the implementation of the Program, and options proposed for responding to any such gaps.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

2. The Recipient shall, through MoFED, prepare and furnish to the World Bank, in form and substance satisfactory to the World Bank, and not later than sixty (60) days after the end of each quarter of the EFY, interim un-audited financial reports for each of the respective Parts of the Project covering the period.

3. The Recipient shall, through MoFED, have the Financial Statements for the Project audited in accordance with the provisions of Section 2.07(b) of the Standard Conditions. The first audit shall cover the period up to the end of the EFY 2002 (period ending July 7, 2010). Thereafter, each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six months after the end of such period. In addition, the Recipient shall, through MoFED, cause the program auditor to audit, on a continuous basis, samples of Woredas that have received funds; and moreover, through MoFED, cause the auditor to provide the World Bank with quarterly interim audit reports, within sixty (60) days of the end of each quarter of the EFY.

4. Without limitation upon the provisions of paragraph 3 of this Part B of this Section II, the Recipient, through MoA, shall, as part of the audit of the Financial Statements have the commodity flow and status reports (statements) for the Project audited in form and substance satisfactory to the World Bank. The first such audit shall cover the period up to the end of the fiscal year 2002 (period ending July 7, 2010). Thereafter, each audit of the commodity flow and status reports (statements) shall cover the period of one fiscal year of the Recipient. The
Section III. Procurement

A. General

1. Goods and Works. All goods, works, non-consulting services, and consultants’ services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Schedule.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the World Bank of particular contracts, refer to the corresponding method described in the Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods, Works, and Non-Consulting Services

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods, Works, and Non-Consulting Services. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:
Procurement Method

(a) National Competitive Bidding
(b) Direct Contracting
(c) Shopping
(d) Procurement from United Nations Agencies
(e) Community Participation

3. National Competitive Bidding (NCB) shall follow the Recipient’s procurement procedures, subject to the following additional procedures: (i) the Recipient’s standard bid documents for procurement of goods and works shall be used; (ii) if pre-qualification is used, the World Bank’s standard prequalification document shall be used; (iii) margin of preference shall not be applicable; (iv) bidders shall be given a minimum of 30 days to submit bids from the date of availability of the bidding documents; (v) use of merit points for evaluation of bids shall not be allowed; (vi) foreign bidders shall not be excluded from participation; and (vii) the results of evaluation and award of contract shall be made public.

C. Particular Methods of Procurement of Consultants’ Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. Other Methods of Procurement of Consultants’ Services. The following table specifies methods of procurement, other than Quality and Cost-based Selection, which may be used for consultants’ services. The Procurement Plan shall specify the circumstances under which such methods may be used.
