(Transformation of the Tertiary Technical and Technological Institutes Project – Proyecto de Reconversión de la Educación Técnica y Tecnológica Superior Pública)

between

REPUBLIC OF ECUADOR

and

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT

Dated December 22, 2016
LOAN AGREEMENT

Agreement dated December 22, 2016, between the REPUBLIC OF ECUADOR ("Borrower"), through its Ministry of Finance, and the INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT ("Bank"). The Borrower and the Bank hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — LOAN

2.01. The Bank agrees to lend to the Borrower, through its Ministry of Finance, on the terms and conditions set forth or referred to in this Agreement, the amount of ninety million and five hundred thousand Dollars ($90,500,000), as such amount may be converted from time to time through a Currency Conversion in accordance with the provisions of Section 2.08 of this Agreement ("Loan"), to assist in financing the project described in Schedule 1 to this Agreement ("Project").

2.02. The Borrower, through its Ministry of Finance, may withdraw the proceeds of the Loan in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Front-end Fee payable by the Borrower, through its Ministry of Finance, shall be equal to one quarter of one percent (0.25%) of the Loan amount. The Borrower shall pay the Front-end Fee not later than sixty (60) days after the Effective Date.

2.04. The Commitment Charge payable by the Borrower, through its Ministry of Finance, shall be equal to one quarter of one percent (0.25%) per annum on the Unwithdrawn Loan Balance.

2.05. The interest payable by the Borrower, through its Ministry of Finance, for each Interest Period shall be at a rate equal to the Reference Rate for the Loan Currency plus the Fixed Spread; provided, that upon a Conversion of all or any portion of the principal amount of the Loan, the interest payable by the Borrower, through its Ministry of Finance, during the Conversion Period on such amount shall be determined in accordance with the relevant provisions of Article IV of the General Conditions. Notwithstanding the foregoing, if any amount of the Withdrawn Loan Balance remains unpaid when due and such non-payment
continues for a period of thirty (30) days, then the interest payable by the Borrower shall instead be calculated as provided in Section 3.02 (e) of the General Conditions.

2.06. The Payment Dates are May 15 and November 15 in each year.

2.07. The principal amount of the Loan shall be repaid in accordance with the amortization schedule set forth in Schedule 3 to this Agreement.

2.08. (a) The Borrower may at any time request any of the following Conversions of the terms of the Loan in order to facilitate prudent debt management: (i) a change of the Loan Currency of all or any portion of the principal amount of the Loan, withdrawn or unwithdrawn, to an Approved Currency; (ii) a change of the interest rate basis applicable to: (A) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate to a Fixed Rate, or vice versa; or (B) all or any portion of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Reference Rate and the Variable Spread to a Variable Rate based on a Fixed Reference Rate and the Variable Spread, or vice versa; or (C) all of the principal amount of the Loan withdrawn and outstanding from a Variable Rate based on a Variable Spread to a Variable Rate based on a Fixed Spread; and (iii) the setting of limits on the Variable Rate or the Reference Rate applicable to all or any portion of the principal amount of the Loan withdrawn and outstanding by the establishment of an Interest Rate Cap or Interest Rate Collar on the Variable Rate or the Reference Rate.

(b) Any conversion requested pursuant to paragraph (a) of this Section that is accepted by the Bank shall be considered a “Conversion”, as defined in the General Conditions, and shall be effected in accordance with the provisions of Article IV of the General Conditions and of the Conversion Guidelines.

ARTICLE III — PROJECT

3.01. The Borrower declares its commitment to the objectives of the Project. To this end, the Borrower shall: (i) cause SECOb to carry out Part 1 (a) of the Project with the assistance of SENESCYT; (ii) cause INEC to carry out Part 3 (b) (ii) of the Project; (iii) carry out Parts 1 (b), 2 and 3 (a), (b) (i), (c) and (d) of the Project through SENESCYT, all in accordance with the provisions of Article V of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Borrower and the Bank shall otherwise agree, the Borrower shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — EFFECTIVENESS; TERMINATION

4.01. The Additional Conditions of Effectiveness consist of the following:

(a) The SECOb Agreement has been executed on behalf of the Borrower, through SENESCYT, and SECOb in a manner acceptable to the Bank.
(b) The INEC Agreement has been executed on behalf of the Borrower, through SENESCYT, and INEC, in a manner acceptable to the Bank.

(c) The pertinent administrative act (Acuerdo Ministerial) approving the Operational Manual has been issued.

4.02. The Additional Legal Matters consist of the following:

(a) The SECOB Agreement has been duly authorized or ratified by the Borrower and SECOB and is legally binding upon the Borrower and SECOB in accordance with its terms.

(b) The INEC Agreement has been duly authorized or ratified by the Borrower and INEC and is legally binding upon the Borrower and INEC in accordance with its terms.

4.03. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

ARTICLE V — REPRESENTATIVE; ADDRESSES

Project Description

The objectives of the Project are: to increase enrollment and persistence in public technical and technological programs designed and implemented in collaboration with Employers, and to strengthen the institutional management of Tertiary Technical and Technological Education.

The Project consists of the following parts:

Part 1. Optimizing and upgrading the supply in Targeted Provinces.

(a) Provisions of support to the Targeted Provinces for: (i) the construction of new ISTs; (ii) the rehabilitation, expansion and/or completion of existing ISTs; (iii) the supervision of civil works under (i) and (ii) herein; (iv) the acquisition of laboratories and information and communication technologies equipment and furniture; and (v) the carry out of technical and feasibility studies for the works mentioned in (i) and (ii) herein (other than for the works located in the provinces of Bolivar, El Oro and Sucumbios).

(b) Preparation and consolidation of individual IST Transformation Plans for all Targeted Provinces.

Part 2. Improving program relevance, quality of teaching and IST management capacity.

(a) Provision of support to SENESCYT for: (i) the design of new TTTE programs according to labor market demand; and (ii) the review of the process of collaboration with the Employers in designing the programs mentioned in (i) herein.

(b) Provision of support for: (i) the design and carrying out of training programs, including training programs for management staff (rectors, vice-rectors, academic coordinators), teachers and tutors of dual programs of ISTs; and (ii) the design of the selection process and teacher career pathway.

(c) Provision of support for the development of the administrative and academic management system of ISTs.

Part 3. Strengthening mechanisms for institutional coordination, boosting demand and management, monitoring and evaluation of the Project.

(a) Provision of support to SENESCYT for: (i) strengthening of institutional arrangements for public-private association, namely between SENESCYT and Employers’ Associations; and (ii) strengthening engagement between public and private ISTs.

(b) Provision of support for upgrading the methodology to estimate the Employers’ demand by types of skills and TTTE’s programs, through: (i) the design of a methodology for estimating the demand by SENESCYT through surveys carried
out in collaboration with Employers; and (ii) the evaluation of existing administrative data to estimate future Employer's demand, and if necessary, include a module for TTTE in INEC's surveys of employment to complement the existing data.

(c) Provision of support for: (i) boosting the demand of TTTE through the design and carrying out of media campaigns among students of secondary education on the advantages of TTTE, in collaboration with MINEDUC; and (ii) the design and carrying out of a program for raising awareness among students from the most vulnerable part of the population on scholarships to finance TTTE studies.

(d) Provision of support for: (i) the technical and administrative management of the Project, including the hiring of financial management, procurement, monitoring and evaluation, and social management specialist and other technical temporary staff needed during Project implementation; (ii) the carrying out of Project external audits; (iii) the carrying out of TTTE research studies on: (A) the composition of the existing offer of TTTE by type of program; (B) the academic curriculum; (C) teachers' recruitment, incentives and skills; (D) students' education profile, socio-economic background, and financial assistance and scholarships, with a particular emphasis on gender disparities and students from the most vulnerable part of the population; (E) institutional management practices; and (F) engagement with the Employers; and (iv) the carrying out of research studies on the impact of institutional improvement of educational outcomes.

2. If the proceeds of the Loan have not been fully withdrawn as of the first Principal Payment Date, the principal amount of the Loan repayable by the Borrower on each Principal Payment Date shall be determined as follows:

(a) To the extent that any proceeds of the Loan have been withdrawn as of the first Principal Payment Date, the Borrower shall repay the Withdrawn Loan Balance as of such date in accordance with paragraph 1 of this Schedule.

(b) Any amount withdrawn after the first Principal Payment Date shall be repaid on each Principal Payment Date falling after the date of such withdrawal in amounts determined by the Bank by multiplying the amount of each such withdrawal by a fraction, the numerator of which is the original Installment Share specified in the table in paragraph 1 of this Schedule for said Principal Payment Date ("Original Installment Share") and the denominator of which is the sum of all remaining Original Installment Shares for Principal Payment Dates falling on or after such date, such amounts repayable to be adjusted, as necessary, to deduct any amounts referred to in paragraph 4 of this Schedule, to which a Currency Conversion applies.

3. (a) Amounts of the Loan withdrawn within two (2) calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.

(b) Notwithstanding the provisions of sub-paragraph (a) of this paragraph, if at any time the Bank adopts a due date billing system under which invoices are issued on or after the respective Principal Payment Date, the provisions of such sub-paragraph shall no longer apply to any withdrawals made after the adoption of such billing system.
4. Notwithstanding the provisions of paragraphs 1 and 2 of this Schedule, upon a Currency Conversion of all or any portion of the Withdrawn Loan Balance to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Bank by multiplying such amount in its currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Bank under the Currency Hedge Transaction relating to the Conversion; or (ii) if the Bank so determines in accordance with the Conversion Guidelines, the exchange rate component of the Screen Rate.
