SCHEDULE 1

Project Description

The objective of the Project is to improve the availability of electricity in the Recipient’s territory in the short term and prepare the ground for a sustainable long term development of the sector.

The Project consists of the following parts:

A. Short term investments

1. Supporting the Recipient in the reinforcement and rehabilitation of power generation infrastructure, including the rehabilitation of existing hydroelectric units and thermal units, in Andekaleka, Antelomita, Antsirabe, Vatomandry and Ambohimanambola.

2. Supporting the Recipient in: (a) the reduction of transmission losses, through the rehabilitation of transmission networks, in particular the Ambohimanambola/Mandraka transmission line; and (b) the reduction of distribution losses, through the rehabilitation of low voltage (LV) networks in some of the following networks: RI-Tana, Morondava, Manakara, Antsiranana, Sambava, Antalaha, Amabanja, and Toamasina.

3. Supporting the Recipient in: (a) improving its revenue management capacity, through the implementation of a meter and residential customer records verification program, the installation of prepayment meters, distribution of compact fluorescent lamps, and the verification of installations in premises of industrial clients; and (b) modernizing information systems, and information and telecommunications equipment, and provision of training in the same.

B. Technical Assistance, Capacity Building and Project Implementation

1. Providing technical assistance to the Recipient with respect to possible options for the management of JIRAMA with the involvement of the private sector.

2. Supporting the Recipient in the carrying out of: studies and the provision of technical assistance related to the governance and regulation of power sector institutions and the management options for JIRAMA, the review of the legal framework, and electricity sector regulation (including tariff regulation); and technical studies related to the preparation of future investments such as prefeasibility, feasibility and environmental studies for priority investments and rapid diagnosis of the power system.

3. Supporting project monitoring, including environmental and social, and evaluation of the activities under the Project.

4. Supporting project implementation, project coordination, procurement, and financial management, through the provision of technical advisory services and related training.
SCHEDULE 2

Project Execution

Section I. Subsidiary Financing; Institutional and Other Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of the Project Implementing Entity’s Respective Part of the Project, the Recipient shall make part of the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement (“Subsidiary Agreement”) between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association, which shall include the following:

(a) The obligation of the Recipient to transfer the proceeds of the Credit required for the implementation of Part A of the Project to the Project Implementing Entity on a reimbursable basis, and otherwise, to take all action necessary to permit the Project Implementing Entity to carry out the Project and ensure the achievement of the objective thereof.

(b) The obligation of the Project Implementing Entity to promptly inform the Recipient of any condition which interferes or threatens to interfere with the implementation of the Project and the achievement of the objective thereof.

(c) The obligation of the Project Implementing Entity, at the request of the Recipient, to exchange views with the Recipient with regard to the progress of the Project and the achievement of the objective thereof, and the Project Implementing Entity’s performance of its obligations under the Subsidiary Agreement and the JIRAMA Project Manual.

(d) The obligation of the Project Implementing Entity to carry out the Project in accordance with this Agreement, the Project Agreement, the Subsidiary Agreement, and the JIRAMA Project Manual, and at all times to ensure that only activities that comply with the Subsidiary Agreement and the JIRAMA Project Manual will be financed from the proceeds of the Credit.

(e) The obligation of the Project Implementing Entity to comply with the ESMF and EMP.

(f) The obligation of the Project Implementing Entity to promptly refund to the Recipient any proceeds from the Credit not used for purposes of carrying out the Project or for achieving the objective thereof, or otherwise utilized in a
manner which does not comply with the provisions of this Agreement or the Project Agreement.

(g) A provision stipulating that, in case of conflict between any of the provisions contained in the Subsidiary Agreement or the JIRAMA Project Manual, on one hand, and those set forth in this Agreement and the Project Agreement, on the other hand, the provisions of this Agreement and the Project Agreement shall at all times prevail.

2. The Recipient shall exercise its rights and carry out its obligations under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association, and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, arrogate or waive the Subsidiary Agreement of any of its provisions.

B. Other Arrangements

1. The Recipient shall ensure that, at all time during project implementation, a team composed of staff with qualifications and experience satisfactory to the Association, including an accountant and a procurement officer, be maintained within MoE for the purpose of carrying out Part B of the Project. Said team within MoE shall be responsible for providing overall support, and strategic guidance, and for carrying out fiduciary and monitoring and reporting activities under Part B of the Project.

2. The Recipient shall carry out the Project, or cause the Project to be carried out, in accordance with the provisions of the ESMF, and, as the case may be, in accordance with the provisions of the EMP, and except as the Association shall otherwise agree, the Recipient shall not amend or waive any provision of the aforementioned, if such amendment or waiver may, in the opinion of the Association, materially or adversely affect the implementation of the Project.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than 45 days after the end of the period covered by such report.
2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than 3 months after the Closing Date.

B. Financial Management, Financial Reports, and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than 45 days after the end of each calendar semester, interim un-audited financial reports for the Project covering the semester, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The Recipient shall ensure that the audited Financial Statements for each period shall be: (a) furnished to the Recipient and the Association not later than six months after the end of the period; and (b) made publicly available in a timely fashion and in a manner acceptable to the Association.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Schedule.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
