(Additional Financing For the Stormwater Management and Climate Change Adaptation Project)

between

REPUBLIC OF SENEGAL

and

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT
acting as an Implementing Agency of the Global Environment Facility

Dated May 12, 2017
GEF GRANT NUMBER TF0A4329

GLOBAL ENVIRONMENT FACILITY
GRANT AGREEMENT

AGREEMENT dated May 12, 2017, entered into between REPUBLIC OF SENEGAL ("Recipient") and INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT ("World Bank"), acting as an Implementing Agency of the Global Environment Facility ("GEF") for the purpose of providing additional financing for activities related to the Original Project (as defined in the Appendix to this Agreement). The Recipient and the World Bank hereby agree as follows:

Article I
Standard Conditions; Definitions

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions or in this Agreement.

Article II
The Project

2.01. The Recipient declares its commitment to the objectives of the project described in Schedule 1 to this Agreement ("Project"). To this end, the Recipient shall cause the Project to be carried out by the Municipal Development Agency ("Project Implementing Entity") in accordance with the provisions of Article II of the Standard Conditions and the agreement of even date between the World Bank and the Project Implementing Entity, as such agreement may be amended from time to time ("Project Agreement").

2.02. Without limitation upon the provisions of Section 2.01 of this Agreement, and except as the Recipient and the World Bank shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

Article III
The Grant

3.01. The World Bank agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount not to exceed five
million five hundred four thousand five hundred eighty-seven United States Dollars ($5,504,587) ("Grant") to assist in financing the Project.

3.02. The Recipient may withdraw the proceeds of the Grant in accordance with Section IV of Schedule 2 to this Agreement.

3.03. The Grant is funded out of the abovementioned trust fund for which the World Bank receives periodic contributions from the donors to the trust fund. In accordance with Section 3.02 of the Standard Conditions, the World Bank's payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient's right to withdraw the Grant proceeds is subject to the availability of such funds.

**Article IV**

**Additional Remedies**

4.01. The Additional Event of Suspension referred to in Section 4.02 (k) of the Standard Conditions consists of the following, namely that the Project Implementing Entity's Legislation has been amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the ability of the Project Implementing Entity to perform any of its obligations under the Project Agreement.

4.02. The Additional Event of Acceleration consists of the following, namely that the event specified in Section 4.01 of this Agreement occurs and is continuing for a period of 60 days after notice of the event has been given by the World Bank to the Recipient.

**Article V**

**Effectiveness; Termination**

5.01. This Agreement shall not become effective until evidence satisfactory to the World Bank has been furnished to the World Bank that the following condition, namely the Subsidiary Agreement has been executed on behalf of the Recipient and the Project Implementing Entity.

5.02. As part of the evidence to be furnished pursuant to Section 5.01 of this Agreement, there shall be furnished to the World Bank an opinion or opinions, satisfactory to the World Bank, of counsel acceptable to the World Bank or, if the World Bank so requests, a certificate satisfactory to the World Bank of a competent official of the Member Country, showing, on behalf of the Recipient and the Project Implementing Entity, that this Agreement and the Subsidiary Agreement to which the Beneficiary is a party have been duly authorized, executed and delivered on its behalf and are legally binding upon it in accordance with their terms.
5.03. Except as the Recipient and the World Bank shall otherwise agree, this Agreement shall enter into effect on the date upon which the World Bank dispatches to the Recipient notice of its acceptance of the evidence required pursuant to Section 5.01 of this Agreement ("Effective Date"). If, before the Effective Date, any event has occurred which would have entitled the World Bank to suspend the right of the Recipient to make withdrawals from the Grant Account if this Agreement had been effective, the World Bank may postpone the dispatch of the notice referred to in this Section until such event (or events) has (or have) ceased to exist.

5.04. Termination for Failure to Become Effective. This Agreement and all obligations of the parties under it shall terminate if it has not entered into effect by the date 90 days after the date of this Agreement, unless the World Bank, after consideration of the reasons for the delay, establishes a later date for the purpose of this Section. The World Bank shall promptly notify the Recipient of such later date.

The objectives of the Project are to reduce flood risks in peri-urban areas of Dakar and improve capacity to plan and implement sustainable city management practices, including climate resilience in selected urban areas.

The Project consists of the following parts:

**PART A: Integration of Climate Risks in Urban Planning and Management**

1. Integrating climate risks in urban planning and management at national and local urban planning, through the: (a) dissemination of the Drainage Master Plans for peri-urban areas of Dakar; (b) development and installation of a geographic information system for flood risk mapping and adaptation to climate change; (c) development of detailed urban plans for the Targeted Municipalities; (d) development of national strategy for integrated urban management and planning strategy, addressing, *inter alia*, flood prevention and climate change impact; (e) preparation and dissemination of appropriate housing development construction standards and regulations at national and local levels, designed to address the risks of flooding; and (f) provision of goods required for the purpose.

2. Strengthening the capacity of the Recipient's national and municipal staff to manage urban stormwater, by: (a) developing and implementing a module based training program in the area of urban stormwater management and adaptation to climate change; (b) developing and disseminating a toolbox kit to strengthen land use management and the capacity to coordinate stormwater management investments by key stakeholders; (c) carrying out an exchange visit program with other countries' urban management officials; and (d) provision of goods required for the purpose.

3. Improving capacity to plan and implement sustainable city management practices, including climate resilience, in selected urban areas, including, through:

   (a) (i) carrying out diagnostic studies and action plans on sustainable cities; (ii) carrying out a study on urban development; (iii) developing urban plans integrating climate resilience aspects; (iv) promoting intercommunal cooperation in the integration of city sustainability management practices in selected urban areas and their neighbors; (v) developing and implementing priority actions and micro-projects related to improving quality of life; (vi) developing a model of connecting the urban pole of Diamniadio to Dakar and the rest of the country; (vii) developing and implementing a hydrodynamic model and coastal environmental monitoring system; and (viii) establishing a client-server and multi-user Geographic Information System (GIS).
(b) Preparing and disseminating the outcomes and lessons learned through, *inter alia*, the development of related websites, preparation of academia curricula, organization of study tours and workshops on knowledge management, sustainable and resilience urban areas, and climate change adaptation in coastal areas.

(c) Strengthening the national urban policy framework to promote sustainable cities model by: (i) carrying out an urban policy gap analysis and action plan for relevant reforms, including climate resilience; and (ii) supporting the preparation of priority urban policy reform documents to promote cities’ sustainability, including climate resilience.

**PART B: Drainage Investment and Management**

1. Design and construction of a primary drainage system in peri-urban areas of Dakar, including: (a) undertaking of technical, environmental and social feasibility studies for a primary drainage network in the Targeted Municipalities; (b) assessment of ways to avoid involuntary resettlement, and where this is not feasible, identification of such potential resettlement; (c) construction and implementation of priority drainage infrastructure works; (d) undertaking an impact evaluation study; and (e) carrying out of emergency drainage works.

2. Development and establishment of an institutional and financial mechanism for the proper operation and maintenance of the stormwater drainage systems and operation and maintenance of the drainage system constructed under Part B.1 of the Project.

**PART C: Community Engagement in Urban Flood Risk Reduction and Adaptation to Climate Change**

1. Strengthening the capacity, knowledge and involvement of Targeted Municipalities in reducing flood risks and adapting to climate change through: (a) design of a communication, education and information strategy; (b) implementation of a local engagement strategy; and (c) preparation of annual independent evaluations of the results of implementing such strategy.

2. Carrying out of a program to reduce the vulnerability of local communities to flood related risks and improve overall urban service delivery, said program to consist of: (a) measures to strengthen community organization capacity to prevent flooding, (b) pilot flood risk oriented small scale investments in selected communities; and (c) provision of goods required for the purpose.
PART D: Project Coordination, Management, Monitoring and Evaluation

Project coordination, supervision, financial management, communication and outreach, including: (a) supervision of implementation of the Safeguard Documents; (b) monitoring and evaluation of the Project; (c) employment of a monitoring and evaluation specialist; and d) provision of Training, Operating Costs, goods, and services required for the purpose.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. In order to ensure the proper oversight of the Project and coordination among the Recipient’s ministries and agencies involved in the Project, the Recipient shall maintain throughout the period of Project implementation, with membership, terms of reference and resources satisfactory to the World Bank, a steering committee chaired by a representative of the Prime Minister, and comprised of minister’s representatives of all key ministries and prefects, the mayors of the Targeted Municipalities (“Steering Committee”), to be responsible for providing overall guidance on and oversight of the Project including, *inter alia*, endorsing the proposed Annual Work Plans for the Project.

2. The Recipient shall maintain, throughout the implementation of the Project, the ONAS with functions, staffing and resources satisfactory to the World Bank, as further described in the Project Implementation Manual, to be responsible for procurement and technical supervision and management of the activities under Part B.2 of the Project.

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Grant available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the World Bank (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the World Bank and to accomplish the purposes of the Grant. Except as the World Bank shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the “Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants”, dated October 15, 2006 and revised in January 2011 (“Anti-Corruption Guidelines”).
D. Annual Work Plan

1. The Recipient shall: (a) review and furnish to the World Bank for its approval, not later than December 15 in each Fiscal Year during the implementation of the Project, the proposed annual work plan (including activities for the following Fiscal Year and related budget and any required Safeguard Documents including a financing plan for any resettlement compensation required for said activities) prepared by the Project Implementing Entity and furnished to it pursuant to Section I.D of the Schedule to the Project Agreement for the following Fiscal Year; (b) afford the World Bank a reasonable opportunity to exchange views with the Recipient and the Project Implementing Entity on said proposed plan; and (c) thereafter ensure that the Project is implemented with due diligence during said following Fiscal Year in accordance with such annual work plan as shall have been approved by the World Bank ("Annual Work Plan").

2. The Recipient shall not make or allow to be made any change to the Annual Work Plan without prior approval in writing by the World Bank.

E. Safeguards

1. The Recipient shall ensure that the Project is carried out in accordance with the relevant Safeguard Documents, and to that end, if any activity included in an Annual Work Plan would, pursuant to the Safeguard Documents require the adoption of any Supplemental Social and Environmental Safeguard Document:

   (a) The Recipient shall prepare: (i) such Supplemental Social and Environmental Safeguard Document; (ii) furnish such Supplemental Social and Environmental Safeguard Document to the World Bank for review and approval; and (iii) thereafter adopt such Supplemental Social and Environmental Safeguard Document, prior to implementation of the activity; and

   (b) thereafter take such measures as shall be necessary or appropriate to ensure compliance with the requirements of such Supplemental Social and Environmental Safeguard Document, including without limitation to the above, providing funds as and when required for resettlement compensation when and if required under a RAP.

2. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall ensure that the Project Implementing Entity shall regularly collect, compile and submit to the World Bank each semester, reports, in form and substance satisfactory to the World Bank, on the status of compliance with the Safeguard Documents, giving details of:
(a) measures taken in furtherance of such Safeguard Documents;
(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Safeguard Documents; and
(c) remedial measures taken or required to be taken to address such conditions.

3. The Recipient shall afford the World Bank a reasonable opportunity to review the reports prepared under paragraph 2 of this Part E, and thereafter shall carry out or cause to be carried out, with due diligence, all remedial measures agreed with the World Bank so as to ensure the proper implementation of the Project in accordance with the Safeguard Documents.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports; Completion Report

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of indicators acceptable to the World Bank. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the World Bank not later than one month after the end of the period covered by such report.

2. The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six (6) months after the Closing Date.

B. Financial Management; Financial Reports; Audits

1. The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

2. The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank not later than forty-five (45) days after the end of each calendar quarter, covering the quarter, in form and substance satisfactory to the World Bank.

3. The Recipient shall have its Financial Statements for the Project audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six (6) months after the end of such period.
