SCHEDULE

Execution of the Project Implementing Entity's Respective Part of the Project

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Project Implementing Entity shall be responsible for collaborating with ECSA-HC and Participating Countries in coordinating regional activities for the Project, such as regional policy advocacy, action on mine health regulations and occupational health, all as further set forth in the Financing Agreements, Annual Work Programs (as defined below) and the PIM.

2. The Project Implementing Entity shall assign, throughout Project implementation, staffing (under terms of reference, qualifications and scope of responsibilities), adequate resources and responsibilities satisfactory to the Association, for the purpose of implementing the Project, all as further set forth in the PIM.

3. The Project Implementing Entity shall, no later than two (2) months after the First Effective Date, or such later date as the Association may agree, establish, and thereafter maintain throughout Project implementation, its team for the Regional Secretariat, in a form and with functions, composition, mandate and staffing, (under terms of reference, qualifications and scope of responsibilities) and adequate resources, including a policy specialist, an occupational health specialist, a finance officer, and other technical specialists, as further set forth in the PIM, all satisfactory to the Association; the Regional Secretariat to be responsible for running the day-to-day management of the Project at the regional level, and provide secretariat services to the Regional Advisory Committee.

4. The Project Implementing Entity shall:

   (a) no later than three (3) months after the First Effective Date, or such later date as the Association may agree, enter into the Cooperation Agreement with ECSA-HC, in form and substance satisfactory to the Association, and shall carry out its Respective Part of the Project in accordance with the Cooperation Agreement;

   (b) no later than one (1) month after the First Effective Date, or such later date as the Association may agree, adopt the PIM, in form and substance satisfactory to the Association;

   (c) no later than six (6) months after the First Effective Date, or such later date as the Association may agree hire an external auditor, satisfactory to the Association;

   (d) carry out its Respective Activities in accordance with the PIM, the Subsidiary Agreements and the Safeguards Documents, and shall not amend said documents without the prior written approval of the Association; and
cooperate, coordinate and collaborate with Participating Countries and their institutions and other regional organizations and stakeholders, as agreed with the Association, in a manner to further the interests of the Project, including sharing of information and preparation of work programs and reports.

5. The Project Implementing Entity shall, not later than November 15 in each calendar year during Project implementation, prepare and furnish to the Association, and to ECSA-HC (for incorporation and forwarding by ECSA-HC to the Association of the consolidated regional annual work program ("Consolidated Regional Annual Work Program"), a program of activities for its Respective Part of the Project, proposed for inclusion in the Project during the following calendar year, including: (a) a detailed timetable for the sequencing and implementation of said activities; (b) the types of expenditures required for such activities; and (c) the planned procurement methods for the expenditures, ("Annual Work Program").

(a) The Project Implementing Entity shall exchange views with the Association and ECSA-HC on each such proposed annual work program, and shall thereafter carry out such program of activities for such following year as shall have been agreed between the Project Implementing Entity, ECSA-HC and the Association.

(b) Only those activities which are included in an Annual Work Program and the Consolidated Regional Annual Work Program shall be included in the Project. Notwithstanding the foregoing, the Annual Work Program and Consolidated Regional Annual Work Program might be amended from time to time to include new activities with the prior and written concurrence of the Association.

B. Anti-Corruption

The Project Implementing Entity shall ensure that its Respective Part of the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Project Implementing Entity shall monitor and evaluate the progress of its Respective Part of the Project and prepare Project Reports for its Respective Part of the Project in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators set forth in the Project Implementation Manual and acceptable to the Association. Each such Project Report shall cover the period of one calendar semester, and shall be furnished to the Recipient and the Association not later than thirty (30) days after the end of the period covered by such report, and to ECSA-HC for incorporation and forwarding by ECSA-HC to the Association of the consolidated overall Project Reports not later than thirty (30) days after the end of the period covered by such report.

2. Without limitation on the provisions of Part A of this Section, the Project Implementing Entity shall prepare and furnish to the Association not later than forty-five (45) days after
the end of each calendar quarter, interim unaudited financial reports for its Respective Part of the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Project Implementing Entity shall provide to the Recipients not later than three (3) months after the Closing Date, for incorporation in the report referred to in Section 4.08 (c) of the General Conditions all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.

B. Financial Management, Financial Reports and Audits

1. The Project Implementing Entity shall maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations and financial condition of the Project Implementing Entity, including the operations, resources and expenditures related to its Respective Part of the Project.

2. Without limitation on the provisions of Part A of this Section, the Project Implementing Entity shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for its Respective Part of the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Project Implementing Entity shall have its financial statements referred to above audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association. Each audit of these financial statements shall cover the period of one fiscal year of the Project Implementing Entity. The Project Implementing Entity shall ensure that the audited financial statements for each period shall be: (a) furnished to the Recipient and the Association not later than six (6) months after the end of the period; and (b) made publicly available in a timely fashion and in a manner acceptable to the Association.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section, as the same shall be elaborated in the procurement plan prepared and updated from time to time by the Project Implementing Entity for the Project in accordance with paragraph 1.18 of the Procurement Guidelines and paragraph 1.25 of the Consultant Guidelines (“Procurement Plan”).
