Other Relevant Procurement Information.
The proposed procurement approach prioritizes fast track emergency procurement for the required emergency goods, particularly for the prevention and response phases.

In this regards, key measures to fast track procurement include the following:

- Direct Contracting and/or Limited Competition and RFQs with identified manufacturers, suppliers and providers for most of the items;
- UN agencies and NGOs and any other fit for purpose methods agreed with the Accredited Procurement Specialist (APS) will be approved through the procurement plan;
- Other measures like shorter bidding time, no bid security, advance payments, direct payments, will be applied on a case by case basis with guidance from the APS;
- Retroactive financing i.e. procurement before effectiveness before effectiveness of the project financing;
- Post review of procurement processes.
