STATEMENT OF MANAGEMENT'S RESPONSIBILITY

The Permanent Secretary, Ministry of Gender (MOG), is responsible for preparing the Financial Statements for each year, which give a true and fair view of the state of affairs of the Project's funds received, expenditure incurred and the surplus/deficit accrued for that period. In preparing the Financial Statements, suitable accounting policies are used and applied consistently, making judgement and estimates that are reasonable and prudent.

The Permanent Secretary, MOG, is responsible for ensuring that the project keeps proper accounting records, which disclose with reasonable accuracy at any time the financial position of the project. Further, the Permanent Secretary is also responsible for safeguarding the assets of the programme and taking reasonable steps for the prevention and detection of errors, fraud and other irregularities.

The Statement of Sources and Utilisation of Funds is drawn up in accordance with accounting principles generally accepted by the Government of the Republic of Zambia (GRZ) and the Project Cooperating Partner(s). The accounting records and other relevant documents and registers required by the Financing Agreement have been properly kept in accordance with the Financing Agreement.

The Permanent Secretary, MOG, confirms that the Statement of Sources and Utilisation of Funds are drawn up so as to give a true and fair view of the funds received, expenditure incurred and surplus funds of the programme for the period ended 31st December 2017, and also that the funds received from the World Bank have been expended for the intended purposes as required by the Project Implementation Manual read together with the Project Financing Agreement.

To the Project Steering Committee- Girls Education and Women's Empowerment and Livelihood (GEWEL) Project

Report on the Audit of the Financial Statements

Opinion

I have audited the financial statements of the Girls Education and Women's Empowerment and Livelihood (GEWEL) Project, which comprise the Statement of Sources and Utilisation of Funds for the year ended 31st December 2017, and notes to the financial statements, including a summary of significant accounting policies as set out on pages 6 to 11.

In my opinion, the accompanying financial statements of the Girls Education and Women's Empowerment and Livelihood (GEWEL) Project have been prepared, in all material respects, in accordance with International Public Sector Accounting Standards (IPSASs) Cash Basis of Accounting and the Financing Agreement between the International Development Association and the Government of the Republic of Zambia.

Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Girls Education and Women's Empowerment and Livelihood (GEWEL) Project in accordance with the International Organisation of Supreme Audit Institutions (INTOSAI) Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Zambia, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the INTOSAI Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Public Sector Accounting Standards (IPSASs) Cash Basis of Accounting and the Financing Agreement between the International Development Association and the Government of the Republic of Zambia, and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. Those charged with governance are responsible for overseeing the Project's financial reporting process.

OFFICE OF THE AUDITOR GENERAL INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that I identify during my audit. I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and communicated with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

In my Opinion, the Financial Statements of the Girls Education and Women's Empowerment and Livelihood (GEWEL) Project have been properly prepared in accordance with the International Development Association Financing Agreement.

(i) Basis of preparation of the Statement of the Sources and Utilisation of Funds

The Statement of Sources and Utilisation of Funds is prepared on a cash basis under the historical cost convention and in accordance with International Public Sector Accounting Standards (IPSAS). The cash basis of accounting differs from the generally accepted accounting principles in that, transactions are not recognised when they occur but when cash or its equivalent is received or paid.

The accounting period is for a period of Twelve (12) months of the financial year ended 31st December, 2017.

(iii) Sources of Funds

Sources of Funds represent the amounts received from the International Development Association (World Bank) in the accounting period.

(iv) Utilisation of Funds

Utilisation of Funds represents amounts paid during the accounting period. No provisions are made for accrued expenses. Expenses, apart from advances, are recognized at the time they are paid; advances are expensed when they are retired.

(v) Assets

All Assets, including those of a capital nature are expensed at the time of acquisition; and the registers for fixed assets acquired during the period are kept at the project management and coordination Unit.
