Dear Sirs,

RE: REPUBLIC OF THE SUDAN: IFAD GRANT NO. DSF-8043SD  
(Revitalizing the Sucan Gum Arabic Production and Marketing Project)

We refer to the Letter of Appointment dated November 16, 2009 between the International Fund for Agricultural Development ("IFAD") and the International Development Association (the "World Bank") in connection with the Revitalizing the Sudan Gum Arabic Production and Marketing Project (Letter of Appointment).

We also refer to more recent exchanges ending with the understanding that the term of the Letter of Appointment is to be deemed extended without interruption up to 30 June 2014 and that IFAD shall pay the World Bank the costs incurred by the World Bank for services rendered in connection with the Letter of Appointment up to an amount not exceeding US$ 30,000. The terms of reference for such activities will be agreed at the operational level between IFAD and the World Bank. The World Bank shall submit to IFAD annual billing statements based on an agreed fixed cost of services, and IFAD shall pay the World Bank's costs in advance up to an agreed amount on a quarterly basis, subject to adjustments in the final billing statement to conform to actual activities undertaken by the World Bank. Amounts due to the World Bank shall be eligible for payment from 1st November 2012.

Except as expressly modified hereby, the Letter of Appointment remains unmodified and in full force and effect.

Please indicate your agreement with the foregoing by countersigning the six copies of this Letter and returning three copies to the Fund. This Letter thereby constitutes a formal agreement between IFAD and the World Bank, which shall become effective upon your countersignature as of the date hereof.

Yours sincerely,

INTERNATIONAL FUND FOR AGRICULTURAL DEVELOPMENT
