SCHEDULE 1

Project Description

The objectives of the Project are to support the Recipient in: (a) increasing water service coverage in the Recipient’s cities of Beira, Nampula, Quelimane, and Pemba under the delegated management framework, and, (b) establishing an institutional and regulatory framework for its smaller cities and towns for water supply.

The Project consists of the following parts:

Part A: Investments and Support to FIPAG

(a) Expansion and extension of: (i) approximately 25 kilometers of water supply networks and distribution through the carrying out of Works in Pemba, Nampula, Quelimane, and Beira; and (ii) approximately 345 kilometers of water supply networks and distribution through the carrying out of Works in Pemba, Nampula, Quelimane, and Beira.

(b) Support to FIPAG to: (i) enable it to carry out the works mentioned under (a) above through the provision of: (1) technical assistance; (2) consumables including fuel and utilities for system maintenance; and (3) goods including meters, pumps and chemicals; and (ii) carry out its day-to-day operations, through the provision of: (1) technical assistance; and (2) goods including quality control replacement parts, emergency and maintenance equipment and vehicles.

(c) Strengthening FIPAG’s capacity, including supervision, through the provision of training and technical assistance.

Part B: Capacity building, Institutional and Operational Support to DNA

(a) Support to DNA, through the provision of: (i) technical assistance in the establishment and operationalization of an AMU developed under DNA based on the Recipient's delegated management model, on a pilot basis and in the establishment of PWBs, and once established, support to AMU in the drafting and negotiation of initial performance contracts with PWBs; (ii) goods and equipment including vehicles, furniture, computers to support the AMU and PWBs establishment and operation; (iii) operating cost support for AMU and the PWBs; and (iv) carrying out of training and capacity building for staff of DNA, AMU and the PWBs.

(b) Support to DNA to effectively enable the pilot provincial systems under the performance contracts mentioned under (a) (i) above, through the provision of: (i) operating costs; and (ii) goods and equipment, including water supply equipment,
chemicals, meters, pipes and valves, vehicles, furniture, and computers.

(c) Strengthening DNA’s institutional capacity, including supervision, through the provision of training and technical assistance to facilitate the preparation of: (i) a SWAp for water supply for rural areas; (ii) a medium-term expenditure framework to facilitate the implementation of the water sector policy; (iii) common guidelines for future investments in the water sector; and (iv) mitigation strategies with respect to the impact of HIV/AIDS on the sector.

Part C: Capacity Building, Institutional and Operational Support to CRA

(a) Support to CRA’s institutional capacity to: (i) expand the scope of its regulatory framework and differentiated regulatory approaches to be applied to privately and publicly-operated water supply systems; and (ii) supervise decentralized regulatory agents to ensure application of CRA’s regulations in smaller cities and towns through the provision of training of CRA staff and technical assistance.

(b) Support to CRA to enable it to effectively carry out its expansion to provincial level and to maintain the same operational standards of its headquarters including through the provision of: (i) operating costs; and (ii) goods and equipment, including vehicles, computers, and furniture.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Subsidiary Agreements

1. To facilitate the carrying out of the Project Implementing Entities’ Respective Parts of the Project, the Recipient shall make part of the proceeds of the Credit available to the Project Implementing Entities under subsidiary agreements (“Subsidiary Agreements”) between the Recipient and each Project Implementing Entity, under terms and conditions approved by the Association, which shall include:

(a) with respect to FIPAG, and for the purposes of carrying out Part A (a) (i), A (b) (1) and (2), A (b) (ii) and A (c) of the Project, the obligation of the Recipient to make available to FIPAG, on reimbursable on-lending terms, the proceeds of the Credit allocated from time to time to Categories (1), (2) (a) and (4) respectively of the table set forth in Section IV.A.2 of this Schedule;

(b) (i) with respect to CRA, and for the purposes of carrying out Parts B and C of the Project, the obligation of the Recipient to make available to CRA, on non-reimbursable grant terms, the proceeds of the Credit allocated from time to time to Categories (2) (b) and (3) respectively of the table set forth in Section IV.A.2 of this Schedule; and

(ii) with respect to CRA, its obligation for the carrying out of the procurement and financial management of Part B of the Project, on behalf of DNA.

2. The Recipient shall exercise its rights under the Subsidiary Agreements in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreements or any of its provisions.
B. Institutional Arrangements

1. Project Implementing Agencies

(a) The Recipient shall ensure that FIPAG, DNA and CRA are maintained at all times during the implementation of the Project with functions, staffing, and resources satisfactory to the Association, for the purpose of ensuring the prompt and efficient implementation of the Project.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

1. The Recipient shall ensure that the Project is carried out in accordance with the guidelines, rules and procedures defined in the EA and EMP prepared in respect of the Works to be carried out under Part A (a) of the Project, and shall ensure that, prior to carrying out any construction, rehabilitation and maintenance activities under the Project:

   (a) any necessary Resettlement Action Plans are prepared, disclosed and implemented in a manner acceptable to the Association, in accordance with the RPF; and

   (b) any necessary Environmental Assessments are prepared and disclosed, Environmental Management Plans are prepared, disclosed and implemented by the Recipient and the Project Implementing Entities and are maintained in full force and effect at all times during the implementation of the Project, in accordance with the EA and ESMF, and in a manner satisfactory to the Association.

2. The Recipient shall not amend or waive, or permit to be amended or waived, the EA, the RPF, RAPs or EMPs, or any provision thereof, without prior approval in writing by the Association.

3. In case of any conflict between the terms of the EA, EMP, RPA or the RPF and those of this Agreement, the terms of this Agreement shall prevail.
Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall cause each of the Project Implementing Entities and DNA to monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions on the basis of the indicators set forth below with respect to DNA and in Section II.A.1 (a) of the Schedule to the Project Agreements, and monitor indicators agreed with the Association. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

(b) The performance indicators with respect to DNA referred to above in sub-paragraph (a) consist of the following:

<table>
<thead>
<tr>
<th>Performance Criteria</th>
<th>Unit</th>
<th>Performance by Close of Project</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) Pilot Provincial Water Boards established</td>
<td>Number</td>
<td>2</td>
</tr>
<tr>
<td>(b) AMU has deconcentrated the management of provincial water supply to local private operators</td>
<td>Contracts with local operators</td>
<td>2</td>
</tr>
</tbody>
</table>

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six months after the Closing Date.

3. On or about the date thirty (30) months after the Effective Date, the Recipient shall undertake in conjunction with the Association, the Co-financier and the Project Implementing Entities a comprehensive mid-term review of the Project during which it shall exchange views generally on all matters relating to the progress of the Project, the performance by the Recipient of its obligations under this Agreement, and the Co-financing Grant Agreement, the performance by the Project Implementing Entities of their respective obligations under the Project Agreements, having regard to the performance indicators referred to in paragraph
A.1 (b) of this Part II, the tariff levels to assess the planned timing for cost recovery for the PWBs, and the quantification of the financing gap after Project completion in the operating costs support with respect to Part B (b) (i) of the Project to the PWBs for the water schemes covered by them.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and shall cause the Project Implementing Entities to prepare and furnish to the Association as part of the Project Report not later than one month after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall cause the Project Implementing Entities to have their own financial statements, and the Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each such audit shall cover the period of one Fiscal Year. The audits for each such period shall be furnished to the Association not later than six months after the end of such period.
