SCHEDULE

Execution of the Project

Section I. Implementation and Other Institutional Arrangements

A. Implementation Arrangements

1. The Project Implementing Entity shall maintain throughout Project implementation a Project management team, with mandate, composition and resources satisfactory to the Association, and supported by qualified and experienced staff in adequate numbers, to be responsible for implementation of the Project.

2. The Project Implementing Entity shall take all necessary measures on its part to implement the Management Action Plan in order to maintain a sound management capacity within its structure, as shall be necessary for the successful implementation of the Project.

3. The Project Implementing Entity shall, by not later than January 15, 2016, or such later date as may be agreed to by the Association, prepare and submit a LEC Business Plan to its Board of Directors for approval, with an aim to improve its commercial management and strengthen its managerial capacity.

B. Anti-Corruption

The Project Implementing Entity shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Project Implementation Manual

(a) The Project Implementing Entity shall carry out the Project in accordance with the PIM, and shall not amend or waive any of its provisions without the prior written agreement of the Association.

(b) Notwithstanding the foregoing, in the event of any inconsistency between the provisions of the PIM and those of this Agreement, the provisions of this Agreement shall prevail.

D. Annual Work Plans

(a) The Project Implementing Entity shall prepare and furnish to the Association for its approval, not later than March 31st in each year during the implementation of the Project, an annual work plan covering all activities proposed to be carried out in the following calendar year,
including: (a) a detailed timetable for the sequencing and implementation of such activities; and (b) a proposed budget and financing plan for such activities, including counterpart funding required for the purpose.

(b) The Project Implementing Entity shall afford the Association a reasonable opportunity to exchange views with it on such proposed plan and budget, and thereafter allocate the necessary counterpart funds and implement or cause to be implemented of the Project during such following calendar year in accordance with such annual work plan, and on the basis of such budget, as shall have been approved by the Association.

E. Safeguards

1. Without limitation to any provisions within this Agreement, the Project Implementing Entity shall, except as otherwise agreed in writing by the Association:

(a) implement the Project in accordance with the ESMF and RPF;

(b) in case of any activity under the Project requiring the adoption of an ESIA, ESMP, or RAP, as the case may be:

(i) proceed to have such ESIA, ESMP, or RAP, as the case may be: (A) prepared in accordance with the applicable framework; (B) submitted to the Association for review and approval; and (C) thereafter adopted, prior to implementation of the activity; and

(ii) thereafter take such measures as shall be necessary or appropriate to ensure compliance with the requirements of such ESIA, or ESMP, RAP; and

(c) in the case of any resettlement activity under the Project involving Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before necessary resettlement measures consistent with the RAP are in place, including, in the case of displacement, full payment to Affected Persons of compensation and of other assistance required for relocation, prior to displacement.

2. Without limitation upon its other reporting obligations under this Agreement, the Project Implementing Entity shall regularly collect, compile and submit to the Recipient and the Association as part of the Project Reports, in form and substance satisfactory to the Association, reports on the status of compliance with the Safeguard Instruments, giving details of: (a) measures taken in furtherance of such Safeguard Instruments; (b) conditions, if any, which interfere or threaten to
interfere with the smooth implementation of such Safeguard Instruments; and (c) remedial measures taken or required to be taken to address such conditions.

3. The Project Implementing Entity shall afford the Association a reasonable opportunity to review and exchange views with the Recipient and the Project Implementing Entity on the reports prepared under paragraph 2 immediately above, and thereafter, shall carry out, or cause to be carried out, with due diligence, all remedial measures agreed with the Association so as to ensure the proper implementation of the Project in accordance with the Safeguard Instruments.

4. The Project Implementing Entity shall not amend, suspend, abrogate or waive, or permit to be amended, suspended, abrogated or waived, any Safeguard Instrument, or any provision thereof without the prior written agreement of the Association.

5. In the event of a conflict between the provisions of any of the Safeguard Instruments and the provisions of this Agreement, the provisions of this Agreement shall prevail.

6. The Project Implementing Entity shall ensure that all terms of reference for any technical assistance and studies related to environmental and social safeguards to be carried out under the Project are prepared in form and substance satisfactory to the Association and consistent with the Association’s relevant environmental and social safeguards policies.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Project Implementing Entity shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each such Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Recipient and the Association not later than forty-five (45) days after the end of the period covered by such report.

2. The Project Implementing Entity shall provide to the Recipient and the Association not later than four (4) months after the Closing Date, a report referred to in Section 4.08(c) of the General Conditions and all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.

B. Financial Management, Financial Reports and Audits

1. The Project Implementing Entity shall maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to
reflect the operations and financial condition of the Project Implementing Entity, including the operations, resources and expenditures related to the Project.

2. The Project Implementing Entity shall have its financial statements referred to above audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association. Each audit of these financial statements shall cover the period of one (1) fiscal year of the Project Implementing Entity. The Project Implementing Entity shall ensure that the audited financial statements for each period shall be: (a) furnished to the Recipient and the Association not later than six (6) months after the end of the period; and (b) made publicly available in a timely fashion and in a manner acceptable to the Association.

Section III. Procurement

All goods, works and services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the provisions of Section III of Schedule 2 to the Financing Agreement.

Section IV. Amendments to the Original Project Agreement

Section IV of the Schedule to the Original Project Agreement is amended to read as follows:

“Section IV. Other Undertakings

The Project Implementing Entity shall take all necessary measures on its part to implement the Management Action Plan in order to maintain a sound management capacity within its structure, as shall be necessary for the successful implementation of the Project.”
