and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated 20th April, 2015
FINANCING AGREEMENT

AGREEMENT dated 20 th April , 2015, entered into between
TUVALU ("Recipient") and INTERNATIONAL DEVELOPMENT ASSOCIATION
("Association").

WHEREAS (A) The Recipient, Federated States of Micronesia, Republic of Marshall
Islands, Solomon Islands and other FFA Member Countries have, pursuant to the FFA
Treaty, undertaken to co-operate in the joint and efficient management of oceanic and
coastal fisheries within the Western and Central Pacific Ocean; and

(B) In order to assist in the carrying out of activities aimed at strengthening
the management of oceanic and coastal fisheries, and the critical habitats upon which they
depend:

(1) the Recipient has requested the Association to assist in the financing of the
project described in Schedule 1 to this Agreement ("Project");

(2) the Recipient has also requested the International Bank for Reconstruction
and Development ("World Bank"), acting as an Implementing Agency of the Global
Environment Facility ("GEF"), to provide additional assistance towards the financing of
the Project and the World Bank, acting as an Implementing Agency of the GEF, has agreed
to make available a grant to the Recipient from the GEF in the amount equal to nine
hundred ten thousand Dollars ($910,000) ("GEF Grant") to assist in the financing of the
Project, pursuant to a grant agreement to be entered into between the Recipient and the
World Bank ("GEF Grant Agreement");

(3) Federated States of Micronesia, Marshall Islands and Solomon Islands
have each requested the Association and the World Bank, acting as Implementing Agency
of the GEF, to assist in the financing of activities related to the Project that are designed to
further the objectives of this Project and the FFA Treaty; and

(4) the Pacific Islands Forum Fisheries Agency ("FFA") has requested the
Association and the World Bank, as Implementing Agency of the GEF, to assist in the
financing of activities related to the Project that are designed to further the objectives of
this Project and the FFA Treaty.

WHEREAS the Association has agreed, on the basis, inter alia, of the foregoing,
to extend a grant to the Recipient as specified in Section 2.01 of this Agreement upon the
terms and conditions set forth in this Agreement.
NOW THEREFORE the Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equivalent to four million eight hundred thousand Special Drawing Rights (SDR 4,800,000) (“Grant” or “Financing”) to assist in financing the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Payment Dates are February 15 and August 15 in each year.

2.05. The Payment Currency is Dollar.

ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out the Project through the Department of Fisheries in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.
ARTICLE IV — REMEDIES OF THE ASSOCIATION

4.01. The Additional Event of Suspension consists of the following namely that the Marine Resources Act has been amended, suspended, abrogated, repealed or waived in a manner that is not compatible with international law, specifically the United Nations Convention on the Law of the Sea, or in a manner that would affect materially and adversely the ability of the Recipient to perform any of its obligations under this Agreement.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

SCHEDULE 1

Project Description

The objective of the Project is to strengthen the shared management of selected Pacific Island oceanic and coastal fisheries, and the critical habitats upon which they depend.

The Project constitutes the first phase of the Pacific Islands Regional Oceanscape Program, and consists of the following parts:

Part 1. Sustainable Management of Oceanic Fisheries

Carrying out a program of activities aimed at strengthening the management of the Pacific region’s tuna fisheries, such program to include:

(a) Strengthening the capacity of the Department of Fisheries for sustainable management of shared tuna fisheries.

(b) Carrying out a program of activities designed to strengthen the institutional capacity of Department of Fisheries, such program to include: (i) provision of goods and technical assistance for institutional strengthening and review; (ii) the acquisition of hardware and software for real-time monitoring of fishing activity by observers; and (iii) the hardware, software and bandwidth expansion to enhance internet access for the Department of Fisheries.

(c) Piloting the community VDS funds program to be developed under the FFA Project to support public/social benefits from the proceeds of the sale of VDS days to fishing operators.

Part 2. Sustainable Management of Coastal Fisheries

Carrying out a program of activities designed to promote sustainable management of targeted coastal fisheries, such program to include undertaking resource and socio-economic assessments in selected Islands, developing and implementing management plans to improve sustainable management of the coastal fisheries.

Part 3. National Program Management, Monitoring and Evaluation

Carrying out a program of activities designed to strengthen the capacity of the Department of Fisheries for Project management and implementation, including for financial and procurement; monitoring and evaluation and safeguards.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements.

1. Forum Fisheries Agency

   To ensure proper regional coordination, the Recipient shall, in collaboration with FFA and the other Participating Countries, take all necessary measures on its part to ensure that the Program Support Unit (PSU), established within FFA, is maintained throughout the Project implementation period, with mandate and adequate resources, to be responsible for, inter alia, carrying out independent verification of achievement of DLIs under Part 1(a) of the Project; assisting the Recipient with processing of international procurement activities; preparing, in collaboration with the Department of Fisheries, documentation required for national level Project procurement processing; as well as collaborating on day-to-day implementation and financial reporting as required for the Project.

2. Department of Fisheries

   (a) To ensure proper and efficient implementation of the Project, the Recipient shall vest in the Department of Fisheries, responsibility for implementation of the Project and shall ensure that the Department of Fisheries has adequate resources required for implementation of the Project.

   (b) Recipient shall, by not later than four months after the Effective Date, appoint and thereafter maintain, a national Project coordinator, within the Department of Fisheries, to be responsible for, inter alia, overseeing implementation and monitoring of the Project, including coordinating with the PSU, managing all contracts financed under the project, and ensuring environmental and social safeguards compliance.

   (c) The Recipient shall, by not later than four months after the Effective Date, hire and thereafter maintain, throughout the Project implementation period, a Project accountant within the Department of Fisheries, with qualifications, experience and terms of reference satisfactory to the Association, to be responsible for providing financial management for the Project.
3. **Regional Procurement Evaluation Committee**

The Recipient shall, in collaboration with FFA and other Participating Countries, take all necessary action on its part to establish, by not later than six (6) months after the Effective Date, and thereafter maintain, a Regional Procurement Evaluation Committee, comprising representatives from FFA, and each Participating Country, to be responsible for contract award decision-making for regionally packaged procurement activities.

4. **Service Agreement**

(a) To facilitate proper and efficient implementation of the Project, the Recipient shall by not later than six months after the Effective Date, enter into and maintain, throughout the Project implementation period, a Service Agreement with FFA, under terms and conditions acceptable to the Association pursuant to which the FFA, through the PSU, shall provide technical, fiduciary, monitoring and implementation support to the Recipient, including, inter alia, carrying out verification of achievement of DLIs under Part 1(a) of the Project, and procurement services as detailed in Section I.A.1 of this Schedule 2.

(b) The Recipient shall exercise its rights under the Service Agreement, in such manner as to protect the interests of the Recipient and the Association, and to accomplish the purposes of the Financing, and except as the Association shall otherwise agree in writing, not assign, amend, abrogate or waive the Service Agreement or any provision thereof.

B. **Program Operations Manual**

1. The Recipient shall by not later than 3 months after the Effective Date, prepare, in collaboration with FFA and the other Participating Countries, and thereafter adopt a Program Operations Manual ("POM"), in form and substance acceptable to the Association, setting forth detailed arrangements and procedures for:
   (a) institutional coordination and day-to-day execution of the Project;
   (b) disbursement and financial management;
   (c) procurement processing procedures including the decision-making process;
   (d) environmental and social safeguards management;
   (e) monitoring and evaluation, reporting and communication; and
   (f) such other administrative, financial, technical and organizational arrangements and procedures as shall be required for the Project.

2. The Recipient shall ensure that the Project is implemented in accordance with the POM; and except as the Association shall otherwise agree in writing, the Recipient shall not assign, amend, abrogate, or waive, or permit to be assigned, amended, abrogated, or waived, the POM, any provision thereof.
3. In the event of a conflict between the provisions of the POM on the one hand, and those of this Agreement on the other hand, the latter shall govern.

C. Annual Work Plans and Budgets

1. The Recipient shall prepare and furnish to the Association not later than November 30 of each year (beginning from November 30, 2015) during the implementation of the Project (or such later date as the Association may agree) for the Association’s no-objection, a consolidated Annual Work Plan and Budget containing all eligible Project activities and Eligible Expenditures proposed to be included in the Project in the Recipient’s following fiscal year, including a specification of the source or sources of financing for all Eligible Expenditures, and environmental and social safeguard measures taken or planned to be taken in accordance with the provisions of Section I.E of this Schedule.

2. The Recipient shall implement the Project in accordance with the Annual Work Plan and Budget accepted by the Association for the Recipient’s respective fiscal year; provided, however, that in the event of any conflict between the Annual Work Plan and Budget and the provisions of this Agreement, the provisions of this Agreement shall prevail.

3. The Recipient shall not make or allow to be made any change to the Annual Work Plan and Budget without the Association’s prior no-objection in writing.

D. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

E. DLI Monitoring and Reporting

1. The Recipient shall, in accordance with the Service Agreement, make all necessary arrangements for the independent verification agent appointed by FFA, to carry out independent verifications of the status of achievement of all DLI Targets in accordance with the verification protocol and procedures set out in the Program Operations Manual.

2. Without limitation on its other reporting obligations under this Agreement, the Recipient shall: (a) not later than January 31 of each year during the implementation of the Project, furnish reports to the FFA on the status of achievement of the relevant DLI Targets; and (b) take all necessary measures on its part to ensure that the FFA furnishes to the Association the reports of the independent verification agent referred to in paragraph 1 above, by not later than March 31 of each year during the implementation of the Project, all in accordance with the verification protocol set out in the Program Operations Manual.
F. **Safeguards.**

1. The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Environmental and Social Management Framework ("ESMF") and the Process Framework.

2. Whenever an Environmental Management Plan ("EMP") shall be required for any proposed Project activity in accordance with the provisions of the ESMF, as the case may be, the Recipient shall ensure that:
   
   (a) prior to the commencement of such activity, such EMP is: (i) prepared in accordance with the provisions of the ESMF or the Process Framework, as the case may be; (ii) furnished to the Association for review and no-objection; and (iii) thereafter adopted and disclosed as accepted by the Association, in a manner satisfactory to the Association; and
   
   (b) thereafter such measures are taken as shall be necessary or appropriate to ensure compliance with the requirements of such EMP.

3. The Recipient shall not amend, abrogate or waive, or permit to be amended, abrogated or waived, the ESMF and the Process Framework, unless the Association has provided its prior no-objection thereof in writing, and the Recipient has complied with the same consultation and disclosure requirements as applicable to the original adoption of the said instruments.

4. The Recipient shall ensure that all terms of reference for any technical assistance or studies carried out under the Project shall be consistent with the Association’s environmental and social safeguards policies, as well as the Recipient’s own laws relating to the environment and social aspects, and in drafting any regulations, guidelines or corporate procedures and carrying out capacity building activities under the Project, due attention is given to said policies and laws.

5. The Recipient shall ensure that:
   
   (a) all monitoring, control and surveillance activities carried out by the Recipient under the Project shall be under the control of a civilian fisheries officer or another civilian agency of the Recipient acceptable to the Association, and shall be carried out under terms of reference limited to fisheries surveillance;
   
   (b) each surveillance mission carried out by the Recipient under the Project shall be: (a) governed by detailed protocols prepared in accordance with terms of reference satisfactory to the Association, requiring that such missions be: (i) under the operational command or authority of a civilian fisheries officer; and (ii) conducted during a specific time period that is
duly recorded and documented; and (b) be conducted by personnel who have been properly trained in the operation of any equipment used in the surveillance mission;

(c) where a patrol or surveillance mission under the Project has multiple tasks: (i) accounts are maintained in a manner acceptable to the Association which demonstrate that the Financing has been used for the exclusive purpose of financing fisheries surveillance activities; and (ii) that the Association is granted access to such accounts;

(d) all goods, works, services and operating costs for fisheries monitoring, control and surveillance and related enforcement activities financed out of the proceeds of the Financing are used for the sole purpose of enforcing the fisheries laws and regulations and shall not be used for any military purpose, or for enforcement of other non-fisheries laws; and

(e) all fisheries monitoring, control and surveillance and related enforcement activities carried out under the Project, shall be compatible with international law, and specifically, with Article 73 of the United Nations Convention Law of the Sea Treaty (UNCLOS), that: (a) any foreign vessels and crew arrested in the Recipient’s exclusive economic zone shall be immediately released upon posting a reasonable bond or other security; (b) penalties imposed by the Recipient for violations of fisheries laws and regulations may not include imprisonment; and (c) in cases of arrest or detention of foreign vessels, the Recipient shall promptly notify the flag state of the action taken and of any penalties subsequently imposed.

6. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall, in accordance with terms of reference satisfactory to the Association: (a) monitor the status of compliance with the ESMF, Process Framework and the provisions of paragraphs 4 and 5 of this Section I.F; and (b) prepare quarterly reports and furnish the same to the Association, as part of the Project Reports, on the results of such monitoring activities, giving details of:

(a) measures taken in furtherance of the ESMF, Process Framework and paragraphs 4 and 5 of this Section I.F;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such ESMF, Process Framework and paragraphs 4 or 5 of this Section I.F; and

(c) remedial measures taken or required to be taken to address such conditions.
7. In the event of any conflict between the provisions of the ESMF and the Process Framework, and the provisions of this Agreement, the provisions of this Agreement shall prevail.

Section II.  Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators set forth in the Program Operations Manual. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

2. Mid-term Review

The Recipient shall: (a) not later than three (3) years after Effective Date (or such other date as the Association may agree), carry out a mid-term review of the Project and prepare and furnish to the Association a mid-term report, in such detail as the Association shall reasonably request, documenting progress achieved in the carrying out of the Project during the period preceding the date of such report, taking into account the monitoring and evaluation activities performed pursuant to paragraph 1 of this Section II.A, and setting out the measures recommended to ensure the continued efficient carrying out of the Project and the achievement of its objective during the period following such date; and (b) review with the Association such mid-term report, on or about the date one month after its submission, and thereafter take all measures required to ensure the continued efficient implementation of the Project and the achievement of its objective, based on the conclusions and recommendations of the mid-term report and the Association’s views on the matter.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. The first audit of the
Financial Statements shall cover the period from the date of this Agreement to December 31, 2016; and subsequent audits shall cover the period of one (1) fiscal year of the Recipient beginning on January 1, 2017. The audited Financial Statements for each such period shall be furnished to the Association not later than nine (9) months after the end of such period.

Section III. **Procurement**

A. **General**

1. **Goods, Works and Non-consulting Services.** All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in Sections II and III of the Procurement Guidelines, or Sections II, III, IV and V of the Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods, Works and Non-consulting Services**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following methods, other than International Competitive Bidding, may be used for procurement of goods, works and non-consulting services for those contracts specified in the Procurement Plan: (a) Procurement under Framework Agreements in accordance with procedures which have been found acceptable to the Association; (b) Direct Contracting; and (c) Shopping.
C. Particular Methods of Procurement of Consultants’ Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

2. Other Methods of Procurement of Consultants’ Services. The following methods, other than Quality- and Cost-based Selection, may be used for procurement of consultants’ services for those contracts which are specified in the Procurement Plan: (a) Quality-based Selection; (b) Selection under a Fixed Budget; (c) Least Cost Selection; (d) Selection based on Consultants’ Qualifications; (e) Single-source Selection of consulting firms; (f) Procedures set forth in paragraphs 5.2 and 5.3 of the Consultant Guidelines for the Selection of Individual Consultants; and (g) Single-source procedures for the Selection of Individual Consultants.

D. Review by the Association of Procurement Decisions

The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review. All other contracts shall be subject to Post Review by the Association.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Financing (“Category”), the allocations of the amounts of the Credit and of the Grant to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) for payments made prior to the date of this Agreement, except that withdrawals up to an aggregate amount not to exceed SDR 100,000 equivalent may be made for payments made prior to this date but on or after November 1, 2014, for Eligible Expenditures under Category (1); or

   (b) for DLI Expenditures under Category (2) until and unless the Recipient shall have: (i) complied with the additional instructions referred to in Section IV.A.1 of this Schedule, including submission to the Association of the applicable statements of expenditure evidencing the incurrence of eligible DLI Expenditures during the respective DLI Period for which payment is requested; and (ii) furnished evidence satisfactory to the Association, in accordance with the verification protocol set out in the Annex to this Schedule, that the DLI Target for the respective DLI Period for which payment is requested has been achieved.

2. Withdrawals under Category (2) shall not exceed the lesser of: (a) the DLI Value allocated to each DLI achieved during the respective DLI Period; and (b) the amount of DLI Expenditures incurred but not paid by the proceeds of the Financing as of the DLI Period for which payment is requested.
3. Notwithstanding the provisions of Parts A and B.1 of this Section, the amount of the Financing to be withdrawn upon the verified achievement of any DLI Target shall correspond to the DLI Value of such DLI Target as set forth in the Annex to this Schedule 2.

4. Notwithstanding the provisions of Part B.1 (b) of this Section, the Recipient may withdraw as an advance under Category (2) an amount not to exceed the total amount of the DLI Values against the DLI Targets which are set to be achieved during a given Fiscal Year; provided, however, that if any of the DLI Targets for such Fiscal Year, in the opinion of the Association, are not achieved or are only partially achieved by the relevant DLI Target Achievement Date, then: (a) the amount of the advance for any subsequent Fiscal Year shall be reduced by an amount corresponding to the amount of the DLI Value(s) (or portion of such amount as applicable) of the unachieved or partially unachieved DLI Target(s); or (b) in the case any DLI Target(s) remaining unachieved or partially unachieved after the Closing Date, the Recipient shall refund to the Association the amount of the advance corresponding to the amount of the DLI Value(s) (or portion of such amount as applicable) of the unachieved or partially unachieved DLI Target(s), promptly upon notice thereof by the Association. Except as otherwise agreed with the Recipient, the Association shall cancel the amount so refunded.

5. Notwithstanding the provisions of Part B.1 (b) of this Section, if the Association shall determine, based on the evidence furnished by the Recipient under paragraph 1 of this Part B, that any DLI Target has not been achieved by its DLI Target Achievement Date, the Association may in its sole discretion, by notice to the Recipient: (a) withhold in whole or in part the amount of the Financing allocated to such DLI Target; (b) disburse in whole or in part the amount of the Financing allocated to such DLI Target at any later time if and when such DLI Target is actually completed, to the extent that such completion remains feasible at a later time; (c) reallocate in whole or in part any withheld amount of the Financing allocated to such DLI Target; and/or (d) cancel in whole or in part any withheld amount of the Financing allocated to such DLI Target.

APPENDIX

Section I. Definitions

1. "Annual Work Plan and Budget" means each annual work plan, together with the related budget and updated procurement plan, for the Project accepted by the Association pursuant to the provisions of Section 1.C of Schedule 2 to this Agreement; as the said plan and budget may be modified from time to time with the prior written no-objection of the Association.

3. "Category" means a category set forth in the table in Section IV of Schedule 2 to this Agreement.

5. "Department of Fisheries" means the fisheries department established within the Recipient's Ministry of Natural Resources, or any successor thereto.

6. "DLIs" or "Disbursement Linked Indicators" mean, collectively, the disbursement-linked targets set forth in the Annex to Schedule 2 to this Agreement, and to be accomplished as provided for in Section IV.B.1 of Schedule 2 to this Agreement; and the acronym "DLI" means individually, any one of such targets.

7. "DLI Expenditures" means reasonable costs of Incremental Operating Costs and Recurrent Costs (as hereinafter defined) required for Part 1(a) of the Project.

8. "DLI Period" means the calendar period specified in the Annex to Schedule 2 to this Agreement, during which each DLI Target (as hereinafter defined) is set to be achieved.

9. "DLI Target" means the target specified in the Annex to Schedule 2 to this Agreement set to be achieved under the applicable DLI during the respective DLI Period.

10. "DLI Target Achievement Date" means, with regard to each DLI Target, the end of the Fiscal Year during which the relevant DLI Target is set to be achieved as set forth in the table in the Annex to Schedule 2 to this Agreement.
11. “DLI Value” means the amount of the Financing allocated in the Annex to Schedule 2 to each respective DLI Target, or such other amount as the Association may establish from time to time by notice to the Recipient.
