SCHEDULE 1

Project Description

The objective of the Project is to enhance prospects for economic growth in the Recipient’s territory through provision of an efficient and integrated transport system that is safe and affordable to improve access to services and market opportunities for all across the Recipient’s territory.

The Project consists of the following parts:

1. Formulation of Appropriate Institutional Reform Policy for the Transport Sector

(a) Formulation and implementation of policies aimed at: (i) introducing new management vision and techniques for the road sub-sector at the central as well as at the local level; and (ii) strengthening managerial and operational capacity in the Roads Directorate as well as at the local authorities in charge of local roads maintenance.

(b) Provision of appropriate training to staff of MPWT selected for redeployment out of MPWT.

(c) Strengthening the capacity of private sector contractors to enable MPWT to phase out its road maintenance activities through force account by contracting the said maintenance activities to private sector contractors.

(d) (i) Refurbishing of facilities housing the Roads Directorate; and (ii) acquisition of equipment for the Roads Directorate and for the local authorities in charge of local roads maintenance.

(e) Carrying out the MUPTS aimed at strengthening MMC’s capacity for efficient urban planning and transport systems.

(f) Carrying out the ITPDS aimed at equipping the Recipient with a coherent and fully integrated framework for efficient development and management of activities pertaining to its civil aviation, rail, intermediate transport and water transport sub-sectors.

(g) Training to strengthen expertise and capacity for staff in charge of activities pertaining to the Project.

(h) Acquisition of technical advisory services.
2. Infrastructure Development

(a) Carrying out of emergency repair works on the paved section of the Oxbow Mokhotlong road;

(b) Construction of two bridges over the Senqu and Senqunyane rivers and related road connections; and

(c) Upgrading a stretch of about 25 km on the Mantsonyane-Lesobeng road and another stretch of about 8 km on the Likotopong-Lintsa feeder road.

(d) Construction of footbridges and intermediate transport access schemes.

3. Project Management, Monitoring and Evaluation

(e) Acquisition of technical advisory services required for activities pertaining to management, monitoring and evaluation of implementation of the Project.

(f) Formulation and execution of activities aimed at: (i) fostering awareness about HIV/AIDS with a view to containing its spread among persons involved in the transport sector; and (ii) monitoring and evaluating implementation of the Project and its impact on gender, poverty alleviation and economic development gains deriving from civil works associated with the Project.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

A. Institutional Arrangements

1. The Recipient shall coordinate Project implementation through the Project Office established within MPWT.

2. The Recipient shall maintain, throughout Project implementation, the following entities, in form and substance and with resources and functions satisfactory to the Association and as further detailed in the Project Implementation Manual:

   (a) The Project Office with qualified and experienced staff in adequate numbers including the following: (i) Project Manager; (ii) Financial Manager; (iii) Financial Controller; (iv) Financial Accountant; (v) Procurement Compliance Officer; (vi) Environmental and Social Coordinator; and HIV/AIDS Coordinator.

   (b) The Project Steering Committee, headed by the Minister of MPWT and comprising high level representatives of the Ministries in charge of finance, public service, local government and a representative of the Office of Attorney General.
