Re: Republic of Haiti  
GEF Grant No. TF0A6551  
Resilient Productive Landscapes

Additional Instructions: Disbursement and Financial Information Letter (DFIL).

Excellency:

I refer to the Grant Agreement ("Agreement") between the International Bank for Reconstruction and Development ("World Bank"), acting as an implementing agency of the Global Environmental Facility and the Republic of Haiti (the "Recipient") for the above-referenced project, dated April 12, 2018. The Agreement provides that the World Bank may issue additional instructions regarding the withdrawal of the proceeds of GEF Grant No. TF0A6551 ("Grant"). This letter ("Disbursement Letter"), as revised from time to time, constitutes the additional instructions.

I. Disbursement Arrangements, Withdrawal and Reporting of Grant Proceeds

(i) Disbursement Arrangements

The table in Schedule 1 sets out the disbursement methods which may be used by the Recipient, information on registration of authorized signatures, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

(ii) Electronic Delivery

The World Bank may permit the Recipient to electronically deliver applications (with supporting documents) through the World Bank’s web-based portal (https://clientconnection.worldbank.org) "Client Connection". This option may be effected if the officials designated in writing by the Recipient who are authorized to sign and deliver Applications have registered as users of “Client Connection". The designated officials may deliver Applications electronically by completing the Form 2380, which is accessible through “Client Connection”. By signing the Authorized Signatory Letter, the Recipient confirms that it is
authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications and supporting documents to the World Bank by electronic means. The Recipient may continue to exercise the option of preparing and delivering Applications in paper form. The World Bank reserves the right and may, in its sole discretion, temporarily or permanently disallow the electronic delivery of Applications by the Recipient. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Recipient confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the World Bank's public website at https://worldbank.org and “Client Connection”; and (b) to cause such official to abide by those terms and conditions.

II. Other Important Information

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Bank’s website (http://www.worldbank.org/) and “Client Connection”. The World Bank recommends that you register as a user of “Client Connection”. From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Grant, and retrieve related policy, financial, and procurement information. For more information about the website and registration arrangements, please contact the World Bank by email at clientconnection@worldbank.org.

If you have any queries in relation to the above, please contact Faly Diallo, Finance Officer at wfala-afr@worldbank.org using the above reference.

Yours sincerely,

Terms and Conditions of Use of Secure Identification Credentials
in connection with Use of Electronic Means
to Process Applications
and Supporting Documentation

March 1, 2013

The World Bank (Bank)¹ will provide secure identification credentials (SIDC) to permit the Borrower² to deliver applications for withdrawal and applications for special commitments under the Agreement(s) and supporting documentation (such applications and supporting documentation together referred to in these Terms and Conditions of Use as Applications) to the Bank electronically, on the terms and conditions of use specified herein.

SIDC can be either: (a) hardware-based (Physical Token), or (b) software-based (Soft Token). The Bank reserves the right to determine which type of SIDC is most appropriate.

A. Identification of Users.

1. The Borrower will be required to identify in a completed Authorized Signatory Letter (ASL) duly delivered to and received by the Bank each person who will be authorized to deliver Applications. The Bank will provide SIDC to each person identified in the ASL (Signatory), as provided below. The Borrower shall also immediately notify the Bank if a Signatory is no longer authorized by the Borrower to act as a Signatory.

2. Each Signatory must register as a user on the Bank’s Client Connection (CC) website (https://clientconnection.worldbank.org) prior to receipt of his/her SIDC. Registration on CC will require that the Signatory establish a CC password (CC Password). The Signatory shall not reveal his/her CC Password to anyone or store or record the CC Password in written or other form. Upon registration as a CC user, the Signatory will be assigned a unique identifying account name.

B. Initialization of SIDC.

1. Prior to initialization of SIDC by a Signatory, the Signatory will acknowledge having read, understood and agreed to be bound by these Terms and Conditions of Use.

2. Where a Physical Token is to be used, promptly upon receipt of the Physical Token, the Signatory will access CC using his/her account name and CC Password and register his/her Physical Token

¹ "Bank" includes IBRD and IDA.
² "Borrower" includes the borrower of an IBRD loan, IDA credit, or Project Preparation Facility advance and the recipient of a grant.
and set a personal identification number (PIN) to be used in connection with the use of his/her Physical Token, after which the Physical Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Where a Soft Token is to be used, the Signatory will access CC using his/her account name and CC Password and set a personal identification number (PIN) to be used in connection with the use of his/her Soft Token, after which the Soft Token will be initialized for use by the Signatory exclusively for purposes of delivering Applications. Upon initialization of the SIDC, the Signatory will be a “SIDC User”. The Bank will maintain in its database a user account (Account) for each SIDC User for purposes of managing the SIDC of the SIDC User. Neither the Borrower nor the SIDC User will have any access to the Account.

3. Prior to first use of the SIDC by the SIDC User, the Borrower shall ensure that the SIDC User has received training materials provided by the Bank in use of the SIDC.

C. Use of SIDC

1. Use of the SIDC is strictly limited to use in the delivery of Applications by the SIDC User in the manner prescribed by the Bank in the Agreement(s) and these Terms and Conditions. Any other use of the SIDC is prohibited.

2. The Bank assumes no responsibility or liability whatsoever for any misuse of the SIDC by the SIDC User, other representatives of the Borrower, or third parties.

3. The Borrower undertakes to ensure, and represents and warrants to the Bank (such representation and warranty being expressly relied upon by the Bank in granting SIDC) that each SIDC User understands and will abide by, these Terms and Conditions of Use, including without limitation the following:

4. Security

4.1 The SIDC User shall not reveal his/her PIN to anyone or store or record the PIN in written or other form.

4.2 The SIDC User shall not allow anyone else to utilize his/her SIDC to deliver an Application to the Bank.

4.3 The SIDC User shall always logout from CC when not using the system. Failure to logout properly can create a route into the system that is unprotected.

4.4 If the SIDC User believes a third party has learned his/her PIN or has lost his/her Physical Token he/she shall immediately notify clientconnection@worldbank.org.

4.5 The Borrower shall immediately notify the Bank at clientconnection@worldbank.org of any lost, stolen or compromised SIDC, and take other reasonable steps to ensure such SIDC are disabled immediately.

5. Reservation of Right to Disable SIDC

5.1 The Borrower shall reserve the right to revoke the authorization of a SIDC User to use a SIDC for any reason.
5.2 The Bank reserves the right, in its sole discretion, to temporarily or permanently disable a SIDC, de-activate a SIDC User's Account or both.

6. **Care of Physical Tokens**

6.1 Physical Tokens will remain the property of the Bank.

6.2 The Bank will physically deliver a Physical Token to each Signatory designated to receive one in a manner to be determined by and satisfactory to the Bank.

6.3 Physical Tokens contain delicate and sophisticated instrumentation and therefore should be handled with due care, and should not be immersed in liquids, exposed to extreme temperatures, crushed or bent. Also, Physical Tokens should be kept more than five (5) cm from devices that generate electromagnetic radiation (EMR), such as mobile phones, phone-enabled PDAs, smart phones and other similar devices. Physical Tokens should be carried and stored separate from any EMR device. At close range (less than 5 cm), these devices can output high levels of EMR that can interfere with the proper operation of electronic equipment, including the Physical Token.

6.4 Without derogating from these Terms and Conditions of Use, other technical instructions on the proper use and care of Physical Tokens are available at http://www.rsa.com.

7 **Replacement**

7.1 Lost, damaged, compromised (in terms of 4.5, above) or destroyed Physical Tokens will be replaced at the expense of the Borrower.

7.2 The Bank reserves the right, in its sole discretion, not to replace any Physical Token in the case of misuse, or not to reactivate a SIDC User's Account.
