SCHEDULE 1

Project Description

The objective of the Project is to increase access to effective safety net and disaster risk management systems, and complementary livelihood and nutrition services for food-insecure households in the Recipient’s rural areas.

The Project consists of the following parts:

Part 1: Social Protection and Disaster Risk Management Systems

Strengthening social protection and disaster risk management (DRM) systems through the transition from independent programs to a system of integrated social protection and DRM service delivery, including, inter alia:

(a) Supporting a single and harmonized registry and information management system to record Beneficiaries’ poverty and vulnerability status and services received under the Project at both federal and regional levels.

(b) Improving response mechanisms for food-insecure households with transitory needs and integrating disaster risk mitigation measures into community public works planning process, including development of early warning triggers for social protection and disaster risk mitigation interventions, together with harmonized planning and monitoring procedures for delivering social protection and disaster risk mitigation interventions.

(c) Improving appeals systems in the Recipient’s relevant agencies: (i) strengthening their grievance redress systems to resolve grievances of Beneficiaries, if any; and (ii) strengthening and standardizing the application of social accountability tools consistent with international good practice.

(d) Developing and implementing a comprehensive capacity building strategy and setting up of a National Capacity Building Facility to support institutionalized capacity and knowledge management at federal, regional, zonal, Woreda and Kebele levels, in the areas of both technical and human resources development.
Part 2: Productive Safety Net Transfers and Links to Livelihoods Services

Carrying out a program to deliver productive Safety Net Transfers and enhance households’ access to livelihoods services, through implementation of the following activities:

(a) Implementation of Safety Net Transfers in the form of cash, electronic payments, food vouchers, and/or food to chronically food insecure households; supporting effective response mechanisms that provide appropriate and timely resources to transitorily food insecure households in response to market and/or weather related shocks.

(b) Financing of community-based Public Works Sub-projects to develop sustainable community assets through participatory community planning processes; improving technical quality of public works through better planning, monitoring and evaluation for Public Works Sub-projects; and supporting awareness raising and behavioral change communications for nutrition, training for financial literacy, and use of ante-natal services for pregnant women.

(c) Enhancing community households’ access to complementary livelihoods’ services and opportunities through:

(i) the provision of information, training and capacity building to individuals and households to assist them in engaging in on-farm crop and livestock production or off-farm income generating activities; improve their labor and employment opportunities and develop necessary job skills; and improve their access to appropriate financial services;

(ii) the provision of support to training institutions and micro financial institutions to enable them to provide the services mentioned in sub-section (i) above; and

(iii) the provision of Livelihood Transfer Grants to selected Livelihood Transfer Grant Beneficiaries in communities to assist them in carrying out livelihood improvement activities.

Part 3: Institutional Capacity Building and Project Management Support

(a) Strengthening the capacity of Project Implementing Agencies at all levels to effectively implement the Project in areas such as planning, coordination, technical oversight of public works and livelihoods services, financial management, procurement, safeguards management, monitoring and evaluation; and financing of Operating Costs.
(b) Supporting the development and implementation of a performance management system at MoANR and MoLSA which includes performance benchmarking and incentives for improving performance.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain at all times during the Project implementation:
   
   (a) a coordination committee, as further defined in the Project Implementation Manual, with functions, composition and resources acceptable to the Association, to be responsible for overall strategic oversight, coordination, management, and technical support of Project implementation; and
   
   (b) the Rural Job Opportunity Creation and Food Security Sector within MoANR with the number of staff, terms of reference and resources acceptable to the Association, to provide day-to-day coordination and support to the Project Implementing Agencies at all levels in performing their respective Project implementation activities.

2. The Recipient shall ensure that adequate implementation arrangements, satisfactory to the Association, have been established and thereafter maintained at all times during the Project implementation at regional, Woreda, Kebele and community level, as such implementation arrangements shall be further detailed in the Project Implementation Manual.

3. The Recipient, through MoFEC, shall ensure that the memorandum of understanding with the Regional Cabinet, setting out the responsibilities of the Regional Cabinet to oversee the allocation and actual use of the Financing proceeds at the regional and Woreda levels, is not amended, waived, or abrogated without the prior approval of the Association.

B. Project Documents

1. The Recipient shall cause the Project Implementing Agencies to implement the Project in accordance with the following:
   
   (a) a Project Implementation Manual, setting forth rules, methods, guidelines, and procedures for the carrying out of the Project, including, inter alia:

   (i) detailed description of Project and institutional arrangements for implementing the Project;
(ii) eligibility criteria and procedures to be applied for selection of Beneficiaries for receiving Safety Net Transfers, as well as schedules and modalities of delivering Safety Net Transfers;

(iii) the operating procedures governing Public Works Sub-projects, including, *inter alia*, specific criteria for Public Works Sub-projects to be eligible for financing under the Project, selection criteria for Beneficiaries to participate in Public Works Sub-projects; and guidelines for selection, approval, implementation, monitoring and evaluation of Public Works Sub-projects;

(iv) the operating procedures governing Livelihood Transfer Grants and Livelihood Transfer Grant Sub-projects, including, *inter alia*, the eligibility criteria of Livelihood Transfer Grant Beneficiaries, guidelines for selection, approval, implementation, monitoring, and evaluation of Livelihood Transfer Grant Sub-projects; and the terms and conditions for the Livelihood Transfer Grant Agreements;

(v) the Environmental and Social Management Framework, Resettlement Policy Framework, and Enhanced Social Assessment and Consultation;

(vi) monitoring, evaluation, reporting, and governance procedures for the Project; and

(vii) disbursement, financial management, auditing and procurement procedures for the Project;

(b) a Commodity Management Procedure Manual, including, *inter alia*:

(i) guidelines and procedures for management and handling of food items financed under the Project;

(ii) reporting requirements and related reporting forms for transfer and delivery of food items; and

(iii) auditing requirements for food items and their reporting schedules.

2. In the event that any provision of the Project Implementation Manual and/or the Commodity Management Procedure Manual shall conflict with any provision of this Agreement, the provisions of this Agreement shall prevail. The Recipient shall not amend the Project Implementation Manual and/or the Commodity
Management Procedure Manual without the Association’s prior written approval.

C. **Environmental and Social Safeguards**

1. The Recipient shall cause the Project Implementing Agencies to carry out the Project in accordance with the ESMF, RPF, and Enhanced Social Assessment and Consultation, and any other Safeguard Document prepared or to be prepared by the Recipient in accordance with sub-paragraph 2 below, in a manner satisfactory to the Association.

2. Whenever an ESMP and/or RAP shall be required for any proposed Public Works Sub-project in accordance with the provisions of the ESMF and/or the RPF, the Recipient shall:

   (a) prior to the commencement of such Public Works Sub-project, proceed to have an ESMP satisfactory to the Association: (i) prepared in accordance with the provisions of the ESMF; and (ii) thereafter adopted and disclosed, in a manner acceptable to the Association;

   (b) prior to the commencement of such Public Works Sub-project, proceed to a RAP: (i) prepared in accordance with the provisions of the RPF; (ii) furnished to the Association for review and approval; and (iii) thereafter adopted and disclosed as approved by the Association, in a manner acceptable to the Association;

   (c) take such measures as shall be necessary or appropriate to ensure compliance with the requirements of such ESMP and/or RAP; and

   (d) in the case of any resettlement activity under the Public Works Sub-project involving Affected Persons, ensure that no displacement (including restriction of access to legally designated parks and protected areas) shall occur before necessary resettlement measures consistent with the relevant RAP have been executed, including, in the case of displacement, full payment to Affected Persons of compensation and of other assistance required for relocation, prior to displacement.

3. The Recipient shall, prior to expanding Project activities to any new Woreda: (i) update, as deemed necessary by the Association based on social screenings for said Woreda, the Enhanced Social Assessment and Consultation for vulnerable and underserved groups as defined in said Enhanced Social Assessment and Consultation; and (ii) thereafter ensure that activities in said Woreda are carried out in accordance with the provisions of the updated Enhanced Social Assessment and Consultation.
4. The Recipient shall not amend, abrogate or waive, or permit to be amended, abrogated or waived, the Enhanced Social Assessment and Consultation, ESMF, and RPF and any Safeguard Document adopted in accordance with the provisions of paragraph 2 of this Part C, unless the Association has provided its prior approval thereof in writing, and the Recipient has complied with the same consultation and disclosure requirements as applicable to the original adoption of the said instruments.

5. Without limitation on its other reporting obligations under this Agreement, the Recipient through MoANR shall collect, compile and submit to the Association each calendar semester (or at such other frequency as may be agreed with the Association) consolidated reports on the status of compliance with the Enhanced Social Assessment and Consultation, ESMF, the RPF, and any Safeguard Documents prepared for the Project, as applicable, giving details of: (a) measures taken in furtherance of the said instruments; (b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the said measures; and (c) remedial measures taken or required to be taken to address such conditions.

D. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

E. Public Works Sub-projects

1. The Recipient shall appraise, review, approve, and supervise each Public Works Sub-project in accordance with the criteria, procedures and requirements set out in the Project Implementation Manual, including, inter alia, the following criteria for a proposed Public Works Sub-project to be eligible for financing under the Project:

(a) the Public Works Sub-project shall be for the carrying out of labor intensive activities, including, without limitation, watershed management, soil and water conservation, road construction and rehabilitation, construction and rehabilitation of small community managed irrigation schemes, and the improvement of basic social service delivery;

(b) the Public Works Sub-projects shall be identified and prioritized in the respective community development plan;

(c) the proposed Public Works Sub-project is in compliance with the environmental standards set out in the ESMF, and with all applicable laws and regulations of the Recipient relating to environmental protection; an environmental screening has been carried out for the proposed Public Works Sub-project in accordance with principles set forth in the ESMF;
and if said environmental screening has concluded that an ESMP satisfactory to the Association is required, said ESMP has been prepared by the Recipient for implementing the proposed Public Works Sub-project; and

(d) if the proposed Public Works Sub-project involves involuntary acquisition of land, or involuntary restriction of access to legally designated parks and protected areas, a RAP has been prepared in accordance with the principles set out in the RPF and said RAP has been approved by the Association for implementing the proposed Public Works Sub-project.

2. Every year during the Project implementation period the Recipient shall prepare and furnish to the Association for its review and approval an Annual Public Works Plan which shall include the list of Public Works Sub-projects selected in accordance with the criteria, procedures and requirements set forth in the Project Implementation Manual and proposed to be financed during the respective annual period. Such Annual Public Works Plans shall be furnished to the Association not later than one month prior to commencing the selected Public Works Sub-projects in the respective fiscal year of the Recipient.

F. Safety Net Transfers

The Recipient shall select Beneficiaries, and implement and supervise Safety Net Transfers in accordance with the criteria, requirements and procedures set out in the Project Implementation Manual.

G. Livelihood Transfer Grants

1. The Recipient shall select and approve Livelihood Transfer Grant Beneficiaries in accordance with the criteria and procedures set forth in the Project Implementation Manual.

2. The Recipient shall review and approve Livelihood Transfer Grant Sub-projects in accordance with the criteria and procedures set out in the Project Implementation Manual. The Recipient shall only make the proceeds of the Livelihood Transfer Grant available to a Livelihood Transfer Grant Beneficiary after the Recipient has entered into a Livelihood Transfer Grant Agreement with the Livelihood Transfer Grant Beneficiary on terms and conditions acceptable to the Association, which shall include the Recipient's right to:

(a) suspend or terminate the right of the Livelihood Transfer Grant Beneficiary to use the proceeds of the Livelihood Transfer Grant, or obtain a refund of all or any part of the amount of the said Grant, upon the Livelihood Transfer Grant Beneficiary's failure to perform any of its obligations under the Livelihood Transfer Grant Agreement; and
require each Livelihood Transfer Grant Beneficiary to:

(i) carry out its respective Livelihood Transfer Grant Sub-project with due diligence and efficiency and in accordance with sound technical and financial standards and practices satisfactory to the Association, including the requirements set out in the Anti-Corruption Guidelines applicable to the recipients of the Credit proceeds other than the Recipient;

(ii) provide, promptly as needed, the resources required for carrying out the Livelihood Transfer Grant Sub-project;

(iii) procure the goods and/or services to be financed out of the Livelihood Transfer Grant in accordance with the provisions of this Agreement and use such goods and/or services exclusively for the Livelihood Transfer Grant Sub-project;

(iv) enable the Association and Recipient to inspect the Livelihood Transfer Grant Sub-project, its operation and any relevant records and documents; and

(v) prepare and furnish to the Association and Recipient, all such information as the Association and Recipient shall reasonably request relating to the foregoing.

3. The Recipient shall exercise its rights under each Livelihood Transfer Grant Agreement in such manner as to protect the interests of the Recipient and the Association to accomplish the purposes of the Credit. Except as the Association, the Recipient shall not assign, amend, abrogate or waive any Livelihood Transfer Grant Agreement or any of its provisions.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association. Each Project Report shall cover the period of six (6) months, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association, in form and substance satisfactory to the Association, and not later than sixty (60) days after the end of each calendar quarter: (i) interim unaudited financial reports for the Project covering the quarter; and (ii) commodity (food items) flow and status reports for the Project covering the quarter.

3. The Recipient shall have the Financial Statements related to the Project audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period. In addition, the Recipient shall cause the Project Implementing Agencies to provide the Association with interim audit reports (to cover the period of July 8 to January 7) not later than April 7 of each year.

4. The Recipient shall have the commodity (food items) flow and status reports for the Project for the period of one fiscal year audited in form and substance satisfactory to the Association and submitted to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular
contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods ofProcurement of Goods, Works and Non-consulting Services

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods, works and non-consulting services shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods, Works and Non-consulting Services.** The following list specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods, works and non-consulting services. The Procurement Plan shall specify the circumstances under which such methods may be used:

(a) National Competitive Bidding, subject to the following additional provisions:

(i) the Recipient’s standard bidding documents for procurement of goods acceptable to the Association shall be used. At the request of the Recipient, the introduction of requirements for bidders to sign an anti-bribery pledge and/or statement of undertaking to observe Ethiopian law against fraud and corruption and other forms that ought to be completed and signed by the bidders may be included in bidding documents if the arrangements governing such undertakings are acceptable to the Association;

(ii) if pre-qualification is used, the Association’s standard prequalification document shall be used;

(iii) no margin of preference shall be granted in bid evaluation on the basis of a bidder’s nationality, origin of goods or services, and/or preferential programs such as, but not limited, to small and medium enterprises;

(iv) mandatory registration in a supplier list shall not be used to assess bidders’ qualifications. A foreign bidder shall not be required to register as a condition for submitting its bid, and if recommended for contract award, shall be given a reasonable opportunity to register with the reasonable cooperation of the Recipient, prior to contract signing. Invitations to bids shall be advertised in at least one newspaper of national circulation or the official gazette, or on a widely used website or electronic portal with free national and international access;
bidders shall be given a minimum of thirty (30) days to submit bids from the date of availability of the bidding documents;

(vi) all bidding for goods shall be carried out through a one-envelope procedure;

(vii) evaluation of bids shall be made in strict adherence to the evaluation criteria specified in the bidding documents. Evaluation criteria other than price shall be quantified in monetary terms. Merit points shall not be used, and no minimum point or percentage value shall be assigned to the significance of price, in bid evaluation;

(viii) the results of evaluation and award of contract shall be made public. All bids shall not be rejected and the procurement process shall not be cancelled, a failure of bidding declared, or new bids shall not be solicited, without the Association’s prior written concurrence. No bids shall be rejected on the basis of comparison with the cost estimates without the Association’s prior written concurrence; and

(ix) in accordance with paragraph 1.16(e) of the Procurement Guidelines, each bidding document and contract financed out of the proceeds of the Financing shall provide that: (1) the bidders, suppliers, contractors and subcontractors, agents, personnel, consultants, service providers, or suppliers shall permit the Association, at its request, to inspect all accounts, records and documents relating to the bid submission and performance of the contract, and to have them audited by auditors appointed by the Association; and (2) acts intended to materially impede the exercise of the Association’s audit and inspection rights constitutes an obstructive practice as defined in the paragraph 1.16(v) of the Procurement Guidelines;

(b) Limited International Bidding;

(c) Shopping;

(d) Direct Contracting; and

(e) Procurement from UN Agencies.
C. Particular Methods of Procurement of Consultants' Services

1. Quality- and Cost-based Selection. Except as otherwise provided in paragraph 2 below, consultants' services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

2. Other Methods of Procurement of Consultants' Services. The following table specifies methods of procurement, other than Quality- and Cost-based Selection, which may be used for consultants' services. The Procurement Plan shall specify the circumstances under which such methods may be used.

D. Review by the Association of Procurement Decisions

1. The Procurement Plan shall set forth those contracts which shall be subject to the Association's Prior Review. All other contracts shall be subject to Post Review by the Association.

2. The Recipient shall cause MoANR: (a) to have procurement activities under the Project audited annually by an independent procurement auditor selected in conformity with the procedures set forth or referred to in this Section, under terms of reference satisfactory to the Association; and (b) to submit such audit reports to the Association not later than six (6) months after the end of each respective annual period.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of Article II of the General Conditions, this Section, and such additional instructions as the Association shall specify by notice to the Recipient (including
the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the Association and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2.
