SCHEDULE 1

Project Description

The objective of the Project is to improve the efficiency and reliability of the power system in the Republic of Montenegro, through better supply security and closer integration into the regional markets.

The Project consists of the following parts, subject to such modifications thereof as the Recipient and the Association may agree upon from time to time to achieve such objective:

Component 1. Telecommunications System Development

   Development of a modern telecommunications network, including links with regional utilities.

Component 2. Transmission Network Reinforcement

   Construction of two transmission line circuits from the transmission network to the Andrijevica substation and to the Mojkovac substation.

Component 3. Improvement of Operational Reliability of Perucica Hydropower Plant

   Installation of a new trash rack and new trash rack cleaning equipment, and supply of spare turbine runners for Perucica Hydropower Plant.
SCHEDULE 2

Project Execution

Section I. Subsidiary Financing; Institutional and Other Arrangements

A. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Financing available to the EPCG under a subsidiary agreement (“EPCG Sub-credit Agreement”), all under terms and conditions approved by the Association.

2. The Recipient shall exercise its rights under the EPCG Sub-credit Agreement in such manner as to protect the interests of the Recipient and the Association, and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the EPCG Sub-credit Agreement of any of its provisions, and shall ensure that the EPCG does not assign, amend, abrogate or waive the EPCG Sub-credit Agreement of any of its provisions.

B. Institutional and Other Arrangements

1. The Recipient shall ensure that the EPCG maintains at all times during the Project implementation a Project management unit, with terms of reference, resources and staff necessary for Project implementation and satisfactory to the Association.

2. The Recipient shall ensure that the EPCG shall implement the Project in accordance with the EMP and LAPF, and shall not assign, amend, abrogate or waive the EMP or the LAPF without the prior approval of the Association.

Section II. Project Monitoring, Reporting, Evaluation

A. Project Reports

1. The Recipient shall ensure that the EPCG monitors and evaluates the progress of the Project and prepares Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators agreed with the Association. Each Project Report shall cover the period of one (1) calendar quarter, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than September 30, 2011.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall ensure that the EPCG shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitations on the provisions of Part A of this Section, the Recipient shall ensure that the EPCG shall prepare and furnish to the Association as part of the Project Report not later than forty five (45) days after the end of each calendar quarter, interim un-audited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall ensure that the EPCG shall have its and Project Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the EPCG. Both the EPCG and the Project audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. Procurement

A. General

1. Goods. All goods and services (other than consultants’ services) required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines.

B. Particular Methods of Procurement of Goods

   International Competitive Bidding. Goods and services (other than consultants’ services) shall be procured under contracts awarded on the basis of International Competitive Bidding.

C. Review by the Association of Procurement Decisions

1. The Procurement Plan shall set forth those contracts which shall be subject to the Association’s Prior Review.
2. Except as the Association shall otherwise determine by notice to the Recipient, each contract for goods procured on the basis of International Competitive Bidding shall be subject to Prior Review by the Association.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Financing in accordance with the provisions of this Section and such additional instructions as the Association may specify by notice to the Recipient, to finance Eligible Expenditures as set forth in the table in paragraph 2 below.

2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Financing (“Category”), the allocations of the amounts of the Financing to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

<table>
<thead>
<tr>
<th>Category</th>

</tr>
</tbody>
</table>
B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section no withdrawal shall be made:

   (a) for payments made prior to the date of this Agreement; or

   (b) payment made for expenditures under Category (1) until the EPCG has
   (i) engaged a consultant under terms of reference and with qualifications
   satisfactory to the Association, to prepare the design, technical
   specifications and bidding documents for the activities under Component
   1 of the Project; and (ii) adopted a design and technical implementation
   plan for Component 1 satisfactory to the Association.

2. The Closing Date is March 31, 2012.

Section V. Other Undertakings

A. Self-financing Ratio

The Recipient shall ensure that by January 1, 2008, the EPCG shall maintain a
self-financing ratio equal to or above thirty five (35) percent. For the purposes of this
Section V.A, the term “self-financing ratio” shall mean the ratio between the funds from
internal cash generation and capital expenditures incurred by the EPCG during the
calendar year, and the term “funds from internal cash generation” shall mean the
difference between: (A) the sum of gross revenues from all sources related to the EPCG’s
operations, net non-operating income and any reduction in non-cash working capital; and
(B) the sum of all expenses of the EPCG’s operations, including maintenance and
administration (excluding depreciation and other non-cash operating charges), interest
and other charges on debt, repayment of loans, all taxes or payments in lieu of taxes, all
cash dividends and other cash distributions of surplus, increase in non-cash working
capital and any other cash outflows other than cash expenditures related to the operations
of the EPCG.

B. Collection Ratio

The Recipient shall ensure that that from the start of Project implementation until
January 1, 2008, the EPCG shall maintain a collection ratio equal to or above ninety (90)
percent, from January 1, 2008 until January 1, 2009, a collection ratio equal to or above
ninety two (92) percent, and from January 1, 2009, a collection ratio equal to or above
ninety four (94) percent. For the purposes of this Section V.B, the term “collection ratio”
shall mean the ratio between the EPCG proceeds of collections from customers during
the calendar year and the amount billed to customers during the calendar year for
regulated electricity services.
